Kodol

Dyspepsia Cure

Digests what you eat.

This preparation contains all of the digestants and digests all kinds of food. It gives instant relief and never fails to cure. It allows you to eat all the food you want. The most sensitive stomachs can take it. By its use many thousands of dyspeptics have been cured after everything else failed. It prevents formation of gas on the stomach, relieving all distress after eating. Dieting unnecessary. Pleasant to take.

It can't help but do you good

Prepared only by E. C. DeWitt & Co., Chicago. The \$1. bottle contains 2 1/2 times the 50c. size. McConnell & Berry, Druggists.

Special attention paid to hauling furniture. Leave orders at either lumber yard.

A Wife Says:

"We have four children. With the first three I suffered almost unbearable pains from 12 to 14 hours, and had to be placed under the influence of chloroform. I used three bottles of *Mother's Friend* before our last child came, which is a strong, fat and healthy boy, doing my housework up to within two hours of birth, and suffered but a few hard pains. This liniment is the grandest remedy ever made."

Mother's Friend

will do for every woman what it did for the Minnesota mother who writes the above letter. Not to use it during pregnancy is a mistake to be paid for in pain and suffering. *Mother's Friend* equips the patient with a strong body and clear intellect, which in turn are imparted to the child. It relaxes the muscles and allows them to expand. It relieves morning sickness and nervousness. It puts all the organs concerned in perfect condition for the final hour, so that the actual labor is short and practically painless. Danger of rising or hard breaths is altogether avoided, and recovery is merely a matter of a few days.

Druggists sell *Mother's Friend* for \$1 a bottle. The Bradford Regulator Co., Atlanta, Ga. Send for our free illustrated book.

Modern Surgery Turpassed.

"While suffering from a bad case of piles I consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve," says G. F. Carter, Atlanta, Ga. "I procured a box and was entirely cured. DeWitt's Witch Hazel Salve is a splendid cure for piles, giving relief instantly, and I heartily recommend it to all sufferers." Surgery is unnecessary to cure piles. DeWitt's Witch Hazel Salve will cure any case. Cuts, burns bruises and all other wounds are also quickly cured by it. Beware of counterfeits. McConnell & Berry.

BANKSVILLE.

C. F. Elliott has returned from his trip to Missouri.

J. H. Relf has been sowing small grain for his father, this week.

Preparing for winter is the occupation of the farmers in this vicinity.

B. W. Benjamin and Joshua Rowland took two cans of cream to McCook, Saturday. R. E. Benjamin was also a city visitor, that day.

Quite a force of men is camped at Trar, Kansas, at work filling and repairing the railroad at that place which was so extensively damaged by the great flood.

The J. Sterling Morton scheme for good roads went wash, if the writer's judgment is any good in regard to it. The farmers—or at least most of them—have already donated four rods of road, and he proposes to sell that donation and narrow the roads to two rods. I call that cheeky; but the biglawmakers can always make a good showing if it only hurts or costs the other fellow.

Spreads Like Wildfire.

When things are the best they become "the best selling." Abraham Hare, a leading druggist of Belleville, O., writes: "Electric Bitters are the best selling bitters I have handled in 20 years. You know why? Most diseases begin in disorders of the stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitude of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly, run-down man or woman. Price 50 cents. Sold by McConnell & Berry, druggists.

A Physician Testifies

"I have taken Kodol Dyspepsia Cure and have never used anything in my life that did me the good that did," says County Physician Geo. W. Scroggs of Hall county, Ga. "Being a physician I have prescribed it and have found it to give the best results." If the food you eat remains undigested in your stomach it decays there and poisons the system. You can prevent this by dieting but that means starvation. Kodol Dyspepsia Cure digests what you eat. You need suffer from neither dyspepsia nor starvation. The worst cases quickly cured. Never fails. McConnell & Berry.

A widow's pension of \$8.00 per month and \$2.00 per month for her minor child has been granted the widow of the late Jes Ingalls of Box Elder, with back-pay in the sum of about \$300.

Reliable and Gentle.

"A pill's a pill," says the saw. But there are pills and pills. You want a pill that is certain, thorough and gentle. Mustn't gripe. DeWitt's Little Early Risers fill the bill. Purely vegetable. Do not force but assist the bowels to act. Strengthen and invigorate. Small and easy to take. McConnell & Berry.

Thousands of men and women suffer from piles, especially women with female weakness have this suffering to contend with in addition to their other pains. Tabler's Buckeye Pile Ointment will quickly effect a cure. Price, 50 cents in bottles, tubes 75 cents. A. McMillen.

Winter Reading on the Farm.

Long evenings are here again and naturally one thinks of a good family agricultural weekly because its regular visits are welcomed by the whole family.

The Twentieth Century Farmer is out of the rut in which most agricultural papers travel. This is true particularly of the splendid illustrations from photographs taken by their own artists and special articles by the best known and most practical men in every branch of agriculture, such as N. J. Harris, secretary of the Iowa Seed Corn Breeders' Association; H. W. Campbell, the authority on soil culture; James Atkinson of the Iowa experiment station at Ames, Iowa; Frank G. Carpenter, famous for his letters to travel; R. Thomas, secretary American Herford Breeders' association; Dr. A. T. Peters, Nebraska experiment station; E. F. Stephens, president Nebraska Horticultural society; Woman's Department, conducted by Mrs. Nellie Hawks, Friend, Nebraska; J. J. Edgerton of the Iowa Experiment Station will answer all questions relating to live stock matters.

This is a weekly agricultural family paper, in which the farmer's wife is particularly interested on account of the pages devoted to her particular interests. In fact there is no paper published either in the east or west that meets so well the wants of the western farmers and stock raisers and their families.

If you do not get it send 10 cents for a ten week trial subscription to The Twentieth Century Farmer, 2651 Farnam street, Omaha, Neb., and you will have an opportunity to become acquainted with it. A dollar will bring it for a whole year.

Brain-Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at McConnell & Berry's. Get Green's Special Almanac.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of woman's preferences. Jewels form a magnet of mighty power to the average woman. Even the greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at McConnell & Berry.

This remedy not only cures croup, but when given as soon as the first symptoms appear, will prevent the attack.
