### Aggravating the Offense.

"You are charged, young man," the magistrate said, not unkindly, "with scaring the complaining witness nearly out of his senses by putting him through some mock ceremony of initiation. I can make allowance for exuberance of spirits among college students, but sometimes this exuberance is carried too far."

"It was this way, your honor," exclaimed the youth who appeared to be the spokesman—"we were out for a little lark, and we caught a jay."  
 "The fine will be \$2 and costs each," said his honor, his face hardening.—Chicago Tribune.

### Some Ready Made Law.

Bourke Cockran studied law under Judge Theodore L. Dwight. One day the professor asked a question which seemed easy, but was really difficult. With his magnificent voice Cockran answered the best he could, adding as a saving clause, "Such, I take it, is the common law."  
 The good old doctor gleamed benignantly through his spectacles. "That would be all right, sir, if you had made it uncommon law."—Philadelphia Saturday Evening Post.

To make paper fireproof nothing more is necessary than to saturate the paper in a strong solution of alum water, and when thoroughly dry it will resist the action of flame.

"Before my wife began using Mother's Friend she could hardly get around. I do not think she could get along without it now. She has used it for two months and it is a great help to her. She does her housework without trouble."

### Mother's Friend

is an external liniment for expectant mothers to use. It gives them strength to attend to their household duties almost to the hour of confinement. It is the one and only preparation that overcomes morning sickness and nervousness. It is the only remedy that relaxes and relieves the strain. It is the only remedy that makes labor short and delivery easy. It is the only remedy that puts the breasts in condition so that swelling or rising is impossible. Don't take medicines internally. They endanger the lives of both mother and child.

Mother's Friend is sold by druggists for \$1. Send for our free illustrated book. The Bradfield Regulator Co., Atlanta, Ga.

 This vicinity was visited with a fine shower, Sunday evening, which was quite refreshing after the extreme heat and high winds of the latter part of the week; it came too late to help much of the corn crop however.

 There is much bluster about buying and selling land.

The law holds both the maker and the circulator of a counterfeit equally guilty. The dealer who sells you a dangerous counterfeit of DeWitt's Little Hazel Salve risks your life to make a little larger profit. You can't trust him. DeWitt's is the only genuine and original Little Hazel Salve, a well known cure for piles and all skin diseases. See that your dealer gives you DeWitt's Salve. D. W. Loar.

 Colonel and Mrs. S. R. Smith were visitors to that dreadful red stand-pipe town, yesterday.

We feel like absolving Samuel Randolph of all his meanness, since his recent true repentance and conversion, and lately acquired membership in the Dietrich club. You can't keep a good man down. The clouds may even obscure the imperial sun temporarily, but only to have the king of day soon or finally burst forth in all his effulgent power. So with Samuel Randolph, a temporary Populist eclipse has been dispelled by the bright noon-day of Republican conversion. Now, if Samuel will acquire a new cheese-box, some pipe molasses, a few fresh tooth-picks, a new hat and a real printer, the Reporter may yet gain immortal fame.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. McCook & Berry will refund your money if you are not satisfied after using it. A few doses of White's Cream Vermifuge will destroy the worms, then the children will begin to thrive at once. Price 25 cts. A. McMillen.

Prof. David S. Jordan says that college bred women are desirable as wives, but the great majority of mankind will continue to prefer home-made bread women.
