

Mrs. Francis Podmore, President W. C. T. U., Saranac Lake, New York, Owes Her Health to Lydia E. Pinkham's Vegetable Compound. Read Her Letter.

"DEAR MRS. PINKHAM:—For several years after my last child was born I felt a peculiar weakness, such as I never had experienced before, with severe pains in the ovaries and frequent headaches.

"I tried the doctor's medicines and found it money worse than wasted. A friend who had been cured through the use of Lydia E. Pinkham's Vegetable Compound advised me to try it. I did so, also your Sanative Wash, and I must say I never experienced such relief before. Within six weeks I was like another woman. I felt young and strong and happy once more.

"This is several years ago, but Lydia E. Pinkham's Vegetable Compound is my only medicine. If I ever feel bad or tired a few doses brings instant relief."—MRS. FRANCIS PODMORE.

\$5000 FORFEIT IF THE ABOVE LETTER IS NOT GENUINE.

THE LIVE STOCK MARKET.

Latest Quotations from South Omaha and Kansas City.

Cattle—Receipts were far from being excessive, and as packers all seemed to have liberal orders the market was lively from start to finish and everything was disposed of in good season. There was very little change from yesterday, however, in the prices paid. A fair proportion of the offerings consisted of beef steers. There were none too many to meet the requirements of the local trade, so that sellers had no trouble in disposing of what they had at good, steady prices. The more desirable grades, of course, were in the best demand, but still even the common kinds moved quite freely at fully as good prices as were paid yesterday. Buyers were also anxious for cow stuff, and particularly for the better grades. They were all out early looking for the kinds that are good enough to sell from \$4.00 up, and it did not take sellers long to dispose of such kinds. Bulls, veal calves and stags also commanded just about steady prices. Good stuff sold freely, while common kinds were more or less neglected. There were comparatively few stock cattle in the yards. Good feeders in particular were very scarce, so that anything showing quality and flesh was picked up in a hurry at good, steady prices, no matter whether the cattle were heavy or light.

Hogs—Receipts of hogs were not heavy, but the market opened a little easier. In extreme cases sales were made that were a nickel lower, but the market soon firm up and the bulk of the hogs sold at right around steady prices. As the morning advanced trading became more active and toward the close sales were made that were stronger than yesterday. The bulk of the offerings was disposed of in good season, but, as is generally the case, a few light loads were left until the last, and on such kinds the market was slow. The bulk of the good weight hogs sold from \$5.00 to \$5.15, medium weights went from \$5.30 to \$5.45, and the light hogs sold from \$5.50 down.

Sheep—Quotations: Choice lightweight yearlings, \$5.50 to \$5.65; good to choice yearlings, \$5.25 to \$5.50; choice wethers, \$5.00 to \$5.25; fair to good wethers, \$4.80 to \$5.00; choice ewes, \$4.50 to \$4.75; fair to good ewes, \$4.25 to \$4.50; common ewes, \$3.00 to \$4.00; choice lambs, \$6.00 to \$6.50; fair to good lambs, \$5.50 to \$6.00; feeder wethers, \$4.00 to \$4.50; feeder lambs, \$4.50 to \$5.00.

KANSAS CITY.

Cattle—All killing grades were active and steady to 10c higher; choice export and dressed beef steers, \$6.20 to \$6.50; fair to good, \$5.00 to \$5.20; stockers and feeders, \$3.25 to \$4.75; western-fed steers, \$4.50 to \$5.00; Texas and Indian steers, \$4.50 to \$5.00; Texas cows, \$3.25 to \$4.50; native cows, \$3.25 to \$4.50; heifers, \$3.00 to \$4.50; calves, \$4.50 to \$5.00; bulls, \$3.25 to \$4.50.

Hogs—Market opened weak and closed firm; top, \$5.45; bulk of sales, \$5.00 to \$5.40; heavy, \$4.50 to \$5.00; mixed packers, \$3.50 to \$4.00; light, \$3.00 to \$3.50; pigs, \$4.25 to \$4.50.

Sheep and Lambs—Market was active at a decline of 50c; native lambs, \$6.00 to \$6.50; western lambs, \$6.00 to \$6.50; wethers, \$5.25 to \$5.50; yearlings, \$5.00 to \$5.50; ewes, \$4.50 to \$5.00; culls and feeders, \$3.50 to \$4.00.

INSURRECTION IS EXPIRING.

Acting Governor Wright Thinks End of War is Near.

MANILA, March 8.—Acting Governor Wright says the province of Morong and the entire province of Rizal was never more peaceful than they are now and that the recent occurrences were due to the influence of insurrectionists who had been driven from Laguna and Batangas provinces.

The utterances of Senor Ampil, the former president of the town of Calatara, Morong, who was recently captured by insurgents and subsequently escaped, are classed by Mr. Wright as being unreliable and as merely the remarks of a man half crazed with terror. The action of the band which captured Ampil is clearly due to a personal vendetta. The constabulary have already dispersed the band and captured many arms and have completely broken the power of Montalvo, the old Ladrone chief, who for years was the terror of the province. Mr. Wright feels satisfied, from conversations which he has had with General Bell and others, that the insurrection is expiring.

Can't Name the Man.

SCRANTON, Pa., March 8.—W. J. Bryan, who lectured here, when asked whom he considered a democratic presidential possibility, said: "No one can tell in advance what the issue will be or what will be their relative importance. It ought to be safe to predict that democratic principles will be applied to the issues and it ought to be that the platform should be written by those whose fidelity to those principles is not subject to suspicion."

Old Man Killed and Robbed.

BUTLER, Pa., March 8.—Three masked men broke into the house of an aged man named Smith, living at Sandburg, Pa., last night and brutally assaulted the old man and tortured Mrs. Smith in a fiendish manner. They then ransacked the house and secured \$200 and after destroying considerable property about the house escaped. The name of the murdered man is Henry Smith, a wealthy and retired farmer.

The London Times in '61. The Times, says Prof. Goodwin Smith in the March Atlantic, after a little wavering carried its vast power to the side of the south, whose cause it embraced with an intensity, not to say with a fury, surprising in comparison with the sure-footed discretion usually characteristic of its management. To the last it persisted with unabated confidence in assuring its readers of southern victory. When from Grant's lines before Petersburg, Richmond was almost in sight, and it was evident that the next move on the board would be checkmate, the Times continued to give ear to the asseverations of Mr. Spence that the triumph of the south was at hand. The Times really represented only the wealthier and more aristocratic class in England. In America it was taken as representing the whole nation.

Introducing Mr. Seton.

Here is a good story about the author of "Lives of the Hunted," clipped from an Iowa newspaper: "In one of his recent lectures the leading citizen of the town introduced Ernest Thompson Seton in these words: "It took a Roman to tell the Greeks that they had a Homer, it took a German to tell England that she had a Shakespeare, and now it takes an Englishman to tell us that we have wild animals."

For Her Sister's Sake.

Stendal, Ind., Mar. 10th.—Mrs. Sarah A. Shrode of this place says: "I suffered much as many other women do with Kidney and Bladder Troubles. I tried many medicines but got no relief until I used Dodd's Kidney Pills. "Nine boxes of this remedy cured me completely and I feel it my duty to my fellow women to make this statement. "I can heartily recommend them to any woman suffering with Kidney and Bladder Ailments." The words of Mrs. Shrode will be good news to many of her suffering sisters. Dodd's Kidney Pills have proven themselves to be sick women's best friend for they are as effectual in all cases of Female Weakness as in Bladder and Kidney Disease.

CONGRESSMAN HOWARD.

Of National Reputation Are the Men Who Recommend Pe-ru-na to Fellow Sufferers. A Remarkable Case Reported From the State of New York.

CONGRESSMAN HOWARD, OF ALABAMA.

House of Representatives, Washington, Feb. 4, 1899.

The Peruna Medicine Co., Columbus, Ohio.

Gentlemen: "I have taken Peruna now for two weeks, and find I am very much relieved. I feel that my cure will be permanent. I have also taken it for the grippe, and I take pleasure in recommending Peruna as an excellent remedy to all fellow sufferers."

M. W. HOWARD.

Congressman Howard's home address is Fort Payne, Ala.

MOST people think catarrh is a disease confined to the head and nose. Nothing is farther from the truth. It may be that the nose and throat is the most often affected by catarrh, but if this is so it is only because these parts are more exposed to the vicissitudes of the climate than the other parts of the body.

Every organ, every duct, every cavity of the human body is liable to catarrh. A multitude of ailments depend on catarrh. This is true winter and summer. Catarrh causes many cases of chronic disease, where the victim has not the slightest suspicion that catarrh has anything to do with it.

The following letter which gives the experience of Mr. A. C. Lockhart is a case in point:

Mr. A. C. Lockhart, corner Cottage St. and Thurston Road, Rochester, N. Y., in a letter written to Dr. Hartman, says the following of Peruna:

"About fifteen years ago I commenced to be ailing, and consulted a physician. He pro-

nounced my trouble a species of dyspepsia and advised me, after he had treated me about six months, to get a leave of absence from my business and go into the country. I did so and got temporary relief. I went back to work again, but was taken with very distressing pains in my stomach.

"I seldom had a passage of the bowels naturally. I consulted another physician with no better results. The disease kept growing on me until I had exhausted the ability of sixteen of Rochester's best physicians. The last physician advised me to give up my work and go south after he had treated me for one year.

"I was given a thorough examination with the X-ray. They would not even determine what my trouble was. Some of your testimonials in the Rochester papers secured to me worthy of consideration, and I made up my mind to try a bottle of Peruna. Before the bottle was half gone I had a change for the better. I am now on the fifth bottle with catarrhal dyspepsia, and have not an ache or pain anywhere. My bowels are now regular every day, and I have taken on eight pounds of flesh. I have been consulted by many and they recommend Peruna to a great many and they recommend it very highly. I have told several people that if they would take a bottle of Peruna, and could then candidly say that it had not benefited them, I would pay for the medicine."
