A Printer Greatly Surprised.
"I never was more surprised in my life, as I was with the results of using Chamberlain's Pain Balm," says Henry T. Crook, pressman of the Asheville (N. C.) Gazette. "I contracted a severe case of rheumatism, early last winter, by getting my feet wet. I tried several things for it without benefit. One day while looking over the Gazette I noticed that Pain Balm was positively guaranteed to cure rheumatism, so bought a bottle and before using two-thirds of it my rheumatism had taken its flight and I have not had a rheumatic pain since." For sale by McConnell & Berry, Druggists.

Barnum's Monkeys

"All well—all happy—lots of fun". That is the regular report from the monkey cage of Barnum's Circus ever since the keepers began dosing the monkeys with Scott's Emulsion. Consumption was carrying off two thirds of them every year and the circus had to buy new ones.

One day a keeper accidentally broke a bottle of Scott's Emulsion near the monkey cage and the monkeys eagerly lapped it up from the floor. This suggested the idea that it might do them good. Since then the monkeys have received regular doses and the keepers report very few deaths from consumption. Of course it's cheaper to buy Scott's Emulsion than new monkeys—and that suits the circus men.

Consumption in monkeys and in man is the same disease. If you have it or are threatened with it can you take the hint?

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle.

Between the hours of eleven o'clock a. m. and closing time at night on January 25, 1901, A. F. Clark, druggist, Glade Springs, Virginia, sold twelve bottles of Chamberlain's Cough Remedy. He says, "I never handled a medicine that sold better or gave better satisfaction to my customers." This remedy has been in general use in Virginia for many years, and the people there are well acquainted with its excellent qualities. Many of them have testified to the remarkable cures it has effected. For the Complexion.
The complexion always suffers from biliousness or constipation. Unless the bowels are kept open the impurities from the body appear in the form of unsightly eruptions. DeWitt's Little Early Risers keep the liver and bowels in healthy condition and remove the cause of such troubles. C. E. Hooper, Albany, Ga., says: "I took DeWitt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years." Never grip or distress. Safe, thorough and gentle. The very best pills. McConnell & Berry.

Not only are gardens suffering from their depredations, but small grain fields as well. Fields in the vicinity of Herndon, Kansas, are reported ruined by them. We think there is a good chance for those fellows who got in such a hurry to list even doing their work for fun.
