TWENTIETH YEAR

MCCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, AUGUST 30, 1901.

NUMBER 16

Fatal Accident.

The sad duty devolves upon us of recording the accidental death of a youth who recently came among us, though his folks were former residents of this vicinity.

Daniel Jerome Kinghorn was killed Thursday, August 23d, 1901, by falling under the cars of the construction train on the new North Western road just west of Buda, Ill. He had been employed as water boy since last Monday and returning from south of O. W. Mason's orchard to get more water he rode on his father's engine. He slipped in some manner from the steps and two empty dirt cars passed over his body causing internal injuries from which he died just after he was carried to the nearby home of his sister, Mrs. Jerome Brainard.

Daniel Kinghorn was born near Box Elder, Neb., September 13th, 1885, and was therefore nearly sixteen years of age. He has been here about two months coming with his mother to join Mr. Kinghorn, who came in May to run one of the N. W. engines.

He was a boy of good disposition and had many friends among his associates. He was a church member and a dutiful son. Besides his father and mother there are left to mourn his untimely death two brothers, J. R. Kinghorn of Greeley, Colo., Fred Kinghorn of McCook, Neb., and three sisters, Mrs. Etta Brainard and Mrs. Agnes Sweet of this place and Mrs. Lou Hanlein of McCook, Neb.

Two sisters, who died a number of years ago, are buried in the Sheffield cemetery and in this family lot the remains of the youth were laid to rest, after a funeral service at J. E. Brainard's conducted by Rev. Moore, pastor of the Congregational church.

Mr. Kinghorn and family desire to express their appreciation and gratitude for the kindness and sympathy of the neighbors and his fellow workmen toward them in this hour of affliction.—Buda (Ill.) Plain Dealer.

Round-House Wins.

The boys from two departments of the railroad service, last Friday afternoon, "kept the talent guessing." The "Clerks" and "Round-House" were the combatants. It was a nine-inning contest and the Round-House was the victor. Those engaged were:

The County Fair.

The management of the county fair has decided to hold the annual exhibition of the agricultural society, this fall, as usual, and bills are now out announcing the dates, September 17, 18, 19, 20. Liberal premiums are announced in all the classes, and the races will not be neglected. It is the purpose to make the best and most out of a not very attractive or encouraging situation, and to this end THE TRIBUNE hopes the society may be upheld by the attendance and interest of the people of the county and that the very best showing possible may be made in each and every department.

In a word: Stand up for Red Willow county!

Keep on Winning.

Reports from the base ball boys in the field are very encouraging. Since our last report the following games have been played:

FRIDAY—KENESAW

This game was decidedly one-sided, resulting in McCook's favor by a score of 13 to 2. Strike-outs—Jerrett, 14. Hits—Off Jerrett, 4; off Kanesaw, 12. Home-run—Radcliff.

SATURDAY—HAVELOCK

This is one of the best games played by the boys, this year, and is referred to by a Lincoln Journal reporter in the following language:

JONES' PHENOMENAL PITCHING.

The McCook baseball team came to Lincoln, yesterday, in charge of Manager H. H. Tartsch. The players went on to Havelock and defeated the team at place by a score of 7 to 4. The feature of the game was the phenomenal work of Pitcher Jones in the box for the McCook team. A successful tour, the past week, has put the McCook players in good spirits. They won four out of six games played, the last four being played and won at Kearney, Hastings, Kanesaw and Havelock. Monday, they played at Minden and on Tuesday and Wednesday at Kearney, winning one and losing one game at the latter place. The team will go home, this morning, but will start out again, playing at Superior, Monday and Tuesday, Wednesday at Alma, Kan., and Thursday, Friday and Saturday in a tournament at Norton, Kan.—Sunday's Lincoln Journal.

Batteries—McCook, Jones and Heck; Havelock, Morrison and Johnson.

Hits—McCook, 11; Havelock, 7. Strike-outs—By Jones, 8; by Morrison, 6.

SUPERIOR DEFEATS MCCOOK.

McCook.....0 0 2 0 0 0 0 1-3

Hits—Superior, 7; McCook, 7. Errors—Superior, 2; McCook, 6.

Batteries—Teel and Fulmer; Powers and Pickard.

Umpire—Johnson. The McCook team will play here again tomorrow.—Lincoln Journal.

TUESDAY—SUPERIOR

This was a shut-out for McCook. The score being 6 to 0. It was an errorless game, and the result is simply attributed to the fact that McCook could not hit Case, who is a coming pitcher. The fielding of Teel and Fulmer were also features of this game. Hits—McCook, 2; Superior, 8.

WEDNESDAY—EDGAR

This game was in the nature of a picnic for the boys—a day of recreation before the serious business of the tournament. Everybody sprinted till weary. Score—McCook, 21; Edgar, 16. Batteries—McCook, Cone and Heck; Edgar, Weiser and Ward.

SHUT OUT MINNEAPOLIS.

Thursday, at Norton, Kansas, was played the first game between McCook and Minneapolis in the three-days' tournament in which a purse of \$800 has been hung up, \$175 to go to winner and \$125 to loser. McCook won this game, "hands down."
