REPUBLICAN TICKET.

STATE.
Supreme Judge..... M. B. Reese of Lincoln
Regent..... E. G. McGillon of Omaha
Comptroller..... W. B. Ely of Ainsworth

JUDICIAL.
Judge—14th district, G.W. Norris of Beaver City

COUNTY.
Clerk..... S. W. Clark of Bartley
Treasurer..... O. L. Thompson of Denver
Sheriff..... Fred Kinghorn of Box Elder
Clerk Dist. Court, F. G. Stilgebauer of Danbury
Superintendent, Martha J. Cordell of McCook
Judge..... G. S. Bishop of McCook
Surveyor..... E. S. Hill of Indianola
Coroner..... Joseph Spotts of McCook
Commissioner..... D. A. Waterman of Lebanon

SPOTS and Hill have everything their own, way practically.

Of course D. A. Waterman is handicapped with a Fusion plurality, but stranger things have happened in this county than his election.

ONE good term deserves another—hence Judge Bishop will succeed himself by the same comfortable plurality received two years since. It may go higher.

ADMIRAL DEWEY doesn't seem to think the United States government is making any mistake in making its control of the Philippines complete and permanent.

THE exports of the calendar year 1899 are likely to be the largest in our history, in spite of the doleful predictions made as to the prospective effect of the Dingley law upon our foreign markets.

THE money in the country has increased nearly 33 per cent. in the three years since Mr. Bryan and his followers were trying to make us believe that only free coinage could cause an increase in our currency.

THE measure of O. L. Thompson's popularity will be best known after the votes are counted in November. But if you keep your ear close to the ground you cannot fail to hear indications that he will run for county treasurer like a hare.

FRED KINGHORN is not making a brass-band campaign for sheriff, but his friends and admirers all over the county will see to it on election day that the balance of trade is on his side of the ledger. The young veteran of the gallant First will not lack for votes.

It seems that the advance in the prices of beef is not altogether chargeable to the "beef trust." Reports from Chicago quote the prices for live steers \$5.90 per hundred as the highest paid in September since 1884. Can it be possible that the farmers have organized a Live Steer Trust of their own?

RED WILLOW county has no better samples of able and clean young manhood than is found in the nominee for clerk of the district court, Foster G. Stilgebauer of Danbury. There is nothing to be said against him as a man—and there is no question as to his ability to fill that office efficiently.

SAM CLARK is measuring political swords with one of the most popular nominees of the Fusion ticket; but then Sam is some pumpkins himself when it is a matter of popularity. And he is well qualified, too. The woods are full of Sam Clark's friends. You will hear from them on November 7th.

THE Comfort is not singing so loudly since the convention of "principles" and the "unwritten law" of the party. The "principal" thing with the colonel now is the offices and the emoluments and perquisites and the appurtenances thereto belonging. In that respect, at least, the colonel bears the ear-marks of the modern reformer.

THE TRIBUNE has encouragement to believe that Red Willow county will be proudly in line for Manohah B. Reese for supreme judge in November. Judge Reese is preeminently a lawyer and judge—laying no special claims to acuteness in politics—and on this account recommends himself to the "great common people" we hear so much about from our political opponents. We believe that "the people" will remember him with their votes at the coming election.

COLONEL PHILLIPS, in his treatment of the Republican county ticket, reminds us of the debater's "straw-man." The colonel simply calls the ticket the "McCook ticket," and then he feels at liberty to punch away at it as will. Nevertheless, it is the Republican ticket of Red Willow county; properly constituted, honestly nominated and without any attempt on the part of McCook Republicans to dictate in the least, and it deserves—and THE TRIBUNE believes it will get—the votes of all who claim to be Republicans in Red Willow county, regardless of locality. Let the Republicans of Red Willow county, once for all, eliminate factionalism and sectionalism from politics—and the day of Republican success and domination has already dawned.

THE office of county superintendent is in a sense above political considerations—is one that especially demands special and expert qualifications. Large sums of money are paid by the people to maintain the great public school system; great interests are involved; in fine the position is a most vitally important one. All these facts the late Republican county convention seemed to have prominently in mind, when they named Martha J. Cordell for the office of county superintendent. Admittedly, she is the best qualified woman in Red Willow county for the position, by education and experience. Abreast of the times, she would make an ideal county superintendent. THE TRIBUNE warmly and confidently urges her upon the favorable consideration of the voters of this county.

IVORY SOAP PASTE.

In fifteen minutes, with only a cake of Ivory Soap and water, you can make a better cleansing paste than you can buy.

Ivory Soap Paste will take spots from clothing; and will clean carpets, rugs, kid gloves, slippers, patent, enamel, russet leather and canvas shoes, leather belts, painted wood-work and furniture. The special value of Ivory Soap in this form arises from the fact that it can be used with a damp sponge or cloth to cleanse many articles that cannot be washed because they will not stand the free application of water.

DIRECTIONS FOR MAKING.—To one pint of boiling water add one and one-half ounces (one-quarter of the small size cake) of Ivory Soap cut into shavings, boil five minutes after the soap is thoroughly dissolved. Remove from the fire and cool in convenient dishes (not tin). It will keep well in an air-tight glass jar. COPYRIGHT 1898 BY THE PROCTER & GAMBLE CO. CINCINNATI

A Life and Death Fight.

Mr. W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure throat, chest and lung troubles." Regular size 50c and \$1. Trial bottles free at McConnell & Berry's.

Glorious News

Comes from Dr. D. B. Cargile of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. This shows what thousands have proved—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by McConnell & Berry.
