

Mrs. L. A. Harris, a Prominent Member of a Chicago Woman's Political Club, tells how Ovarian Troubles may be Cured without a Surgical Operation. She says:

"Doctors have a perfect craze for operations. The minute there is any trouble, nothing but an operation will do them; one hundred dollars and costs, and included in the costs are pain, and agony, and often death.

"I suffered for eight years with ovarian troubles; spent hundreds of dollars for relief, until two doctors agreed that an operation was my only chance of life. My sister had been using Lydia E. Pinkham's Vegetable Compound for her troubles, and been cured, and she strongly urged me to let the doctors go and try the Compound. I did so as a last resort; used it faithfully with the Sanative Wash for five months, and was rejoiced to find that my troubles were over and my health restored. If women would only try Lydia E. Pinkham's Vegetable Compound first, fewer surgical operations would occur."—Mrs. L. A. HARRIS, 278 East 31st St., Chicago, Ill.

\$5000 FORFEIT IF THE ABOVE LETTER IS NOT GENUINE.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating (or flatulence), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, blues, and hopelessness, they should remember there is one tried and true remedy. Lydia E. Pinkham's Vegetable Compound at once removes such troubles.

Thompson's Eye Water

GAPSIGUM VASELINE
(PUT UP IN COLLAPSIBLE TUBES)
A substitute for and superior to mustard or any other plaster, and will not blister the most delicate skin. The pain-appeasing and curative qualities of this article are wonderful. It will stop the toothache at once, and relieve headache and sciatica. We recommend it as the best and safest external counter-irritant known, also as an external remedy for pains in the chest and stomach and all rheumatic, neuralgic and gony complaints. A trial will prove what we claim for it, and it will be found to be invaluable in the household. Many people say "it is the best of all your preparations." Price 15 cents, at all druggists or other dealers, or by sending this amount to us in postage stamps we will send you a tube by mail. No article should be accepted by the public unless the same carries our label, as otherwise it is not genuine. **CHESEBROUGH MFG. CO.**, 17 State Street, New York City.

POWER BY CANAL
MATTER WILL BE PRESENTED TO THE LEGISLATURE.

THE GOVERNOR HAS A SCHEME

Report of the Torrens Land Transfer Commission—Other Matters in Nebraska of More or Less Importance.

LINCOLN, Neb., Feb. 5.—Governor Savage gave out a prepared interview, in which he announces his intention of presenting to the next legislature the matter of issuing state bonds for the construction of a water power canal and irrigation works. He recites the manifold advantages that would flow from the existence of a great manufacturing center in Nebraska, and the necessity of cheap power to the existence of such a center. The Platte river, according to the governor, has power to drive the wheels of thousands of factories, and this is daily going to waste. By the construction of a canal from some point near Fremont, the power can be delivered at a point near the Missouri river, probably Omaha—although the governor does not say so—and immediately institutions for the turning of Nebraska's raw materials into finished products will spring into existence. No particular sections of the state are designated as the prospective beneficiaries of the irrigation project, but the water that now flows into the Missouri through the Platte and other streams is to be utilized to the end that the waste places shall blossom and the ground that is now useless shall become productive, that acres now arid shall yield bountiful returns for the toil of the husbandman and the land shall team with plenty throughout the length and breadth thereof.

TORRENS LAND TRAFER.

Report of Commission Referred by Supreme Court.

LINCOLN, Neb., Feb. 5.—The report of the Torrens land transfer commission was referred by the supreme court to Governor Savage, and by him will be submitted to the next legislature. The commission consisted of Albert W. Crites of Chadron, Willis L. Hand of Kearney and B. F. Tipton of Seward.

Judge Crites declares: "The act authorizing said commission provided that the commissioners, in addition to drafting and reporting a bill for an act relating to land transfers, should also report their own views as to the expediency of legislative action in that direction. I have conferred with my colleagues in the form of a bill for the purpose, but I am decidedly of the opinion that so radical a change in our present system of land transfers is neither needed nor desirable."

- He gives these as his conclusions:
- "1. That transfers are not cheapened under the act.
 - "2. That they are not simplified.
 - "3. That they are, in fact, more costly and more complicated.
 - "4. That increased security is not, in fact, obtained.
 - "5. That in practice no one relies upon any security afforded thereby.
 - "6. That the general public have no confidence in its provisions, even after years of use.
 - "7. That there is no real need for any radical changes or amendments to our present laws relating to the transfer of real property."

Fit Subject for Asylum.

STANTON, Neb., Feb. 5.—The board of insanity of this county ordered the committal of Oliver Anderson to the insane asylum Anderson is an old settler. About three years ago he killed his elder brother. Friday night while confined in the county jail here he attempted to commit suicide by twisting the steel bale of a water bucket about his neck.

J. D. Hayes Appointed Oil Inspector.

LINCOLN, Neb., Feb. 5.—Governor Savage has appointed J. D. Hayes of this city to the position of state oil inspector to succeed Ed R. Sizer, who will soon resign to accept the Lincoln postmastership. The transfer of the office will probably take place about March 1. Mr. Hayes has lived twenty-three years in Nebraska, twenty of which were passed in Gage county.

The explosion of a lamp in Frank Hulbert's cellar at Plainview burned down a block of four store rooms.

Discusses Cornstalk Disease.

MASON CITY, Neb., Feb. 5.—Dr. A. T. Peters of the Nebraska State university experimental farm delivered a lecture here to an audience of 300 or more farmers on the cornstalk and other diseases pertaining to horses and cattle. The lecture was arranged through the instrumentality of Dr. P. A. Carlson, a local veterinarian, who has taken deep interest in the disease which is causing loss to Nebraska stock raisers.

THE LIVE STOCK MARKET.

Latest Quotations from South Omaha and Kansas City.

SOUTH OMAHA.

Cattle—There was not a heavy run of cattle, so that the market was fairly active and prices steady to strong on all desirable grades of killers. Buyers were out early, and it was not long before the bulk of the offerings had been disposed of. There were quite a few beef steers included in the receipts, but the better grades sold freely at steady to strong prices. The cow market took on considerable life, and anything at all good sold at steady to strong prices. Buyers all seemed to be anxious for the choicest grades, and as offerings were limited there was considerable competition. Stockers and feeders were in rather light receipt, so that steers of good weight and quality sold readily at firm prices. There was no improvement, however, in the demand for the common and lightweight steers, and prices were uneven, the same as they have been all along. Sellers are obliged to take whatever they can get, as it is hard to even get a bid on common stockers. The demand from the country is almost entirely for the good to choice heavyweight cattle, and for that reason speculators are very slow about buying the common grades.

Hogs—There was a liberal supply of hogs, but the market opened fully 5c higher and active. Packers all seemed to be anxious for the hogs, and as a result it was not long before the bulk of the offerings had changed hands. The good weight hogs sold largely from \$6.25 to \$6.35, and as high as \$6.45 was paid. The medium weights sold from \$6.10 to \$6.20, and the lighter loads went from \$6.10 down. Along toward the last end of the market the feeling was not so good, and on the extreme close the advance was practically all lost and the last few loads sold slowly. The hogs that were left until the last, however, were mostly lightweights and of common quality.

Sheep—The following quotations were given: Choice lightweight yearlings, \$5.25 to \$5.50; good to choice yearlings, \$5.00 to \$5.25; choice wethers, \$4.75 to \$5.00; fair to good wethers, \$4.50 to \$4.75; choice ewes, \$4.00 to \$4.40; fair to good ewes, \$3.80 to \$4.00; common ewes, \$2.75 to \$3.00; choice lambs, \$5.75 to \$6.10; fair to good lambs, \$5.50 to \$5.75; feeder ewes, \$3.50 to \$4.00; feeder lambs, \$4.00 to \$4.50; cull lambs, \$3.00 to \$3.75.

KANSAS CITY.

Cattle—Market generally steady; choice export and dressed beef steers, \$5.80 to \$6.50; fair to good, \$4.90 to \$5.75; stockers and feeders, \$3.50 to \$5.50; western fed steers, \$4.75 to \$5.75; Texas and Indian steers, \$4.00 to \$5.00; Texas cows, \$2.75 to \$4.25; native cows, \$3.00 to \$4.75; heifers, \$3.00 to \$4.00; calves, \$2.40 to \$4.00; bulls, \$2.75 to \$3.00; top, \$6.25; bulk of sales, \$5.00 to \$6.00; heavy, \$6.00 to \$6.50; mixed packers, \$5.75 to \$6.25; light, \$5.00 to \$5.25; pigs, \$1.50 to \$1.75.

DEFICIENCY BILL IN SENATE.

House Amendments to Measure Disagreed Upon.

WASHINGTON, Feb. 8.—When the senate convened yesterday it disagreed to the amendments of the house on the urgency deficiency bill, agreed to the conference asked and appointed Senators Hale, Allison and Teller as conferees on the part of the senate.

At the conclusion of routine business Mr. Patterson of Colorado made a personal explanation of what he had said concerning government affairs toward the treason and sedition laws enacted by the Philippine commission. Governor Taft, he said, had made a statement before the Philippine commission, in which he said that Mr. Patterson, inadvertently, no doubt, had conveyed a wrong impression to the senate and to the country as to his attitude toward those laws.

Mr. Patterson's statement, Governor Taft said, had put him in the attitude of criticizing his colleagues on the committee. The particular statute was enacted while he was ill, but by anything he may have said he did not intend to convey the impression that he was opposed to laws enacted. The responsibility for their enactment was as much his as of his colleagues.

Cuban Planters Implore Relief.

WASHINGTON, Feb. 8.—The Cuban planters' committee, headed by E. P. Machado, has addressed a letter to the committee on ways and means, imploring a 5 per cent reduction on Cuban sugars and expressing a willingness to accept any of the methods proposed to accomplish this object. The letter states that two large estates have already closed, and the situation is described as critical.

Anderson's Job is Safe.

WASHINGTON, Feb. 8.—The senate in executive session confirmed the nomination of Thomas H. Anderson to be associate justice of the supreme court of the District of Columbia.

Death of an Iowa Physician.

ST. JOSEPH, Mo., Feb. 8.—Dr. H. P. Martin, a prominent physician of Delta, Ia., died suddenly here today while on a visit to relatives.

Rivals Kill Each Other.

SHREVEPORT, La., Feb. 8.—Word comes from Bossier parish that at a plantation eighteen miles below Shreveport two negroes, named Duke Boynton and Jim Path, quarreled over the affection of a negress. They agreed to fight it out, retired to the district levee, counted off the distance, drew their pistols and had a duel, without seconds or surgeons. When the smoke cleared away both men were dead.

SISTERS OF CHARITY

Use Pe-ru-na for Coughs, Colds, Grip and Catarrh—A Congressman's Letter.

Dr. Hartman receives many letters from Catholic Sisters all over the United States. A recommend recently received from a Catholic institution in Detroit, Mich., reads as follows:

Detroit, Mich., Oct. 8, 1901.
Dr. S. B. Hartman, Columbus, Ohio:
Dear Sir—The young girl who used the Peruna was suffering from laryngitis, and loss of voice. The result of the treatment was most satisfactory. She found great relief, and after further use of the medicine we hope to be able to say she is entirely cured.
SISTERS OF CHARITY.
This young girl was under the care of the Sisters of Charity and used Pe-ru-na for catarrh of the throat with good results as the above letter testifies.

SISTERS OF CHARITY
All Over United States Use Pe-ru-na for Catarrh.

From a Catholic institution in Ohio comes the following recommend from the Sister Superior:

"Some years ago a friend of our institution recommended to us Dr. Hartman's Peruna as an excellent remedy for the influenza of which we then had several cases which threatened to be of a serious character.
"We began to use it and experienced such wonderful results that since then Peruna has become our favorite medicine for influenza, catarrh, cold, cough and bronchitis."
SISTER SUPERIOR.

Dr. Hartman, one of the best known physicians and surgeons in the United States, was the first to formulate Peruna. It was through his genius and perseverance that it was introduced to the medical profession of this country.

The following letter is from Congressman Meekison, of Napoleon, Ohio:

Gentlemen:—I have used several bottles of Peruna and feel greatly benefited thereby from my catarrh of the head, and feel encouraged to believe that its continued use will fully eradicate a disease of thirty years' standing."
DAVID MEEKISON.

If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.
Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

SALZERS New 20th Century OATS

CLEAR THE TRACK!
