From a Hotel Landlord.

Dear Sirs:—I had no faith in testimonials or advertised medicines until I took Dr. Caldwell's Syrup Pepsin. My attention being called to it by a letter from some one who had been cured of what he called chronic constipation, and I began taking it for my case. If any one who reads this has constipation or stomach trouble, I earnestly recommend Dr. Caldwell's Syrup Pepsin. My own experience and complete cure prompt me to promise that you will find it will do all that is claimed for it.

Respectfully,
 L. O. GUERNER,
 Proprietor Hotel Paris, Dubuque, Iowa.

This weather is a welcome visitor after the severe weather just passed, which was something new for this time of year. The reports gave the register at 24 below.

The Christmas school entertainment at Pleasant Prairie school-house was well attended. The program was well rendered showing Miss Phillips' determination to have her scholars do well not only in the line of elocution but also in their studies.

A Million Voices

Could hardly express the thanks of Homer Hall, of West Point, Iowa. Listen why: A severe cold had settled on his lungs, causing a most obstinate cough. Several physicians said he had consumption, but could not help him. When all thought he was doomed he began to use Dr. King's New Discovery for Consumption and writes—"It completely cured me and saved my life. I now weigh 27 lbs." It is positively guaranteed for coughs, colds and lung troubles. Price 50 cents and \$1.00. Trial bottles free at McCormell & Berry's.

Barnum's Monkeys

"All well—all happy—lots of fun". That is the regular report from the monkey cage of Barnum's Circus ever since the keepers began dosing the monkeys with Scott's Emulsion. Consumption was carrying off two thirds of them every year and the circus had to buy new ones.

One day a keeper accidentally broke a bottle of Scott's Emulsion near the monkey cage and the monkeys eagerly lapped it up from the floor. This suggested the idea that it might do them good. Since then the monkeys have received regular doses and the keepers report very few deaths from consumption. Of course it's cheaper to buy Scott's Emulsion than new monkeys—and that suits the circus men.

Consumption in monkeys and in man is the same disease. If you have it or are threatened with it can you take the hint?

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle.

Health and Beauty.

A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's refuse is carried off it will surely cause impure blood. Pimples, boils and other eruptions follow. This is nature's method of throwing off the poisons which the bowels fail to remove. DeWitt's Little Early Risers are world-famous for remedying this condition. They stimulate the liver and promote regular and healthy action of the bowels but never cause griping, cramps or distress. Safe pills. McCormell & Berry.

Saved His Life.

"I wish to say that I feel I owe my life to Kodol Dyspepsia Cure," writes H. C. Christenson of Hayfield, Minnesota. "For three years I was troubled with dyspepsia so that I could hold nothing on my stomach. Many times I was unable to retain a morsel of food. Finally I was confined to my bed. Doctors said I could not live. I read one of your advertisements on Kodol Dyspepsia Cure and thought it fit my case and commenced its use. I began to improve from the first bottle. Now I am cured and recommend it to all." Digests your food. Cures all stomach troubles. McCormell & Berry.

Alcoholism Causes Death.

Coroner McGovern, who is making an investigation in the case of William R. Quinn, who for more than six hours sat dead in a chair in the saloon of Oscar Tigerstrand, 1034 Larimer street, in view of scores of people, who were under the impression he was asleep, thinks that death was due to chronic alcoholism.

Quinn was a member of the Brotherhood of Railroad Trainmen of McCook, Neb. He entered the saloon about 4 o'clock and ordered a drink for which he paid. A few minutes later he threw a 25-cent piece on the counter and ordered a second drink. After receiving change Quinn walked over to a chair in the rear of the saloon, near the lunch counter. There he sat until 11 o'clock at night, when the proprietor found him dead.

Quinn was employed on the Colorado & Southern last fall. Before that he was employed as conductor on the Southern Pacific. He leaves a wife and several children, who live at McCook, Neb. Officer Frye of the local force, who is secretary of the local Brotherhood of Railway Trainmen, has notified his wife.—Denver Times, Thursday evening.

There are few ailments so uncomfortable as piles, but they can easily be cured by using Tabler's Buckeye Pile Ointment. Relief follows its use, and any one suffering from piles can not afford to neglect to give it a trial. Price, 50 cents, in bottles, tubes 75 cents. A. McMillan.

Mrs. Sangster's Definition of Tact.
 Tact means touch. Sincere means transparent. One may be tactful, that is, quick to feel and respond to the feelings of others, therefore sympathetic, and at the same time above deceit. The habit of saying pleasant things is praiseworthy, and there is not the slightest necessity for their being untrue. As a rule, the people one meets are good and kind and there is much opportunity for being nice to them. Look for the best in friends, and cultivate the accomplishment of praising it. She who says disagreeable things needlessly, even if they are true, is a social guerrilla.—The Ladies' Home Journal for January.
