### Scours in Colts and Calves.

For a young calf or colt from a day to a month old give one teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy in half a gill of water as a drench after each operation of the bowels more than natural; usually one dose is sufficient. For older animals it may be given in the feed. Thousands of valuable animals are saved by this remedy. It is just what you should take yourself when troubled with diarrhoea. For sale by McConnell & Berry.

The bigger the place a man has in a woman's heart the less able he is to turn around in it.

An Honest Medicine for Grippe. George W. Waitt, of South Gardner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account but profit to the vendor. Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and grip have all left me. I congratulate the manufacturers of an honest medicine." For sale by McConnell & Berry.

A really good girl is the last one of them all to be shucked.

Prof. Ivison, of Lonaconing, Md., suffered severely from neuralgia of the stomach and indigestion for thirteen years and after the doctors failed to cure him they fed him on morphine. A friend advised the use of Kodol Dyspepsia Cure and after taking a few bottles of it he says, "It has cured me entirely. I can't say too much for Kodol Dyspepsia Cure." It digests what you eat. McConnell & Berry.

### Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac. A. McMillen.

There is something fundamentally wrong with a woman who has no use for a man that smokes.

### Does It Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible, if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, secures easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Get Green's Prize Almanac. A. McMillen.

The best way for a man not to have any big failings is for him to have a lot of little ones.

Like Oliver Twist, children ask for more when given One Minute Cough Cure. Mothers endorse it highly for croup. It quickly cures all coughs and colds and every throat and lung trouble. It is a specific for grippe and asthma and has long been a well known remedy for whooping cough. McConnell & Berry.

About all a man gets in this life are the things he doesn't want and the things he takes. Counterfeits of DeWitt's Witch Hazel Salve are liable to cause blood poisoning. Leave them alone. The original has the name DeWitt's upon the box and wrapper. It is a harmless and healing salve for skin diseases. Unequaled for piles. McConnell & Berry.

When a girl's heart collides with her ideal, there is a terrible explosion.

The stomach controls the situation. Those who are hearty and strong are those who can eat and digest plenty of food. Kodol Dyspepsia Cure digests what you eat and allows you to eat all the good food you want. If you suffer from indigestion, heartburn, belching or any other stomach trouble, this preparation can't help but do you good. The most sensitive stomach can take it. McConnell & Berry.

### DRIFTWOOD.

So many predict a good crop, this year. Hope they are true prophets.

Milton Hammond recently lost a cow by her getting into the Driftwood.

Grandma Dodge is about the same; otherwise the health of the neighborhood is good.

M. E. Hartman did not find what he wanted here, so he has gone to Jackson county, Kan.

Ed. Jacques has sown 118 acres to wheat. Thinks he will see how farming goes in Nebraska.

A Mr. Scott has moved onto the J. H. Moore place. He had to shovel himself out of the snow to get there—even if it is April.

Mr. Hickerson has moved onto the Frank Everist ranch; so you see we are getting new neighbors, if we can't keep the old ones.

Mr. Pumphleg is taking to McCook, the other day, for a load of shelled corn. He found the roads so bad that it required four horses to pull the load.

The west road to McCook is in very bad condition, and we have to go around by the east bridge to get to town. The road from the Whittaker place to the turn east needs attention.

If troubled with rheumatism, give Chamberlain's Pain-Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third the time required by any other treatment. Cuts, burns, frostbites, quinsy, pains in the side and chest, granular and other swellings are quickly cured by applying it. Every bottle warranted. Price, 25 and 50 cents. McConnell & Berry.

Their promptness and their pleasant effects make DeWitt's Little Early Risers most popular little pills wherever they are known. They are simply perfect for liver and bowel troubles. McConnell & Berry.

A new side-walk in west part of town is being talked of, this week, since the rainy weather has set in, and a petition is out to construct one from the bank-building west, thence south to the school-house. This would enable all school-children to go to school without wading through the mud.

Our little town election went wet, this spring, only by the skin of the teeth. Otto Fuzel and Chas. Rogers were re-elected. The present board has done a great deal for the town in the way of improvements, and at building new sidewalks and grading up the streets, and now the town has the best sidewalks of any in the county. Many more improvements have been talked of for the coming year, which we hope will be fulfilled.

The remains were shipped to her old home for burial, Tuesday evening. They were accompanied by her husband and W. H. Harrison.
