"A few months ago food that I ate for break-
fast would not remain on my stomach for half
an hour. I used one bottle of your Kodol
Dyspepsia Cure and can now eat my break-
fast and other meals with a relish and my
food is thoroughly digested. Nothing equals
Kodol Dyspepsia Cure for stomach troubles."
N. S. Pitts, Arlington, Texas. Kodol Dyspep-
sia Cure digests what you eat. McConnell &
Berry.

Dyspeptics cannot be long lived because to
live requires nourishment. Food is not nour-
ishment until it is digested. A disordered
stomach cannot digest food, it must have as-
sistance. Kodol Dyspepsia Cure digests all
kinds of food without aid from the stomach,
allowing it to rest and regain its natural func-
tions. Its elements are exactly the same as
the natural digestive fluids and it simply
can't help but do you good. McConnell &
Berry.

Read it in His Newspaper.
George Schaub, a well known German citi-
zen of New Lebanon, Ohio, is a constant
reader of the Dayton Volkszeitung. He
knows that this paper aims to advertise only
the best in its columns, and when he saw
Chamberlain's Pain Balm advertised therein
for lumbago, he did not hesitate in buying a
bottle of it for his wife, who for eight weeks
had suffered with the most terrible pains in
her back and could get no relief. He says:
"After using the Pain Balm for a few days my
wife said to me, 'I feel as though born anew',
and before using the entire contents of the
bottle the unbearable pains had entirely van-
ished and she could again take up her house-
hold duties." It is very thankful and hopes
that all suffering likewise will hear of her
wonderful recovery. This valuable liniment
is for sale by McConnell & Berry, Druggists.

the young widows than they do of the
"sweet sixteen" girls; how is it boys?
A good rain on 14th and a shower on
the 17th made the countenances of the

My little son had an attack of whooping
cough and was threatened with pneumonia;
but for Chamberlain's Cough Remedy we
