Does it Pay to Buy Cheap?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible, if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, secures easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Get Green's Prize Almanac. A. McMillen.

Whooping Cough.

A woman who has had experience with the disease, tells how to prevent any dangerous consequences from it. She says: "Our three children took whooping cough last summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call justly for cough syrup between whoops. Jessie Pinkney Hall, Springville, Ala. This remedy is for sale by McConnell & Berry.

Look out for the young man of whom it is said, "All the girls are stuck on him."

You are much more liable to disease when your liver and bowels do not act properly. DeWitt's Little Early Risers remove the cause of disease. McConnell & Berry.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and had with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac. A. McMillen.

If a man is making a living, and not interfering with your affairs, let him alone.

An Extensive Stock Raiser Tells How to Cure Scours in Calves.

Wm. Abbott, of Tyndall, S. D., quite an extensive stock raiser, has for a number of years used Chamberlain's Colic, Cholera and Diarrhoea Remedy for scours in calves and says he has never known it to fail. He gives a teaspoonful in water as directed on the bottle for an adult man, after each operation of the bowels more than natural. Usually one dose is sufficient. For sale by McConnell & Berry.

It is called "cup of sorrow" but it is the experience of most people that it is measured in a tub.

Sciatic Rheumatism Cured After Fourteen Years of Suffering.

"I have been afflicted with sciatic rheumatism for fourteen years," says Josh Edgar, of Germantown, Ga. "I was able to be around but constantly suffered. I tried everything I could hear of and at last was told to try Chamberlain's Pain Balm, which I did and was immediately relieved and in a short time cured, and I am happy to say it has not since returned." Why not use this liniment and get well? It is for sale by McConnell & Berry.

It is unfair; when a man is old, and doesn't want birthdays, they come around twice as fast.

Skin affections will readily disappear by using DeWitt's Witch Hazel Salve. Look out for counterfeits. If you get DeWitt's you will get good results. It is the quick way and positive cure for piles. McConnell & Berry.

Do people avoid you because you are disagreeable? And did you ever try to overcome the habit?

Mr. W. J. Baxter of North Brook, N. C., says he suffered with piles for fifteen years. He tried many remedies with no results until he used DeWitt's Witch Hazel Salve and that quickly cured him. McConnell & Berry.

It is well known that people do not like to hear you brag about yourself; but they accept it in an advertisement.

For whooping cough, asthma, bronchitis, or consumption, no medicine equals Ballard's Horehound Syrup. Price 25 and 50 cents. A. McMillen.

After a young man has gone half a dozen places with a young woman he has told her everything he knows that is interesting.

"I have been suffering from dyspepsia for the past twenty years and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I cannot praise Kodol Dyspepsia Cure too highly." Thus writes Mrs. C. W. Roberts, North Creek, Ark.

From the time a man leads his bride from the altar, there is no more speculation or curiosity about him until his will is opened.

WOMAN

IS LIKE A DELICATE MUSICAL INSTRUMENT

In good condition she is sweet and lovable, and sings life's song on a joyful harmonious string. Out of order or unstrung, there is dissonance and unhappiness. Just as there is one key note to all music so there is one key note to health. A woman might as well try to fly without wings as to feel well and look well while the organs that make her a woman are weak or diseased. She must be healthy inside or she can't be healthy outside. There are thousands of women suffering silently all over the country. Mistaken modesty urges their silence. While there is nothing more admirable than a modest woman, health is of the first importance. Every other consideration should give way before it. Bradfield's Female Regulator is a medicine for women's ills. It is the safest and quickest way to cure leucorrhoea, falling of the womb, nervousness, headache, backache and general weakness. You will be astonished at the result, especially if you have been experimenting with other so-called remedies. We are not asking you to try an uncertainty, Bradfield's Regulator has made happy thousands of women. What it has done for others it can do for you. Sold in drug stores for \$1 a bottle.

A free illustrated book will be sent to all who write to

THE BRADFIELD REGULATOR CO. Atlanta, Ga.

A preparation such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good. McConnell & Berry.
