

**THE LIVE STOCK MARKET.**

**Latest Quotations from South Omaha and Kansas City.**  
**SOUTH OMAHA.**  
 Union Stock Yards—Cattle—There were hardly enough cattle on sale to make a market, but buyers bought up what was offered at not far from steady prices. Some of the best corned steers sold perhaps a little stronger, but the commoner kinds were only about steady. For the week the market is 15¢ higher, the greatest advance being on the light heavyweight cattle. The half-fat stock joined in the advance, owing to the light supply of good cattle. The cow market was somewhat uneven, but as a general thing it was just about steady. The best grades of cows or heifers sold in good shape at fully steady prices, and the medium kinds also held about the same. If there was any change at all it was on the canners, which have not been selling as well the last few days as they did early in the week.  
 Hogs—The supply of hogs was liberal again today, but the market opened up a little stronger. Packers began bidding \$4.50 and \$4.25, the same as they did yesterday morning, and a good many hogs changed hands at the market. The market for hogs sold mostly at \$4.50, and the lightweights at \$4.25, and as high as \$4.50 was paid. It was a fairly active market on the start and the hogs on the market were sold in good season. For a time the feeling was rather weak and a few hogs sold at \$4.75, but finally packers bought the rest of them up to about \$4.50.  
 Sheep—The market was barren as far as fresh arrivals were concerned, and there were only a few old ewes carried over from yesterday. As a result there was nothing which would make a test of the market. Packers, however, did not seem to be particularly anxious for supplies, as the mutton market is \$3.00 very dull. Choice light yearlings are probably no more than a dime lower, but the general run of ewes and wethers are 15¢ lower than they were a week ago.

**KANSAS CITY.**  
 Cattle—Choice killing steers 10¢ higher; other grades steady to 10¢ higher; native steers, \$4.35 to \$5.40; stockers and feeders, \$3.00 to \$4.75; butcher cows and heifers, \$3.00 to \$4.25; canners, \$2.40 to \$3.00; fed steers, \$5.10; fed Texans, \$3.60 to \$4.25; grass Texans, \$3.15 to \$3.50; calves, \$3.50 to \$5.25.  
 Hogs—Receipts, 12,000 head; market opened 5¢ higher and closed steady, with part of grain loss heavy, \$4.90 to \$5.75; mixed, \$4.50 to \$4.95; light, \$4.75 to \$5.25; pigs, \$4.15 to \$4.50.  
 Sheep and Lambs—Receipts, 1,200 head; improved demand for all classes at strong prices; lambs, \$5.00 to \$5.50; muttons, \$3.60 to \$4.25; feeders and feeders, \$3.25 to \$4.00; culis, \$2.75 to \$3.25.

**TELLS OF KIDNAPERS' GANG.**

**Letter Found in Milwaukee Street Car Results in Exposure of Plot.**  
**MILWAUKEE, Dec. 22.**—The sensational disappearance and return of young Edward Cudahy of Omaha is somewhat strangely coincident with the finding of a letter in a Milwaukee street car a few days ago. The letter was addressed to William Stewart, Chicago, Ill., and told of a plan to rob several residences of wealthy citizens in Milwaukee and to abduct a little girl. The letter was written with a lead pencil and was signed "Jack."  
 The letter was turned over to the police, who looked upon it as the work of a lunatic. The day following the finding of the letter the following advertisement appeared in the Milwaukee Journal:  
**LOST—Reward of \$5 for the return of letter addressed William Stewart, Chicago, Ill. Address letter to John Smith, Milwaukee, general delivery.**  
 The Journal also received a letter signed "Jack," in which the writer says he is the person who lost the letter in the street car and that it was he who advertised for it. He says he has been expelled from a desperate gang of robbers and kidnapers who are working in different parts of the country, and that he has determined to inform against them. Then he tells of a plan which had been arranged to rob the Schandelin Milwaukee residence, abduct the little girl and hold her for a ransom. Besides the Schandelin he says numerous other prominent people, including Mayor Rose, Captain Pabst and Charles Uehlin are marked for visits from the gang.  
 When the letter was shown to Police Inspector Reimer he expressed the opinion that both it and the letter found in the street car were written by a lunatic or some boy who had been reading dime novels and wanted notoriety.

**PRISON HOUSE FOUND.**

**Place Where Young Cudahy Was Held Located by the Police.**  
**OMAHA, Neb., Dec. 22.**—Edward A. Cudahy, sr., has not given up the chase after the man who stole his son and held him for a ransom of \$25,000 in gold. On the other hand, Mr. Cudahy, in connection with Chief Donahue, has gone systematically to work to bring to justice the criminals. Only one important feature was developed yesterday. During the afternoon the police and Mr. Cudahy located and positively identified the house in which the boy was held during his captivity.  
 In connection with this the police secured a very accurate description of two men who were doubtless connected with the affair. Miss Munshaw, daughter of the man who lives nearest to the place, which is on the outskirts of South Omaha, gave an excellent description of two men who came to the place some days since, seeking to rent it. They were afterward seen there. On the night of the 18th Mr. Munshaw saw two men assisting a third to alight at the house. He thought the third was intoxicated. It was undoubtedly young Cudahy, his apparent intoxication being due to the fact that he was blindfolded and his hands were tied.  
 One of the men described by Miss Munshaw tallies with the description given of the young man who used the telephone at the livery stable to notify the Cudahy family that there was a letter in the front yard on the morning of the 19th.

**GOVERNOR OF OREGON Uses Pe-ru-na in His Family For Colds and Grip.**

**CAPITOL BUILDING, SALEM, OREGON.**  
 A Letter from the Executive Office of Oregon.

The Governor of Oregon is an ardent admirer of Pe-ru-na. He keeps it continually in the house. In a recent letter to Dr. Hartman he says: State of Oregon, Executive Department, Salem, May 9, 1898.  
 Dear Sirs:—I have had occasion to use your Pe-ru-na medicine in my family for colds, and it proved to be an excellent remedy. I have not had occasion to use it for other ailments. Yours very truly, W. M. Lord.  
 Any man who wishes perfect health must be entirely free from catarrh. Catarrh is well-nigh universal; almost omnipresent. Pe-ru-na is the only absolute safeguard known. A cold is the beginning of catarrh. To prevent colds, to cure colds, is to cheat catarrh out of its victims. Pe-ru-na not only cures catarrh, but prevents. Every household should be supplied with this great remedy for coughs, colds and so forth.  
 It will be noticed that the Governor says he has not had occasion to use Pe-ru-na for other ailments. The reason for this is, most other ailments begin with a cold. Using Pe-ru-na to promptly cure colds, he protects his family against other ailments. This is exactly what every other family in the United States should do. Keep Pe-ru-na in the house. Use it for coughs, colds, la grippe, and other climatic affections of winter, and there will be no other ailments in the house. Such families should provide themselves with a copy of Dr. Hartman's free book, entitled "Winter Catarrh." Address Dr. Hartman, Columbus, O.

will stand no trifling because no disease is so deceptive and none more fatal. Statistics show that more people die from Kidney Diseases than any other disease.

**U. S. SENATOR DAVIS DIES FROM KIDNEY DISEASE.**

Senator Davis made a prolonged and gallant fight with disease. The trouble, of which the kidney affection was the fatal outcome, first appeared about Sept. 20.

**Trouble Stealthily Encroached.**

The trouble had, however, stealthily encroached upon a vital organ, and on Nov. 11 examination of the urine proved the presence of inflammation of the kidneys.

Both acute nephritis and diabetes made their appearance, and Dr. Murphy, of Chicago, was summoned. He agreed with Doctors Stone and Lankester as to the presence of these serious ailments in acute form, and, while not making any public statement, he made known privately to some of Senator Davis' business associates his opinion that the case was hopeless.

To those, however, who were familiar with the symptoms of acute kidney troubles the bulletins held ominous information, the rapid respiration, fluctuating pulse, delirium and approaching coma telling the story of death's nearness.

Kidney Disease does not make itself felt until it has secured a firm hold on your system.

**Morrow's Kid-ne-oids** are made for Kidney Diseases and that they cure Kidney Diseases can be attested by a "cloud of living witnesses," three of which give voluntary testimony below:

**Mr. J. C. Schoch, of DuBois, Pa.,** convinced beyond the shadow of a doubt that Morrow's Kid-ne-oids cure kidney troubles promptly and to stay cured.  
 "For about a year I had a dull, heavy pain in the small of my back, which would be attended by a sharp, stinging pain when lifting or stooping over. On account of the pain in my back I could not sleep and get proper rest, and would feel dull and tired when arising in the morning instead of fresh and vigorous. When Morrow's Kid-ne-oids were first advertised I did not have much faith in their curative qualities, but after seeing them recommended to relieve symptoms like my own, I procured some at Vosburg's drug store, and took them according to directions. In a few days the pain in my back stopped. The Kid-ne-oids have done away with that dull, tired feeling and I am enjoying better health than I have for years." Mr. Schoch, lives at 117 Olive Ave., DuBois, Pa.

**Mrs. Gold Campman, 45 River St., Sharon, Pa.,** graphically describes her condition before and after she used Morrow's Kid-ne-oids, hoping by so doing she will help some other woman to get rid of the debilitating backaches so common to the female sex.  
 Sharon, Pa., Nov. 6, 1900. John Morrow & Co. Dear Sirs:—"I take pleasure in recommending your medicine to the public in the hope that it may benefit others as it has me. Three years ago in March I was attacked with a severe fever which left me in a miserable, weak condition. About one year ago, after my kidneys became affected, the pain in my back was so bad I could not sit up or lie down. I saw Morrow's Kid-ne-oids highly recommended and procured a box and took them according to directions, which resulted in a cure. I have taken in all three boxes and consider the medicine so good for kidney troubles that I will take no other." Yours truly, Mrs. Gold Campman.

**Mrs. D. S. Sterner.**  
 Graphical interview given our reporter by Mrs. D. S. Sterner, of Altoona, Pa., who suffered for years with kidney troubles.  
 "I suffered several years with kidney trouble and did considerable doctoring, even going to the hospital for a time, but it seemed that my disease was incurable. My suffering was terrible, especially with my back. I saw Morrow's Kid-ne-oids advertised and recommended so highly by other persons whose symptoms were similar to my own that I decided to try them. I began to improve in two or three days after I commenced to take them, and continued to improve until the pain in my back had all disappeared. I have felt like a new person since taking Kid-ne-oids and am only too glad to be able to recommend such a valuable medicine." Mrs. Sterner resides at 1515 7th Ave., Altoona, Pa.
