

The Kaiser and the Sergeant. Emperor William's kindness of heart is well known and recently at the parade at Stettin he gave proof of it to a former sergeant of his under whom he had served when he was crown prince. He recognized the veteran standing among the crowd of spectators and surrounded him. For some minutes he chatted pleasantly with the man and then dispatched an orderly to bring a horse for his former sergeant that the latter might be able to ride about and see the review at his ease.

Carrie's Sharp Reply. Several invitations of a more or less farcical nature have been sent to Mrs. Carrie Nation regarding a New York visitation. The latest was a suggestion that she try her hand at reforming the Four Hundred, reference being made to the burlesque saloon smashing act at Senator Clarke's valentine ball. She replied, "The society people of New York probably need reformation as badly as any class of people in America, not excepting saloonkeepers. If they want to burlesque me when I am trying to save men's souls I do not care. They had better employ their time driving vice out of their own city."

What Will the Girls Get? An Englishman who recently died had three children, one son and two daughters, and he mentioned all of them in his will. The first clause is, "I leave my piano to Mary Elizabeth when Arthur has done with it." The other clause is, "To Susan Jane—she may take whatever Arthur wishes to give her." There is no doubt of Arthur's standing in the document, but the pointed question is raised, "Are Mary Elizabeth and Susan Jane beneficiaries under the will?"

AFTER EIGHTEEN YEARS. Mrs. Doty, of Highland, Iowa, Restored to Health—A Miraculous Case—Her Husband is Cured of Bright's Disease by Same Means. Highland, Ia., March 4.—(Special).—Friends of Mrs. W. H. Doty are very much pleased to note the wonderful improvement in her condition. For eighteen years she has been a sufferer from rheumatism, and the torture she has endured during this time is past all description. Mrs. Doty tells the following story: "I have suffered for the past eighteen years with kidney trouble and rheumatism. I have tried doctors, patent medicines, plasters, liniments, electric treatments, and nothing did me any good. I had nearly lost all faith in anything, when I sent for six boxes of Dodd's Kidney Pills. I said to my husband I expected that it was some more money thrown away, but when I had taken them a week I could see that they were helping me. The lameness I had suffered with for so long is nearly all gone. It is not a quarter as bad as it was. For years I had to wear a warm bandage around my forehead to prevent the pain. Since using the Pills I have been able to remove this altogether. "I cannot find words to express my heartfelt thanks to Dodd's Kidney Pills for their wonderful cure of my case. My husband has suffered from kidney trouble for years. Last spring a doctor said he had Bright's Disease, and treated him, but he received no benefit, and he kept growing thinner and weaker all the time. When I got Dodd's Kidney Pills he commenced taking four a day. He has taken them three months and is nearly well. His strength is increased, and the improvement in his case is almost miraculous. Dodd's Kidney Pills have certainly been a God send to us."

It is just cases like those of Mr. and Mrs. Doty that have made Dodd's Kidney Pills so very popular in Iowa. They are 50c a box, six boxes for \$2.50. Buy them from your local druggist if you can, if he cannot supply you, send to the Dodd's Medicine Co., Buffalo, N. Y.

Commendable Crusade. Under the headline, "Bounce the Blabbers," a Cedar Rapids paper makes vigorous protest against the chatterers who disturb theater and lecture audiences. It offers a reward of \$5 to the first usher who will "go after" such idiots in the proper manner, and refers to one of them as having a month that "would be a profitable enterprise if turned into a windmill."

The prominence achieved by Garfield Tea as a blood purifier has not been equaled by another remedy; an improvement in the complexion can be seen after a few days' use. We only profit in the measure we have enabled self.

Try Grain-O! Try Grain-O! Ask your grocer to-day to show you a package of GRAIN-O, the new food drink that takes the place of coffee. The children may drink it without injury as well as the adult. All who try it, like it. GRAIN-O has that rich brown of Mocha or Java, but it is made from pure grains, and the most delicate stomach receives it without distress. If the price of coffee, 15c and 25c, per package. Sold by all grocers.

It is from our failure we gain our greatest strength.

Ask your grocer for DEFIANCE STARCH, the only 16 oz. package for 10 cents. All other 10-cent starch contains only 12 oz. Satisfaction guaranteed or money refunded.

LIFE TERM IN PRISON

Edward Gardner Found Guilty of Murder of Herman Zahn.

A VERDICT IS GIVEN AT MIDNIGHT

The Will of Judge Maxwell Placed for Probate in Dodge County—Tenor of Its Provisions—Miscellaneous Matters in Nebraska.

FREMONT, March 2.—Edward Gardner was convicted here of the murder of Herman Zahn, the Snyder saloon keeper, and was sentenced to imprisonment for life.

At precisely 12 o'clock the jury knocked on the door of its room and announced that it had agreed upon a verdict. Judge Grimison was in the court room and at once sent the bailiff for the clerk and attorneys. The defendant was brought in handcuffed to Sheriff Kreider. He looked tired and haggard. His face was pale and there were dark circles under his eyes, which were fixed upon the jurors as they filed past him to their seats in the box. It was nearly 1 o'clock before the clerk and attorneys appeared. During this time Gardner sat in his chair like a statue, only occasionally turning his eyes toward the judge or directing them to the floor. An intense stillness pervaded the dimly lighted court room. There were about twenty-five people present who had stayed up to hear the verdict.

At 12:45 Foreman J. W. Nation handed the verdict to the bailiff. The bailiff passed it to Clerk Cruikshank, who read in a firm voice:

"We, the jury duly impaneled and sworn in the above entitled case, do find the defendant, Edward Gardner, guilty in manner and form as charged in the information, of murder in the first degree, and we do further find, say and determine that the defendant, Edward Gardner, be punished by imprisonment for life.

"J. W. NATION, Foreman."

As Clerk Cruikshank read the verdict the defendant's face grew paler, his eyes stared anxiously, but not a muscle of his face changed. His hands trembled slightly as Sheriff Kreider fastened on the handcuffs and with his maimed left hand he put his hat on his head.

Judge Maxwell's Will Filed.

FREMONT, Neb., March 2.—The will of Judge Samuel Maxwell has been filed for probate in the office of the county judge. It is dated June 27, 1879, and is witnessed by Judges Amasa Cobb and M. J. Reese. It provides first for the payment of his debts from the personal property, with authority to sell the real estate for that purpose if needed. A bequest is made of \$1,000 to each of his children, payable as soon as they are of age, from the personal property, or from the proceeds of the sale of real estate in Merrick county. His wife is given a life estate in his Plattsmouth property and his entire personal estate, also a homestead interest in his residence property in Fremont, provided it is not necessary to sell the same. Henry Eikerbarry of Cass county and Henry G. Wolcott of Fremont are named as executors.

In a codicil dated May 4, 1899, he recites the sale of his Merrick county property and the purchase of land in Adams county and directs that land other than in Dodge county be first sold for the payment of debts and legacies and if the land cannot be sold at a fair valuation then the children are to take their legacies in land either in whole or part. After the death of his wife he directs that all his property be sold and the proceeds divided equally between his children. This codicil is witnessed by H. G. Wolcott and Jennie M. Wolcott. In a second codicil, dated February 13, 1900, he substitutes his son, Henry E. Maxwell, as executor, and directs that the legacies given his sons, Henry and Jacob, and his daughter, Margaret, be charged against them as advancements.

Maxwell Memorial Resolution.

FREMONT, Neb., March 2.—The committee appointed by Judge Grimison to prepare resolutions of respect to the memory of Judge Samuel Maxwell reported to the court.

The committee consisted of Attorneys Courtright, Loomis and Gray. All the attorneys of the local bar were present. The resolutions paid a glowing tribute to Judge Maxwell's exemplary life and his career as statesman, jurist and citizen.

Randall Fuller's Death.

FULLERTON, Neb., March 2.—Word has been received from Oklahoma announcing the death of Randall Fuller, a prominent and wealthy resident of this city. Randall Fuller was 78 years of age, and came to this county when it was first opened for settlement in 1879, and purchased a large tract of land where the city of Fullerton now stands.

Vaccination by Wholesale.

WYMORE, Neb., March 2.—Drs. Gafford, Given, Yoder and Johnson offered their services to vaccinate the school children without charge. The vaccine points were furnished them, and the board of education promptly accepted the offer. Nearly 400 children were inoculated.

Darrell Soon to Be on Trial

FREMONT, Neb., March 2.—The trial of William Darrell, the third of the men charged with the murder of Herman Zahn, the Snyder saloon keeper, is set for March 5, and a panel of twenty-four jurors ordered summoned. After Gardener was brought back to his cell he had nothing to say about the verdict of the jury. He seemed relieved to think that the suspense was over and did not want to speak of it. The verdict (imprisonment for life) is regarded by attorneys as a substantial victory for the defense.

THE LIVE STOCK MARKET.

Latest Quotations from South Omaha and Kansas City.

SOUTH OMAHA.—There was another liberal run of cattle and buyers started out to get their supplies at lower prices. Beef steers, in particular, were slow and it is safe to call the market on steers 25c lighter than yesterday. There were over 50 cars on sale and the Chicago market was none too good, all of which worked against the selling interests and gave buyers an opportunity to bear the market. The cow market started out in fairly good shape and sales were made at right around steady prices. As the morning advanced, however, the market seemed to weaken. At no time was trading as active as was the case yesterday and the market lacked the tone and snap of yesterday. The downward tendency of the steer market is naturally having a depressing effect upon the feeder trade, but as the supply at this point has been limited, prices have held up in good shape. Anything choice that has not been on extra terms with ready sale at very satisfactory prices, but there are so few of that kind of cattle coming that warmed-up cattle are selling better for feeders than the market.

Hogs.—There was another fairly liberal run, but the market opened a shade stronger. One thing, however, that makes the market look better today is the fact that there were a number of prime heavy hogs here today which were considerably better in quality than anything received yesterday. The bulk of the early sales went from \$3.27½ to \$3.32½, and as high as \$3.35 was paid. The heavy hogs sold mostly at \$3.30 and \$3.35, and light and medium weights at \$3.27½ and \$3.30.

Sheep.—There was not a very heavy run here, and receipts were composed largely of ewes and lambs, very few wethers being offered. The ewes were in fairly good demand and sold at steady to strong prices, as high as \$3.75 being paid. The lamb market, however, was very slow and packers did not seem to be at all anxious for more supplies this week. The feeling was not so bright and much changed hands until late in the day.

KANSAS CITY.

Cattle—Choice beef steers, 1050 lbs higher; stockers and feeders, steady; native beef steers, \$4.50; stockers and feeders, \$2.75; fat, \$2.50; Texans and Indians, \$3.50; calves, \$2.50; hogs, \$3.25; helters, \$3.25; camers, \$2.50; 275; bulls, \$2.60; calves, \$1.00; mixed, \$2.50; feeders, top, \$3.25; bulk of sales, \$2.25 to \$3.25; heavy, \$2.50; mixed packers, \$2.25; light, \$2.00; pigs, \$1.00; Market strong; western lambs, \$4.00; western wethers, \$4.50; western yearlings, \$4.25; ewes, \$3.75; culls, \$2.50.

The federalists are securing many new members for their party in Laguna province, east of Manila. The promoters of the conservative party have published a long address to Judge Taft, president of the Philippines commission, written in flowery and fulsome language, the gist of which seems to be expressed in the following paragraph: "We confess to being distinct from some of those men who are co-operating with the American government in peace in that particular which refers to the maintenance against restrictions and exactions of our program, which places the maintenance of peace subject to a compliance with the conditions which would lead to a point whence there is no outlet. We believe there is no better means of perpetuating it than an absolute and unconstitutional adhesion as younger brothers, and as conditions may admit, this country can be raised to the level of its aspirations, blessing the hand which strengthened it and kissing the hand, if it so deserves, that cut asunder the last cord of its dependency and thus converting it into its own equal."

AFTER THE GRIP COMES CATARRH.

LIKE A TERRIBLE CYCLONE grip bacillus has passed over our country, from the Atlantic to the Pacific, leaving behind it a dark cloud of anguish and despair. Catarrh follows grip as effect follows cause.

A multitude of catarrh victims will spring up in the trail of the awful epidemic of grip that has just passed over our fair country. The hope to these people is Peruna. Most people know this already. Everyone who has had the least touch of grip, should not fail to take a course of treatment with Peruna. Peruna eradicates every vestige of the disease and leaves the system in a normal condition.

Hon. Joseph B. Crowley, Congressman from Illinois, writes from the National Hotel, Washington, D. C., as follows: "After giving Peruna a fair trial I can cheerfully recommend your remedy to anyone suffering with coughs, colds, la grippe and all catarrhal complaints."—J. B. Crowley. Hon. George H. White, Congressman from North Carolina, writes: "I am more than satisfied with Peruna, and find it to be an excellent remedy for the grip and catarrh. I have used it in my family, and they all join me in recommending it as an excellent remedy."—George H. White. Hon. J. P. Megraw, Superintendent U. S. Capital Police Force, of Washington, D. C., says: "Having suffered from the grip, I was advised by a friend to use your Peruna. I also used it for my catarrh, and I can now cheerfully recommend your remedy to anyone who is suffering from the grip and catarrh."—J. P. Megraw. Miss Anna Russell, Past Worthy Counselor, Loyal Mystic Legion, 233 Endicot Bldg., St. Paul, Minn., writes: "For years I have unfortunately found my system in a peculiarly receptive condition for catarrh when I was exposed in any way to inclement weather. At those times I would be severely afflicted with la grippe and its unpleasant consequences. "Now for the past year and a half I have used Peruna in such cases and have found that it not only cures me quickly, but it also cleans my blood and renders me less liable to catch cold. It is the finest preventative of colds that I know of and a very superior tonic."—Anna Russell.
