

Fooled Repeatedly

Those who have been buying that cheap, worthless twine have been fooled repeatedly and we would advise the farmers to buy nothing but Deering twine and fool the hoppers, and not get fooled yourselves.

And the same thing applies to the Deering Harvesters, Mowers and Hay Rakes. A word to the wise is sufficient. Bear these facts in mind and buy the best and we predict that you will always be pleased.

Is one who fails to profit by experience, even though he has use of both eyes without the aid of glasses. Time and again people buy clothing that is half made and containing mostly "Shoddy and Flock." Remember that three years among you has taught you that we carry no sateinet goods in the house; what you buy of us is reliable and made by the best equipped factories in the in the country.
