**A Good Thing.**  
 German Syrup is the special prescription of Dr. A. Boschee, a celebrated German physician, and is acknowledged to be one of the most fortunate discoveries in medicine. It quickly cures coughs, colds and all lung troubles of the severest nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test for years, giving satisfaction in every case, which its rapidly increasing sales every season confirms. Two million bottles sold annually. Boschee's German Syrup was introduced in the United States in 1888, and is now old in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cts. Get Green's Prize Almanac. A. McMillen.

Henry Braydon, Harris, N. C., says: "I took medicine 20 years for asthma, but one bottle of One Minute Cough Cure did me more good than anything else during that time. Best cough cure." McCConnell & Berry.

Josh Westhafer, of Logansport, Ind., is a poor man, but he says he would not be without Chamberlain's Pain Balm if it cost five dollars a bottle, for it saved him from being a cripple. No external application is equal to this liniment for stiff and swollen joints, contracted muscles, stiff neck, sprains and rheumatic and muscular pains. It has also cured numerous cases of partial paralysis. It is for sale by McCConnell & Berry, druggists.

Geo. W. Lane, Pewamo, Mich., writes: "Your Kodol Dyspepsia Cure is the best remedy for indigestion and stomach trouble that I ever used. For years I suffered from dyspepsia, at times compelling me to stay in bed and causing me untold agony. I am completely cured by Kodol Dyspepsia Cure. In recommending it to friends who suffer from indigestion I always offer to pay for it if it fails. Thus far I have never paid." McCConnell & Berry.

Mothers write us that they have solved the problem of keeping their children well. Give them Rocky Mountain Tea each week. A blessing to mother and child. Ask your druggist.

### A California Opportunity.

September 19th to 27th, both dates inclusive, any Burlington Route ticket agent will sell you a round trip ticket to San Francisco at less than regular one-way rates.

The occasion is the grand convention of the Episcopal church, and the rate is open to the general public as well as to the delegates to the convention.

No more delightful outing can be imagined. The trip is made at a time of year when traveling is a pleasure and climate of California at its best.

The return limit—November 15, 1901, is an unusually long one for tickets sold at so low a rate. Stop-overs are allowed at pleasure, both going and returning, at and west of the first Colorado, Wyoming or Montana point en route. All in all, the opportunity is one which no man or woman who contemplates a visit to California can afford to overlook.

Folder giving details mailed on request. Burlington ticket agent agents are in a position to give any further information that may be desired.—9-6-4ts, J. FRANCIS, Gen. Passenger Ag't., Omaha, Nebraska.

**Cure for Dysentery and Diarrhoea.**  
 "Some years ago I was one of a party that intended making a long bicycle trip," says P. L. Taylor, of New Albany, Bradford county, Pa. "I was taken suddenly with diarrhoea, and was about to give up the trip, when Editor Ward, of the Laceyville Messenger, suggested that I take a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I purchased a bottle and took two doses, one before starting and one on the route. I made the trip successfully and never felt any ill effect. Again last summer I was almost completely run down with an attack of dysentery. I bought a bottle of this same remedy and this time one dose cured me." Sold by McCConnell & Berry, Druggists.

### Japanese Fans for 1902.

The Burlington railroad has just placed an order for 150,000 Japanese fans to keep cool its patrons, next summer. While the heat of 1901 was still turned on, General Passenger Agent Francis sat up nights building sentences that would read well in 1902, and incidentally start the reader for some resort "best reached" et cetera. The advertising matter decided upon, metal-base electrotypes are made in Omaha, and shipped to Japan. There the ads prepared in Omaha are printed on Japanese fan paper, which is later pasted on strips of bamboo, shaped in the form of fans. By the time the fans arrive in this country, another summer has rolled around, and the demand for the familiar Burlington fan has again commenced. The price of the fans delivered in Omaha, Chicago, and St. Louis, is about a cent and a half apiece.

### Stood Death Off.

E. B. Munday, a lawyer of Henrietta, Tex., once fooled a grave-digger. He says: "My brother was very low with malarial fever and jaundice, persuaded him to try Electric Bitters and he was soon much better, but continued their use until he was wholly cured. I am sure Electric Bitters saved his life." This remedy expels malaria, kills disease germs and purifies the blood, aids digestion, regulates the liver, kidney and bowels, cures constipation, dyspepsia, nervous diseases, kidney troubles, female complaints, gives perfect health. Only 50c at McCConnell & Berry's drug store.

The full story of the internal war which went on within the New York Police Commission when Theodore Roosevelt was a member of that commission has never been told so fully as in the chapter of Mr. Jacob A. Riis's "The Making of an American," which is published in The Outlook for September 7. Mr. Riis knew the whole history of this matter, and he talks with very great frankness about the difficulties and enmities which Roosevelt encountered in his attempt to put New York police on a footing of decency and honesty. Several incidents which have never before been printed are told in a characteristically amusing way. (83 a year. The Outlook Company, 237 Fourth Avenue, New York.)

### A Few Short Links.

Should the Burlington road be extended across Wyoming to Salt Lake City, to connect with Senator Clark's new Los Angeles line, Mr. Hill would be obliged to extend his Great Northern from O'Neill to Theford, in this state, to secure a splendid short line from Minneapolis to Los Angeles. A still shorter route would be made by extending the Great Northern from Yankton southwest to a connection with the Burlington at any favorable place. This would give not only a short line from St. Paul to Salt Lake and southern California, but also from St. Paul to Denver. No doubt the possibilities of a few comparatively short links of new road are great enough to be a strong temptation to the Great Northern magnate. His friends owning other roads will not enjoy seeing him launch into these enterprises, but the reward will be so great that he can hardly refrain from going ahead with the work.—Lincoln Journal.

### A Night of Terror.

"Awful" anxiety was felt for the widow of the brave General Burnham of Mechas, Me., when the doctors said she would die from pneumonia before morning," writes Mrs. S. H. Lincoln, who attended her that fearful night, but she begged for Dr. King's New Discovery, which had more than once saved her life, and cured her of consumption. After taking, she slept all night. Further use guaranteed to cure all throat and lung diseases. Only 50c and \$1.00. Trial bottles free at McCConnell & Berry's drug store.
