The two late rains made quite a change in the weather and crop conditions, and the hustling farmers are plowing for rye. There will be considerable corn raised yet on the creek; some of it is looking fine.

MCCONNELL'S BALSAM CURES COUGHS

THE FIRST BABY.

Its Coming is Looked Forward to With Both Joy and Fear and its Safe Arrival is Hailed With Pride and Delight by All.

The arrival of the first baby in the household is the happiest and most important event of married life. The young wife who is to become a mother delights to think of the happiness in store for her when the little one shall nestle upon her breast and latterly she shall hear it lisp the sweet and holy name, "mother." But her happy anticipation quickly vanishes when she realizes the terrible pain and suffering through which she must pass while bringing the little one into the world. An acute foreboding of the danger attendant upon the ordeal soon dissipates her joyfulness.

Thousands of women have learned by experience that there is absolutely no necessity for the sufferings which attend child-birth; they know that by the use of "Mother's Friend"—a scientific liniment—for a few weeks before the trying hour, expectant mothers can so prepare themselves for the final hour that the pain and suffering of the dreaded event are entirely obviated and it is safely passed through with comparatively little discomfort.

All women are interested, and especially expectant mothers who for the first time have to undergo this trial, in such a remedy; for they know the pain and suffering, to say nothing of the danger, which is in store for them. "Mother's Friend" is woman's greatest blessing, for it takes her safely through the severest ordeal of her life. Every woman should be glad to read the little book "Before Baby is Born," which contains information of great value to all. It will be sent free to any one who sends their address to The Bradford Regulator Co., Atlanta, Ga.

Father Goreley had lived here about 16 years. He was a consistent Christian and was respected by all who knew him. Five children and several grandchildren are left to mourn his departure.

INDIANOLA.

Mr. and Mrs. Will Dolan returned, Tuesday evening, from Wilcox.

Mrs. Frank McClung departed, Tuesday, for Colorado, to join her husband there.

Postmaster McCool had business in McCook, last night, returning home this morning.

Miss L. M. Welborn, county superintendent, transacted business of her office in McCook, last Saturday.

Mayor McCallum sojourned briefly in the shadow of the big red stand-pipe, last Saturday evening, on business.

J. G. Dole, Ernest Cordeal, Frank Cullen, Ed Gresham and Amos Rogers of McCook were Sunday pilgrims to this burg.

There is a prospect that Indianola will soon have three newspapers, and that as a "hot town" it will surpass Culbertson.

The local base-ball club slaughtered the High School club of McCook, Tuesday, on the home grounds. The score was 9 to 0.

Mr. and Mrs. A. A. Weller of Syracuse, this state, were guests of Mr. and Mrs. Andrews, Sunday. They are old-time friends.

Mrs. A. C. Teel departed, Tuesday, for Hebron, to speak at a Royal Neighbor and Woodman gathering in that place, this week.

The game between the McCook and Stockville clubs, next Saturday, on the Indianola grounds, promises to be the finest of the season. Both are strong teams.

Hon. R. D. Sutherland will speak on the political issues of the day at Indianola, Saturday afternoon at 1:30. In the evening a Bryan club will be organized.

G. C. Boatman, clerk of the district court, and E. O. Scott of THE MCCOOK TRIBUNE office were city visitors, Sunday, being detained until Monday morning by the rain.

W. S. Morlan, our next congressman, circulated among his friends here, Monday. The deacon's sterling integrity and recognized ability are making him votes in this section of the county. The thoughtful people here know a good thing when they see it—the deacon is one of them.

Jasper Phillips' new Democratic or Fusion paper is expected to make its appearance in the first week of August. It will necessarily be the "Warmest Baby in the Bunch." There is talk, also, that a straight Republican paper may be issued by other parties from Jasper's office. Indianola will soon have papers to burn.

The new base-ball park and amphitheatre are a substantial monument to the energy and enthusiasm of the "fans." And in this connection we would like to add the plea for a more liberal patronage of the grand-stand and park. The proportion of dead-heads, who swarm about the grounds, is too large for the number of paid admissions. Encourage the sport and the boys by your patronage. Don't sponge and rubber-neck.

The Stockville boys played two games in Oberlin, Friday and Saturday of last week, being defeated in both games. Friday's game was an excellent exhibition, the Oberlin's winning in a score of 8 to 7. Dell Teel and Jack Powers were in the points. Saturday's contest was a rather disastrous defeat, the score being 11 to 2. Powers was laid out of the game by an attack of mumps, and Teel was not in the box, either. Teel has since played a number of games with the Oberlins.

The law holds both the maker and the circulator of a counterfeit equally guilty. The dealer who sells you a dangerous counterfeit of DeWitt's Witch Hazel Salve risks your life to make a little larger profit. You can not trust him. DeWitt's is the only genuine and original Witch Hazel Salve, a well known cure for piles and all skin diseases. Know that your dealer gives you DeWitt's Salve. D. W. Loar.

The South Side choir and Sunday-school are preparing an entertainment to be given some time next month.

This locality was visited with a good rain, last Sunday night, and this was followed with quite a shower on Monday night. These rains will be a great help in maturing the late corn and bringing on the last crop of alfalfa.

Alfred Fitch of Scranton, Iowa, and a former resident of South Side, is out on a visit, the guest of his uncle, W. S. Fitch. Alfred has a claim in Cherokee Strip and expects to return to Oklahoma, this fall. He has many friends in Red Willow county who will be glad to learn of his return.
