W. C. BULLARD & COMPANY.

"Last winter an infant child of mine had croup in a violent form," says Elder John W. Rogers, a Christian Evangelist, of Filley, Mo. "I gave her a few doses of Chamberlain's Cough Remedy and in a short time all danger was past and the child recovered." This remedy not only cures croup, but when given as soon as the first symptoms appear, will prevent the attack. It contains no opium or other harmful substance and may be given as confidently to a baby as to a baby as to an adult. For sale by McConnell & Berry, druggists.

If you have sore throat, soreness across the back or side, or your lungs feel sore or tender, or you are threatened with diphtheria or pneumonia apply Ballard's Snow Liniment and use Ballard's Horsehound Syrup. A. McMillen.

Coming, Ohio, Nov. 5th, 1900.

Pepsin Syrup Company, Monticello, Ill.

While visiting in Taylorville, Ill., I came across your Dr. Caldwell's Syrup Pepsin. Have used two and one-half bottles and it has done me more good than all the medicine taken for two years. Please let me know if you will send me three or four bottles and what it will cost to send it to Corning, Perry county, Ohio, and oblige, Mrs. Sarah A. McCracken. Sold by A. McMillen.

Not a Dissenting Vote.

A perfect laxative. That is the unanimous verdict of the people who use Dr. Caldwell's Syrup Pepsin. 50c and \$1.00 sizes. Sold by A. McMillen.

Brain-Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at McConnell & Berry's. Get Green's Special Almanac.

To the Public.

Allow me to say a few words in praise of Chamberlain's Cough Remedy. I had a very severe cough and cold and feared that I would get pneumonia, but after taking the second dose of this medicine I felt better, three bottles of it cured my cold and the pains in my chest disappeared entirely. I am most respectfully yours for health, RALPH S. MEYERS, 64 Thirtieth St., Wheeling, W. Va. For sale by McConnell & Berry, druggists.

I'd leave my happy home and cross the deep blue sea. Rather than be without Charley and my Rocky Mountain Tea. Ask your druggist.

A Physician Testifies

"I have taken Kodol Dyspepsia Cure and have never used anything in my life that did me the good that did," says County Physician Geo. W. Seroggs of Hall county, Ga. "Being a physician I have prescribed it and have found it to give the best results." If the food you eat remains undigested in your stomach it decays there and poisons the system. You can prevent this by dieting but that means starvation. Kodol Dyspepsia Cure digests what you eat. You need suffer from neither dyspepsia nor starvation. The worst cases quickly cured. Never fails. McConnell & Berry.

Spreads Like Wildfire.

When things are the best they become "the best selling." Abraham Hare, a leading druggist of Belleville, O., writes: "Electric Bitters are the best selling bitters I have handled in 20 years. You know why? Most diseases begin in disorders of the stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudes of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly, run-down man or woman. Price 50 cents. Sold by McConnell & Berry, druggists.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of woman's preferences. Jewels form a magnet of mighty power to the average woman. Even the greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all, but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. G. Green's reliable remedies at McConnell & Berry. Get Green's Special Almanac.

The North Platte Valley

In Northwest Nebraska, offers some wonderful good opportunities to the man or woman with a little money to invest in irrigated lands.

Excellent irrigated land can be had now for \$12 to \$15 an acre, but it is plain to those watching the development of the North Platte valley that this low price is just about to fade away.

The farmers of this valley are now reaping an abundant harvest. Alfalfa, corn, wheat and garden vegetables yield good profits. There are also good openings in the live stock business.

If you are interested in the North Platte Valley write for our booklet describing it. It is free.—11-8-4ts.

Repairing Neatly Done

Never thought of such a sign for a medicine did you? Well, it's a good sign for Scott's Emulsion. The body has to be repaired like other things and Scott's Emulsion is the medicine that does it.

These poor bodies wear out from worry, from over-work, from disease. They get thin and weak. Some of the new ones are not well made—and all of the old ones are racked from long usage.

Scott's Emulsion fixes all kinds. It does the work both inside and out. It makes soft bones hard, thin blood red, weak lungs strong, hollow places full. Only the best materials are used in the patching and the patches don't show through the new glow of health.

No one has to wait his turn. You can do it yourself—you

and the bottle.
