Roy Jacobs is helping W. G. Dutton. W. S. Fitch is putting out trees, this week. The literary was well attended and as usual "roasts" were the central attraction.

Hurrah for Nebraska! The ground is so wet that the farmers cannot go into the fields to work.

We learn from a letter that Kathryn Duffey has a very good position teaching school at Ontario, Ill.

There was a good attendance out to Sunday-school, last Sunday, and the school was organized with S. G. Goheen as superintendent.

Rev. Walker will preach again, next Sunday, and the Sunday-school will be in good running order. All are cordially invited. Bring the children and grown-up people.

There was a full delegation from Driftwood precinct at the Republican county convention, held at Indianola, last Thursday. C. T. Eller was again chosen as central committeeman.

Bert Overman's team became frightened, last Sunday, and ran away. There were two children in the wagon who were too small to try and stop the team, and as there was no one else in the wagon the horses had it all their own way. They circled around several times and at last ran straight towards the Fitch school-house, and Lincolnton, Colch seeing them coming ran and jumped the fence in time to catch the horses by the head and stop them before they ran into the fence. Fortunately the wagon was not overturned, and as the children sat on the bottom of the bed, they were not thrown out, though very much frightened. On the whole, it was a narrow escape.

Spreads Like Wildfire.

When things are "the best" they become the "best-selling." Abraham Hard, a leading druggist, of Belleville, O., writes: "Electric Bitters are the best-selling bitters I have handled in 20 years. You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudes of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly, rundown man or woman. Price 50 cents. Sold by McConnell & Berry, druggist.

Millions Given Away.

It is certainly gratifying to the public to know of one concern which is not afraid to be generous. Asthma, bronchitis, lagrippe, and all throat, chest and lung diseases are surely cured by it. Call on McConnell & Berry, druggists, and get a free trial bottle. Regular size 50c and \$1.00. W. H. Shipman, Beardley, Minn., under oath, says he suffered from dyspepsia for twenty-five years. Doctors and dieting gave but little relief. Finally he used Kodol Dyspepsia Cure and now eats what he likes and as much as he wants, and he feels like a new man. It digests what you eat. D. W. Loar.

The collapse of the egg trust should be accepted as convincing evidence that a shell game can sometimes be beaten.

Perfect digestion is the only foundation for perfect health. The food we eat makes all the blood we have, which in turn feeds every nerve, muscle and tissue in the body. Herbine quickens the appetite, aids digestion, gives tone and vigor to all the functions and ensures good health. Price, 50 cents. A. McMillen.

An Indianapolis babe was baptised a few days ago with water from the river Jordan, brought from the hold land for that purpose. This looks like an almost treasonable discrimination against the historic old Wabash.
