Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and step fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac. A. McMillen.

Mrs. Paris Greene of Kentucky has sued her husband's parents for damages for poisoning him against her.

Does it Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but always inflammation, secures easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Get Green's Prize Almanac. A. McMillen.

Since Fred Funston's exploit the short men of the land are stepping higher and spitting further than usual.

Like Oliver Twist, children ask for more when given One Minute Cough Cure. Mothers endorse it highly for croup. It quickly cures all coughs and colds and every throat and lung trouble. It is a specific for grippe and asthma and has long been a well known remedy for whooping cough. McConnell & Berry.

Remember, woman is most perfect when most womanly.

Counterfeits of DeWitt's Witch Hazel Salve are liable to cause blood poisoning. Leave them alone. The original has the name DeWitt's upon the box and wrapper. It is a harmless and healing salve for skin diseases. Unequaled for piles. McConnell & Berry.

You don't need an index to find all there is in some people's head.

The stomach controls the situation. Those who are hearty and strong are those who can eat and digest plenty of food. Kodol Dyspepsia Cure digests what you eat and allows you to eat all the good food you want. If you suffer from indigestion, heartburn, belching or any other stomach trouble, this preparation can't help but do you good. The most sensitive stomach can take it. McConnell & Berry.

Some time ago W. E. Harter of Mexico, Indiana, advertised for a farm in five miles of McCook; would buy or trade a farm, or business there. Mr. Harter and wife spent a few days last week in McCook, where we had a talk with them. The mud scared them out and early Saturday morning they struck the trail back. With our very exhaustive eloquence, properly punctured and pressingly presented, we proceeded to indelibly and compactly impress the indisputable probability that the mud would be dry earth by August 15th, but our hypnotizing qualifications were inadequate for the occasion.

Roosters often crow over eggs they did not lay. Same with people who sell an imitation Rocky Mountain Tea, made famous by the Madison Medicine Co.'s advertising. 35c. Ask your druggist.

Many people suffer untold tortures from piles, because of the popular impression that they can not be cured. Tabler's Buckeye Pile Ointment will cure them. It has met with absolute success. Price, 50 cents in bottles, tubes, 75 cents. A. McMillen.

Rock-a-Bye Baby

These are sweet words, but how much pain and suffering they used to mean. It's different now. Since Mother's Friend has become known, expectant mothers have been spared much of the anguish of childbirth. **Mother's Friend** is a liniment to be applied externally. It is rubbed thoroughly into the muscles of the abdomen. It gives elasticity and strength, and when the final great strain comes they respond quickly and easily without pain. Mother's Friend is never taken internally. Internal remedies at this time do more harm than good. If a

woman is supplied with this splendid liniment she need never fear rising or swelling breasts, morning sickness, or any of the discomforts which usually accompany pregnancy.

The proprietor of a large hotel in Tampa, Fla., writes: "My wife had an awful time with her first child. During her second pregnancy, Mother's Friend was used and the baby was born easily before the doctor arrived. It's certainly great."

Is there no pure-bred poultry dealer near McCook? If not, is there not a splendid opening in that line for the right person. There is not a thing on the farm, in our opinion, that pays better than poultry. Many farmers are short of them. If a sale is coming off, the first question that is asked is, Is there any poultry for sale.

Blood.

We live by our blood, and on it. We thrive or starve, as our blood is rich or poor.

There is nothing else to live on or by.

When strength is full and spirits high, we are being refreshed, bone muscle and brain, in body and mind, with continual flow of rich blood.

This is health.

When weak, in low spirits, no cheer, no spring, when rest is not rest and sleep is not sleep, we are starved; our blood is poor; there is little nutriment in it.

Back of the blood, is food, to keep the blood rich. When it fails, take Scott's Emulsion of Cod Liver Oil. It sets the whole body going again—man woman and child.

If you have not tried it, send for free sample, its agreeable taste will surprise you.
