Does it Pay to Buy Cheap?  
A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Bochee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Get Green's Prize Almanac.

**Pleasant Ridge Closing Exercises.**

Miss Millicent Slaby closed a very successful eight months' term of school at Pleasant Ridge, Friday, April 11. The weather was fine and the day was made one of pleasure for the children. The forenoon was spent practicing for the exhibition to be given in the evening.

Then came the dinner hour, bringing with it a feast of good things, such as only hungry, happy children know how to enjoy and appreciate. Dinner was followed by games or whatever pleasure the children chose to engage in. When all was in readiness the groups were photographed by their teacher, then all dispersed to their homes to meet again at 8 p. m. to carry out the following program which was listened to by an appreciative audience:

And last but not least came all unexpectedly the "school roll"—from behind the curtain.

The room was tastefully decorated with burnings, molasses, pictures and Japanese lanterns. The colorings being red and white gave a bright and cheerful aspect to the room and called forth many remarks of admiration from those present. We would be glad to speak a word of individual praise to each and everyone who took part in the exercises, but will only say here that the entire program was carried out in a manner that reflected great credit on both pupils and their teacher, who has labored with them not only to make this day one of pleasure to both school and visitors, but who has been uniting in her efforts to make the past school term a profitable one to all concerned. Miss Slaby was a graduate of the McCook High school in the class of '09. She then took a two-years' course at the state normal school and she certainly has shown us what such a course of instruction can do for one when coupled with energy and zeal and love for the work found in the school-room. The patrons of Pleasant Ridge school consider themselves very fortunate in having secured the services of such a teacher as Miss Slaby has proven herself to be.

Rocky Mountain Tea taken now will keep the whole family well. If it fails, bring it back and get your cash. 25 cents. McConnell & Berry.

The rainfall, Sunday and Monday was a strong quarter of an inch, and there was a fine shower on Wednesday morning, making in the neighborhood a half-inch this week. Coming as it did more good was done than is frequently the case when the precipitation amounts to inches.

On Wednesday of last week, over forty neighbors gathered at the home of Mr. and Mrs. M. H. Cole and participated in a "farewell" to the family of W. K. Forster, who will shortly depart for the state of Washington to locate. With them will go the best wishes of many warm friends and neighbors.
