A Woman's Word of Praise.

Pepsin Syrup Co., Monticello, Ill.
Dear Sirs:—For almost fifteen years I suffered from indigestion, and last winter thought I would die, when my doctor, Dr. A. J. Licourance of this place, advised me to try Dr. Caldwell's Syrup Pepsin, which I did, and two bottles cured me. It not only relieved me, but it cured me so that I have not been troubled since. If any one should offer me \$50 for the good Syrup Pepsin has done me I would not think of taking it. No one can take your medicine without being convinced of its more than wonderful cures. I recommend it to all my friends as a laxative and stomach remedy.
Yours with gratitude, Mrs. J. MORGAN.

Home for Families of Bandits.

Not actuated by remorse, but by pure philanthropy, Jim Jenkins, hunter of outlaws, has concluded to devote all his money to the maintenance of a home for the orphans and widows of men he has run to earth, in particular, and of criminals of the great Southwest in general. Jim Jenkins, now of Kansas, is now 65 years old and has spent forty years as a scout and hunter of bandits and train robbers. In this way he has made about \$50,000. Among the distinguished outlaws he has chased were Jesse James and his brother, Bob Ford, Bill Dalton and Bill Cook, while he was the leader of the band that caught Cherokee Bill in 1895. In the Dalton raid in Coffeyville, Kas., Jenkins was shot eight times. He estimates his bag of bad men at about 150. The home, which is being built on a 5,000-acre farm owned by Jenkins, near Pryor Creek, I. T., is to cost \$20,000.—Buffalo Express.

Subsidies to Support Art.

The government of Bavaria has voted a considerable sum for the maintenance of art institutions throughout the kingdom during the coming year. The allowances for the purchase of paintings and their preservation is particularly liberal. The various art institutes in Munich receive handsome subsidies and the Germanic museum in Nuremberg gets an increased allowance. Various other institutions have been voted large amounts for repairs and maintenance. These art allowances in all reach 3,108,163 marks (\$739,741).—Emil Henzel, in Chicago Record.

Mistakes Made at the Mint.

John Erhard of Philadelphia has a coin dated 1891, which has a head on either side, showing that mistakes are made even at the mint. Every finished coin passes through the hands of a great many experts, and there is little chance of an imperfect piece escaping this scrutiny. There are said to be many of them in circulation, however. No particular value is attached to the notes outside of their rarity as curiosities.

KICK A DOG

Kick a dog and he bites you. He bites you and you kick him. The more you kick the more he bites and the more he bites the more you kick. Each makes the other worse.

A thin body makes thin blood. Thin blood makes a thin body. Each makes the other worse. If there is going to be a change the help must come from outside.

Scott's Emulsion is the right help. It breaks up such a combination. First it sets the stomach right. Then it enriches the blood. That strengthens the body and it begins to grow new flesh.

A strong body makes rich blood and rich blood makes a strong body. Each makes the other better. This is the way Scott's Emulsion puts the thin body on its feet. Now it can get along by itself. No need of medicine.

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle. Send for free sample. SCOTT & BOWNE, 409 Pearl St., New York, 50c. and \$1.00. druggists.
