

# THANKFUL TO MRS. PINKHAM

Letters Proving Positively that there is No Medicine for Woman's Ills Equal to Lydia E. Pinkham's Vegetable Compound.

MRS. ANNIE THOMPSON

(ALL LETTERS ARE PUBLISHED BY SPECIAL PERMISSION.)

"I cannot say enough in regard to Lydia E. Pinkham's Vegetable Compound. It has done me more good than all the doctors. I have been troubled with female weakness in its worst form for about ten years. I had leucorrhœa and was so weak that I could not do my housework."

I also had falling of the womb and inflammation of the womb and ovaries, and at menstrual periods I suffered terribly. At times my back would ache very hard. I could not lift anything or do any heavy work; was not able to stand on my feet long at a time. My husband spent hundreds of dollars for doctors but they did me no good. My husband's sister wrote what the Vegetable Compound had done for her, and wanted me to try it, but I did not then think it would do me any good. After a time, I concluded to try it, and I can truly say it does all that is claimed for it. Ten bottles of the Vegetable Compound and seven packages of Sanative Wash have made a new woman of me. I have had no womb trouble since taking the fifth bottle. I weigh more than I have in years; can do all my own housework, sleep well, have a good appetite, and now feel that life is worth living. I owe all to Lydia E. Pinkham's Vegetable Compound. I feel that it has saved my life and would not be without it for anything. I am always glad to recommend it to all my sex, for I know if they will follow Mrs. Pinkham's directions, they will be cured."

Gratefully yours, MRS. ANNIE THOMPSON, South Hot Springs, Ark.

#### CHANGE OF LIFE.

"I was taken sick five years ago with 'The Grippe,' and had a relapse and was given up by the doctor and my friends. Change of Life began to work on me. I fainted very badly until a year ago, then my stomach and lungs got so bad, I suffered terribly; the blood went up in my lungs and stomach, and I vomited it up. I could not eat scarcely anything. I cannot tell what I suffered with my head. My husband gave me a bottle of Lydia E. Pinkham's Vegetable Compound, and before I had taken half of it I began to improve, and to-day I am another woman. Mrs. Pinkham's medicine has saved my life. I cannot praise it enough."

M. A. DENSON, Millport, N.Y.

#### PROFUSE PERIODS.

"I commenced taking Lydia E. Pinkham's Vegetable Compound about 3 months ago, and cannot express the wonderful good it has done me. Menstruations were so profuse as to leave me very weak for some time after. Was also troubled with leucorrhœa, tired feeling, bearing down sensation, pain across the back and thighs. I felt as though there was a heavy weight in my stomach all the time. I have taken two bottles of the medicine, and now have better health than I have had for four years."

MRS. LIZZIE DICKIN HODGE, Avalon, Ohio.

## IN RECEIVER'S HANDS

Nebraska Loan and Trust Company Goes Out of Business.

#### LOANING MONEY IS UNPROFITABLE

Mr. Clarke, the President, Appointed Receiver—His Reasons for the Suspension of Business—Other Matters in Nebraska Here and There.

HASTINGS, Neb., Feb. 16.—The Nebraska Loan and Trust company, which has been doing business in Hastings for over twenty years, has gone out of business, and J. N. Clarke, who was president, has been appointed receiver. The amount of capital involved amounts to over \$1,500,000, and there are 100 stockholders, who are capitalists in various parts of the United States. Mr. Clarke gives these reasons for the suspension of business:

"The company has, I think, wisely decided to go out of business. The low rates and limited demands for loans in Nebraska has made the business of this company at least unprofitable, maintaining interest upon what remains of the unfortunate loans made early in the history of the company in western Kansas, eastern Colorado and western Nebraska. The expenses attending it handicaps the earning capacity of the company seriously. In order that all parties interested may be protected, it was thought best to have liquidation made through a receiver."

Mr. Clarke has been president of the company for ten years and he says the affairs of the company are in the best of condition, but that it may take four to five years before all the business connected with the company will be entirely cleared up.

The Nebraska Loan and Trust company was one of the largest and soundest institutions of its kind in the west and has loans throughout the north, west and south, but as the margin of interest has been so greatly reduced the last three years the company could not see its way clear to continue doing business at practically a loss.

LINCOLN, Neb., Feb. 16.—Judge Munger of the federal court acted favorably on an application made by J. W. Coffin and other stockholders of the Nebraska Loan and Trust company of Hastings, Neb., for a receivership for the company. James M. Clarke of Hastings, a former president of the company, was named receiver and his bond fixed at \$30,000.

The company has a capital stock of \$500,000 and has advertised for some time a surplus of \$135,000. The liabilities of the company are unknown.

#### Mat Daugherty to Leave Sidney.

SIDNEY, Neb., Feb. 16.—M. A. Daugherty sold his residence property in Morrow addition and expects to leave Sidney soon, perhaps about March 4. In connection with the fact that he is a close personal friend and former neighbor of Senator-elect Kearns of Utah and was in no small measure responsible for his election, it is said he is slated for a position that will warrant his resigning as receiver of the local land office.

#### Woman Torn to Shreds.

KEARNEY, Neb., Feb. 16.—The body of Nannie Jarner was found on the Union Pacific tracks mangled almost beyond recognition and strewn for three blocks along the rails. She was 28 years of age and came recently from Stark, Neb. Upon her arrival she was found to be either drugged or insane and was placed in the city hospital, her mind wandering at times during her two weeks' stay here. It is thought to be a case of suicide.

#### Going to Inaugural.

LINCOLN, Neb., Feb. 16.—Nearly all the members of the military staff appointed by Governor Dietrich meet at the state house and in consultation with the governor arranged to attend the inauguration of President McKinley. The governor and his staff will leave Lincoln February 28, in a special car on the Burlington road. The governor's daughter will join him at Washington to be present at the inaugural ceremonies.

#### Nebraska Cattle Shipped West.

SIDNEY, Neb., Feb. 16.—E. J. Tadlock of South Sioux City, Ia., shipped in 350 head of eastern Nebraska cattle the latter part of the week and placed them on the market, selling all but about thirty head in a few days to local purchasers. The cows averaged from \$26 to \$31, the steers bringing from \$22 to \$28. Mr. Tadlock returned to Iowa Thursday and expects to bring back several carloads of young cattle next week.

#### Child Burned to Death.

NELSON, Neb., Feb. 16.—Mrs. Lyman Welch called at one of her neighbors for a moment, leaving her little boy, about four or five years old, alone in the house and on starting home was met at the gate by the child, who was enveloped in flames. His clothing was all burnt off him. How he caught fire is not known. He died during the night.

#### Shoots Top of Head Off.

FREMONT, Neb., Feb. 16.—Gus Ludwig, a well known citizen of Arlington, committed suicide by blowing the top of his head off with a shotgun. The gun had been taken from the office. Ludwig was fifty years old and had traveled extensively. He had no family, but leaves five brothers and five sisters.

#### Jackson Coal Mines to Be Developed.

SOUTH SIOUX CITY, Neb., Feb. 16.—The coal mines at Jackson will be fully developed the coming season. F. L. Eaton, manager of the company that has secured a lease of all the coal lands in the immediate vicinity of Jackson, has placed twelve men at work sinking a shaft and the company expects to be mining coal there in a few weeks.

#### A Glasgow Man's "Tree Clock."

A Glasgow man has in his garden what he calls a "tree clock." Fir trees are planted in such positions that one of them will shade a portion of the house at every hour of sunlight. For example, at 9 o'clock in the morning the "9 o'clock tree" shades the dining room, while as the sunlight changes the "10 o'clock tree" shades the room adjoining it, and so on through the day. On a sunny day this "tree clock" insures a succession of shady places around the house.

#### A Much Prized Pane.

There is one pane of glass at Marlborough house, in England, that has a peculiar sort of history, and is most carefully guarded. The late Duke of Clarence once entered the sitting room of one of his sisters and scratched with a diamond on the window his name, "Eddy." Soon after the present emperor of Russia entered the room, and noticing the handiwork of his cousin, scratched "Nicky" beneath it.

#### HALF DEAD SOLDIER.

Returns All Broken Up to His Home in South Dakota.

BRISTOL, So. Dak., Feb. 18th, 1901.—(Special)—Peter Behres says: "When I returned from the war I found that I was in a very critical condition. My system was all run down, and I gradually became worse, until I was half dead with Kidney and Bladder Trouble. My family wanted me to consult a physician, but as I had learned through several of my comrades of the wonderful cures of Dodd's Kidney Pills I determined to give them a trial first."

Mr. Behres, or Capt. Behres as he should be called, because he was captain of the 1st Minnesota Cavalry, and in 1862 was for fourteen months in continual service in warfare with the Indians, is now an honored member of the G. A. R., who has reached the ripe old age of three score years and ten. He continues: "I am now an old soldier, seventy years of age, and enjoying almost perfect health, and all thanks for this is due to Dodd's Kidney Pills. I found after having used the first few boxes that my faith was not misplaced in them, and in a very short while my kidneys were doing the work required of them and the bladder trouble was soon eliminated. It was almost a year before I was myself, but during that time I used Dodd's Kidney Pills faithfully and with the very best results that anyone could wish for. I would not have been without them for a king's ransom. I am now well as any man of my age."
