Question Answered

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac. A. McMillen.

God always goes before us and makes way for us to meet our trials.

Like Oliver Twist, children ask for more when given One Minute Cough Cure. Mothers endorse it highly for croup. It quickly cures all coughs and colds and every throat and lung trouble. It is a specific for grippe and asthma and has long been a well known remedy for whooping cough. McConnell & Berry.

It is vain urging God to force sinners into a frozen church.

BARTLEY.

Mrs. Jesse Hodgkin accompanied her father J. H. Stephens to the farm near Box Elder, this week, where she will make her home.

V. G. Ethernod of Riverton, Nebraska, has purchased the Inter-Ocean plant, and will assume charge of the office and business on next Monday, March 11th.

Harry Hodgkin, youngest son of Charles W. Hodgkin, died at his father's home, Wednesday morning of last week, of typhoid fever. A young wife and infant son are left to mourn an untimely death. Remains were buried from the Methodist church, Thursday afternoon, Rev. E. B. Crippen conducting the services in the church—the Masons having charge of the burial services at the cemetery. The following brief obituary is from the pen of the officiating pastor:

"HARRY P. HODGKIN was born on July 15th, 1872, at Ida, Kansas. In 1884, with his parents, he moved to Red Willow county, Nebraska, where he has since resided. During the early winter of 1896 he united with the Methodist church and remained a member of same till death called him away, February 26, 1901, aged 28 years, 5 months, 11 days. He was united in marriage to Miss Jessie Stephens on December 29th, 1897, and to them was born one son. He leaves, besides his wife and infant son—his parents, Mr. and Mrs. C. W. Hodgkin, his brother—Frank A. Hodgkin, and his sister—Mrs. A. L. Burton, all of our town. Harry was well known and greatly beloved by all who knew him. His was a happy nature and he made friends wherever he went. A kind affectionate husband, a dutiful son, and a loving brother, his loss is greatly grieved, but his friends do not sorrow as those who have no hope."

Counterfeits of De Witt's Witch Hazel Salve are liable to cause blood poisoning. Leave them alone. The original has the name De Witt's upon the box and wrapper. It is a harmless and healing salve for skin diseases. Unequaled for piles. McConnell & Berry.

DANBURY.

People are preparing for spring work and business.

William Sandon had business in the county capital, Monday.

A number of telephones have been placed in Danbury homes and business places, recently.

W. W. Wolfe was called home from Eaton, Colorado, close of last week, by the illness of his father.

H. V. Lord will soon have one of the roomy and convenient stores of our town. He has an addition 16 x 26 ft. now under way.

Thomas Musgrave is just home from a visit to his old home in Leeds, England. He has also been visiting in Boston, where a brother resides.

Agent L. Cann had in charge a sciopticon entertainment in the Methodist church, Monday evening. It was a source of entertainment, instruction and pleasure.

Their promptness and their pleasant effects make De Witt's Little Early Risers most popular little pills wherever they are known. They are simply perfect for liver and bowel troubles. McConnell & Berry.

The lingering cough following grippe calls for One Minute Cough Cure. For all throat and lung troubles this is the only harmless remedy that gives immediate results. Prevents consumption. McConnell & Berry.

If every bridal moon saw the bridling of the tongue happier homes would be the result.

When you are bilious, use those famous little pills known as De Witt's Little Early Risers to cleanse the liver and bowels. They never gripe. McConnell & Berry.

BOX ELDER.

Rev. Satchell began a series of revival meetings at the church first of the week.

Miss Nellie Quick closed a successful term of school in the Joe Stephens district, Friday last, with appropriate and interesting exercises in the afternoon.

The Box Elder school board has concluded to retain Mr. Beach, the teacher here for another month in addition to the six months for which he was originally engaged.

Mr. W. X. Johnson, familiarly known to everyone as "Uncle Billy," lies very sick at his home in this precinct. His wide circle of friends, old and young, will regret to know that the prospect for his ultimate recovery are not the best.

Mr. N. C. Dueland and T. J. Parsons of South-West Frontier, together with Mr. Epperly and others of Red Willow county, started Tuesday morning by rail with their household goods, farm machinery and stock for Central Iowa, where they will make their future home.

Miss Nellie Stevens closed a very satisfactory term of school in the Spaulding district Wednesday of the present week. Miss Stephens, who lives over in Frontier county, a distance of nearly four miles from her school, has boarded at home and made the trip to and from her school every day of the six months that she has taught. This is the right kind of grit that will allow no obstacle to defeat them when educational interests are at stake.

Help... Nature

Babies and children need proper food, rarely ever medicine. If they do not thrive on their food something is wrong. They need a little help to get their digestive machinery working properly.

SCOTT'S EMULSION OF COD LIVER OIL
WITH HYPOPHOSPHITES OF LIME & SODA

will generally correct this difficulty. If you will put from one-fourth to half a teaspoonful in baby's bottle three or four times a day you will soon see a marked improvement. For larger children, from half to a teaspoonful, according to age, dissolved in their milk, if you so desire, will very soon show its great nourishing power. If the mother's milk does not nourish the baby, she needs the emulsion. It will show an effect at once both upon mother and child.

Does It Pay to Buy Cheap?
A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What do you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, secures easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Get Green's Prize Almanac. A. McMillen.

Remarkable Cures of Rheumatism.
From the Vindicator, Rutherfordton, N. C.: The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing instant benefit and entire relief in a very short time. Second, in rheumatism in thigh joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing with the liniment on retiring at night, and getting up free from pain. An Honest Medicine for Lagrippe.
George W. Waitt, of South Gardner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account but profit to the vendor. Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and grip have all gone. I congratulate the manufacturers of an honest medicine." For sale by McConnell & Berry.
