NINETEENTH YEAR.

McCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, MAY 18, 1900

NUMBER 1

## A Philanthropic People.

That the people of McCook carry warm hearts where they do the most good has again been demonstrated in the very gratifying results of the Field-day, Tuesday of this week, for the benefit of the India famine sufferers. All the plans and arrangements made worked out most satisfactorily, the net results from all sources netting \$305.05, a gift perhaps unequalled by any other Nebraska city of like population. The plans and performance were strictly characteristic of McCook—there is no better "leather" in the state. It is a pleasure to note that the business men of the city generally observed the half-holiday requested by the committee on arrangements and closed their respective places of business from one till five o'clock, during the time the sports were pulled off at the Athletic club park.

The chief attraction at the park was the game of base ball between the Cedar Bluffs aggregation and the McCook Athletic club team. While the score was too high and the result too uneven for a good game, the contest was spirited and not lacking in interest. There was a large attendance and a net sum of \$64.65 was added to the relief fund from that source. The other sports were running races, bicycle races etc., but they were without considerable interest.

The supper served by the ladies of the different churches of the city in the basement of the Temple block only lacked one cent of realizing the net sum secured from the sports, \$64.64. The ladies served an excellent meal and were liberally patronized.

In the evening, the young ladies of the A.W.O.s club held an ice cream and strawberry social in the opera house, a feature that was generously supported, and that was one of the pleasantest affairs of the entire occasion. A drill by a company of little girls was one of the entertaining features of the evening. The social netted the fund \$33.21.

The collection raised by the children of the city schools amounted to \$28.05, a very generous gift from the children of the city.

The offering of the Ladies' Aid society of the Zion Hill Baptist church was \$5.50, a very kindly remembrance from the ladies of that church up in Coleman precinct.

To this sum add the amount secured from individual sources, \$106, and the grand total is \$305.05.

THE TRIBUNE does not feel like closing this account of the Field-day before felicitating and congratulating everybody connected with the affair. The result is a high credit to our city.

## Municipal Matters.

The city fathers held a session, Monday night, and disposed of a number of items of municipal business.

A license to conduct a saloon in the old Palace hotel building was granted to Frank K. Miller.

A petition for a sidewalk along the east side of McDowell street from Railroad street on the south to Denver street on the north was granted, and the sidewalk prayed for was by resolution in due form ordered laid. This will provide a sidewalk to the German Congregational church and to quite a number of dwellings over on McDowell street now without that necessary convenience in wet and muddy weather.

The matter of using red sandstone for street crossings, especially in the business portions of the city, was discussed, and the same was practically adopted for the future, although no definite action was taken of record. This will be generally approved by the tax-payers of the city.

Bills as follows were allowed and warrants ordered issued on the proper funds:

George Scott	\$2.00
Spencer McClain	10.00
Electric Light Co.	87.40
J. R. Predmore	2.00
J. H. Dwyer	2.00

A hose house has been provided for West McCook; being situated on the rear end of Eliza Odell's residence lot. This will make it possible for the people of that part of the city to protect their property more efficiently and promptly than under the old order of things.

Mrs. W. N. Cratty injured.

Mrs. W. N. Cratty of Driftwood precinct was severely injured, late Wednesday night, in a runaway accident, a short distance west of the city. It appears that Mr. and Mrs. Cratty and Miss Mattie Shears were in the city, that night, attending Christian church services, the parents being principals in an immersion service at that church. The hired man was along to drive the team. A short distance west of the city, the team became frightened at the approach and passing of passenger train No. 6, and ran away. The driver jumped or was thrown out and lost possession of the lines, leaving the other occupants of the vehicle helpless. Mrs. Cratty and Miss Shears jumped out, but Mr. Cratty remained in the vehicle, being still somewhat lame from an accident on the railroad quite a while since. Mrs. Cratty sustained a severe fracture of her right leg, about three inches above the ankle—the bones protruding through the flesh. A Shears escaped with painfully sprained knee. The team ran homeward to near the west river bridge, where Mr. Cratty finally secured possession of the lines and stopped the runaways. Driving back to the scene of the accident, the women were taken into the vehicle and brought to the residence of G. C. Boatman in the city and medical assistance summoned. Mrs. Cratty's injuries are very severe, but not serious.

## A Fatal Accident.

John Real, one of the most highly esteemed and leading farmers of Perry precinct, was accidentally killed on his farm, Wednesday afternoon. No one witnessed the sad affair, and consequently details are lacking. However, it is known that Mr. Real started out from home, early in the afternoon, to do some fence repairing, and about five o'clock was found dead, his neck being broken.

Mr. Real started from the house with a team of horses attached to the running gears of a wagon on which were laid a few boards. When found one of the wheels was off of the wagon, and there were evidences of a runaway. It is thought he had been dead two or three hours when found.

The remains were shipped to Grafton, this morning, for burial at his former home, the remains being accompanied by the members of the family at this place. Other members of the family from away will also be present at the obsequies.

The deceased stood high among a large circle of friends and acquaintances, all of whom will join with THE TRIBUNE in expressions of deepest sympathy in this tragic sorrow and bereavement.

## It was a Great Hit.

"The Old Maids' Convention" as presented by the ladies and friends of St. Alban's guild, Monday evening, in the opera house, was a great hit and a most gratifying financial success—about fifty dollars being cleared. The "convention" was played to a good-sized and very appreciative audience.

As promised, there was no deep plot to concern the auditor, but there was plenty from the opening to the close to hold attention and appeal to the sense of the humorous;—"Solomon in all his glory was not arrayed like one of these" old maids, nor were his numerous "best girls" half as kittenish.

Mrs. W. R. Starr was chairwoman of the "Young Ladies' Debating Society" and Miss Bertha Child, secretary; their work was effective. There were several "star" delegates, notably among them being Mrs. James Hatfield, Mrs. W. W. Archibald, Mrs. F. A. Pennell, Mrs. W. B. Mills, Mrs. Howard Stout, Miss Maude Burgess and Miss Maggie Cullen, all of whom appeared advantageously in speech, essay, song or musical efforts.

Prof. Schobel's "remedioscope" was one of the fetching features or specialties, his marvelous machine transforming "old maids" of doubtful vintage into fairies, vocalists etc. with "neatness and dispatch;" these metamorphoses in turn giving musical variety to the performance. There were vocal solos by Miss Blanche McCarl, Miss Nina Doan, Little Elsie Campbell and F. H. Strout. The stage decorations were appropriately hearts and cupid, and the voting sign of the order—"m-a-n, man."

## Are You Going to Paris?

If you should, you would also go to Oberammergau and see the original Oberammergau Passion Play.

The original Passion Play as produced by the peasants of Oberammergau, Bavaria, and of Germany, every ten years, will be reproduced at St. Patrick's church on Monday afternoon and evening, May the 28th. ## A Sudden Death.

Mrs. Thomas Catt of South McCook suddenly died at her home, last Saturday evening, from an attack of heart disease. The funeral was held on Tuesday morning, Elder H. H. Berry conducting services at the home.

[SUSAN GRAY was born in Pike county, Indiana, November 26th, 1851; died in McCook, Nebraska, May 12th, 1900, aged 48 years, 6 months and 16 days. She was married to Thomas H. Catt on January 15th, 1869,—thirteen children being born to them, two boys and eleven girls. Six of the children have gone on before, two boys and two girls dying in Indiana, and two girls since coming to Nebraska. The husband and seven daughters remain to mourn the loss of a wife and mother, all of them being present at the funeral, except Mrs. James Chambers of Newcastle, Wyoming, who was not able to be here on account of illness. Mrs. Catt came to Nebraska and Red Willow county in 1880 where her husband took a homestead in the north-eastern part of Governor precinct where they lived several years before moving to McCook, where they have since resided. Sister Catt united with the United Brethren church at the age of thirteen and remained a consistent member of that church until her death. Coming to this county at an early age, she found society in an unsettled state, and did much in the organization of the church of her faith and in the improvement of matters moral and spiritual in that section of the county. The funeral was held at the home of the deceased, a large concourse of friends and neighbors attending the services, thereby showing the esteem in which she was held by her neighbors and acquaintances. Interment was made in Longview cemetery, beside a child who died a few years ago. Peace to the memory of a truly good woman. H. H. B.]
