Does It Pay to Buy Cheap? A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, secures easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Get Green's Prize Almanac. A

Dogs and children know who their friends are without being told.

Whooping Cough.

A woman who has had experience with the disease, tells how to prevent any dangerous consequences from it. She says: children took whooping cough last summer, our baby boy being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plump ness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops.— Jessie Pinkey Hall, Springville, Ala. This remedy is for sale by McConnell & Berry.

Don't make yureself too common, yung man; the world always gapes at misterys.

You are much more liable to disease when your liver and bowels do not act properly. DeWitt's Little Early Risers remove the cause of disease. McConnell & Berry.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing Cook visitors, Monday. serious the matter with you. Get Green's Prize Almanac. A. McMillen.

You can't always judge of a family's import ance in a town by looking at the clothes-line An Extensive Stock Raiser Tells How

to Cure Scours in Calves. Wm. Abbott, of Tyndall, S. D., quite an extensive stock raiser, has for a number of years used Chamberlain's Colic, Cholera and Diarrhoea Remedy for scours in calves and says he has never known it to fail. He gives a teaspoonful in water as directed on the bottle for an adult man, after each operation of the bowels more than natural. Usually one dose is sufficient. For sale by McConnell & Berry.

Some men are so mean that you can flatter them by sticking up your nose at their wives. Sciatic Rheumatism Cured After

Fourteen Years of Suffering. "I have been afflicted with sciatic rheumatism for fourteen years," says Josh Edgar, of Germantown, Ga. "I was able to be around but constantly suffered. I tried everything I could hear of and at last was told to try Chamberlain's Pain Balm, which I did and was immediately relieved and in a short time cured, and I am happy to say it has not since returned." Why not use this liniment and get well? It is for sale by McConnell & Berry.

No man can keep ahead of himself and behind his wife at the same time.

Skin affections will readily disappear by using DeWitt's Witch Hazel Salve. Look out for counterfeits. If you get DeWitt's you will get good results. It is the quick way and positive cure for piles. McConnell & Berry.

In all probability God is more human than

Mr. W. J. Baxter of North Brook, N. C., says he suffered with piles for fifteen years. He tried many remedies with no results until Winnie Henton, B. M. Henton and he used DeWitt's Witch Hazel Salve and that quickly cured him. McConnell & Berry.

When marriage is not an opportunity it is an importunity.

For whooping cough, asthma, bronchitis, or consumption, no medicine equals Ballard's Horehound Syrup. Price 25 and 50 cents. A. McMillen.

Mrs. R. P. Ashcraft spent several days, last week, by the bed-side of her sister-in-law, Grandma Dodge. She had to go home for they had company from Bedford, Iowa, Miss Edith Hess.

Some hoppers out here—not as thick yet as last year. Hope what few prairie chickens, quails etc. that the hunters overlooked will do a good job of catching them before they get large enough to take the corn.

The friends of Grandma Dodge took their dinner baskets and went and helped her celebrate her sixtieth birthday; she enjoyed it ever so much if she was in bed, where she has been for months with a cancer, as she is fond of company. All call again.

Farmers are about done planting; some have begun to work their corn. Some millet sown on ground plowed, harrowed and sown, and harrowed over twice; now see if there is any raised. They tell us ti's no use to sow millet in this country, for it will do no good.
