One of the smoothest games of base ball ever played on the Culbertson diamond was witnessed here, Saturday afternoon, when the Culbertson and Trenton boys crossed bats. Errors were scarce and at the close of the game the score stood 6 to 5 in favor of the home team.

The Democratic and Populist county central committees met in Trenton on Wednesday and decided on a date for holding the county conventions. The Democrats—the tail of the fusion aggregation in this county—has been wagging the body, the Pops, in the last two or three campaigns and there is quite a decided kick manifest in the ranks of the Populists, this year, against any more of this class of performance. September 14th is the date fixed for both county conventions.

The Republican county convention met in Trenton on Wednesday, the 21st, and placed a full ticket in the field. S. E. Solomon of Culbertson was elected permanent chairman of the convention and the following ticket was named: For clerk, George Gallagher of Starkey precinct; for treasurer, John W. Fordyce of Riverside precinct; for sheriff, John H. Brown of Trenton; for superintendent of schools, Mrs. J. W. Murdock of Palisade; for surveyor, J. S. Ferrier of Culbertson; for coroner, Dr. A. H. The heavy rain that fell Tuesday night, raised the draw on C. C. Dyer's place south of town to a height of about fifteen feet and filling his well so that a new one is necessary to be put down in order to water his cattle.

At the Republican primary meeting, last Saturday afternoon, held at this place the following officers were nominated: For assessor, Clifford Naden; for justice of the peace, east end, William Hirsckorn; for justice of the peace, west end, Jas. What will we fatten our winter meat with? We cannot turn out in the woods to hunt acorns; it will be a streak of lean all through.

Jess Hawkins came over from Frontier county, last week, turned his horses loose and the last we heard he had not found them yet.

I. H. Wasson says stack your grain; it is the proper way; it saves the women folks and a real good woman is not to be found every day.

While herding, Monday, Mary Hammond, Louis Hileman and Fern Acheson saw a snake fight; they, with the help of the dog, killed them; the girls say they were rattlesnakes of enormous size.

They feasted on ice cream and cake, and had a very enjoyable time for a few hours. Miss Nina was born and grew to womanhood in this county. After wishing her long life and happiness the friends departed to their homes.

Last Monday was clear and fine, yet Miss Molly Corcoran was "thunder struck" to see the number of wagons, carriages and buggies come filing into the door yard, at dusk, until it suddenly occurred to her that she was eighteen years old that day. About thirty had called to express their good will and wish her a long and happy life. They brought cake and ice, made ice cream and had a fine time.

Last Saturday a week was the birthday of Maud and Roy Heinlein. The young folks to the number of twenty-five or thirty called and spent the evening very pleasantly; in fact had a fine time. Miss Maud and Master Roy were fourteen years old that day. Refreshments were served. After spending a few hours the visitors returned to their homes, well pleased with the evening's enjoyment. They wish Miss Maud and Roy happiness and long life.
