

OVERWORK

You know all about it. You are a perfect slave to your work. It's rush through the day and worry through the night. There's no time to eat and no time to sleep. Already you have nervous dyspepsia, nervous sick headache, and neuralgia. Your food distresses you. You suffer from terrible depression. The outlook is dark and forbidding. You feel sure there is but one termination to this—

That's Nervous Prostration

And nervous prostration is something you don't want, that's certain. Then don't have it. A perfect Sarsaparilla prevents this distressing and dangerous disease, and it cures it, also. It keeps you up when especially pressed with work. It cures dyspepsia, and it builds up exhausted nerve tissue. But it must be a perfect Sarsaparilla to do this. So far as we can learn, there isn't but one in the world, and

That's AYER'S

"The only Sarsaparilla made under the personal supervision of three graduates: a graduate in pharmacy, a graduate in chemistry, and a graduate in medicine."

\$1.00 a bottle. All Druggists.

"I first used Ayer's Sarsaparilla in the fall of 1848. I came out of the Mexican War run down in health and badly used up. It did me so much good then that I have always taken it every spring as a blood-purifying medicine. I attribute my robust health at 78 to the use of your Sarsaparilla every spring." — S. T. Jones, Wichita, Kans., March 29, 1900.
