**For Those Who Live on Farms.**

Dr. Bergin, Pana, Illinois, writes: "I have used Ballard's Snow Liniment always recommended to my friends, as I am confident there is no better made. It is a dandy for barns." Those who live on farms are especially liable to many accidental cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency. 25c, 50c and \$1.00 at A. McMillen.

**Cures When Doctors Fail.**

Mrs. Frank Chasson, Patterson, La., writes June 8th, 1901: "I had malaria fever in very bad form, was under treatment by doctors, but as soon as I stopped taking their medicine the fever would return. I used a sample bottle of Herbine, found it helped me. Then bought two bottles which completely cured me. I feel grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering from malaria, as it will surely cure them." 50c bottle at A. McMillen's.

**Dangerous if Neglected.**

Burns, cuts and other wounds often fail to heal properly if neglected and become troublesome sores. DeWitt's Witch Hazel Salve prevents such consequences. Even where delay has aggravated the injury DeWitt's Witch Hazel Salve affords a cure. "I had a running sore on my leg thirty years," says H. C. Hartly, Yanketown, Indiana. "After using many remedies, I tried DeWitt's Witch Hazel Salve. A few boxes healed the sore." Cures all skin diseases. Files yield to it at once. Beware of counterfeits. McCook & Berry.

**World Wide Reputation.**

White's Cream Vermifuge has achieved a world wide reputation as being the best of all worm destroyers, and for its tonic influence on weak and unthrifty children, improves their digestion and assimilation of food, strengthens their nervous system and restores them to the health, vigor and elasticity of spirits natural to childhood. 25c at A. McMillen's.

**Oil for the Children.**

Give them oil—cod-liver oil. It's curious to see the result. Give it to the peevish, fretful child, and he laughs. Give it to the pale, anemic child, and his face becomes rosy and full of health. Take a flat-chested child, or a child that has stopped growing, give him the oil, and he will grow big and strong like the rest.

Miss Susie Locker of Palisade was a city visitor, Sunday.

The reception, Monday night, given to the students and teachers of the summer normal was a success in every way and was enjoyed by all.

Mrs. P. M. Green returned from Superior, Friday night on 3. Her daughter, Mrs. S. H. Blum, accompanied her and will make a short visit here.

Deputy State Supt J. L. McBrien delivered a very interesting lecture, Thursday afternoon, at the institute which was greatly appreciated.

Hon. W. E. Andrews gave an interesting talk to the teachers at the opera-house, Wednesday night. The lecture course for the term is a most excellent one, a number of prominent public speakers are on the list.

At the Republican county convention held at Trenton, Saturday, the following delegates to the several conventions were elected:

State—C. C. Vennum, Stratton; James Ferrier, Culbertson; W. O. Robinson, Trenton; John Blum, Palisade; W. G. Morten, Stratton.

Congressional—George G. Eisenhart, Culbertson; S. E. Solomon, Culbertson; Dr. A. H. Thomas, Trenton; W. V. VanPatten, Stratton; H. M. Richie, Stratton.

Senatorial—Wallace Thompson, Trenton; John Fordyce, Beverly; C. B. James, Stratton; G. W. Murdock, Palisade; D. W. Benedict, Culbertson.

W. O. Robinson of Trenton is the Republican candidate for county attorney. He is the best fitted man for the position in the county.

L. Harrison of Cornell received the nomination for commissioner of the 2nd district at the Republican county convention, Saturday.

The fact was again demonstrated at the county convention, Saturday, that when S. E. Solomon goes after anything he is pretty apt to get it.

**Don't Start Wrong.**

Don't start the summer with a lingering cough or cold. We all know what a summer cold is, the hardest kind to cure. It "hangs out" through the entire season. Take it in hand right now. A few doses of One Minute Cough Cure will set you right. Sure cure for coughs, colds, croup, grip, bronchitis, all throat and lung troubles. Absolutely safe. Acts at once. Children like it. "One Minute Cough Cure is the best cough medicine I ever used," says J. H. Bowles, Groveton, N. H. "I never found anything else that acted so safely and quickly," McCook & Berry.

**What Thin Folks Need.**

Is a greater power of digesting and assimilating food. For them Dr. King's New Life Pills work wonders. They tone up and regulate the digestive organs, gently expel all poisons from the system, enrich the blood, improve the appetite, make healthy flesh. Only 25c at McCook & Berry's.

**Home for Families of Bandits.**

Not actuated by remorse, but by pure philanthropy, Jim Jenkins, hunter of outlaws, has concluded to devote all his money to the maintenance of a home for the orphans and widows of men he has run to earth, in particular, and of criminals of the great Southwest in general. Jim Jenkins, now of Kansas, is now 65 years old and has spent forty years as a scout and hunter of bandits and train robbers. In this way he has made about \$50,000. Among the distinguished outlaws he has chased were Jesse James and his brother, Bob Ford, Bill Dalton and Bill Cook, while he was the leader of the band that caught Cherokee Bill in 1895. In the Dalton raid in Coffeyville, Kas., Jenkins was shot eight times. He estimates his bag of bad men at about 150. The home, which is being built on a 5,000-acre farm owned by Jenkins, near Pryor Creek, I. T., is to cost \$20,000.—Buffalo Express.

**Mistakes Made at the Mint.**

John Erhard of Philadelphia has a coin dated 1891, which has a head on either side, showing that mistakes are made even at the mint. Every finished coin passes through the hands of a great many experts, and there is little chance of an imperfect piece escaping this scrutiny. There are said to be many of them in circulation, however. No particular value is attached to the coins outside of their rarity as curiosities.

**Depredations of Texas Coyotes.**

Citizens of McMullen and adjoining counties of Texas are in a state of terror because of the depredations of coyotes, which are killing scores of cattle. Worse than that, the slinking brutes are spreading hydrophobia among the stock. A man living in Tilden was bitten by an infected coit and died in a few days. Ways and means of getting rid of the pests are being considered.

**Dynamo Driven from Car Axle.**

The Great Western Railway of England is lighting its corridor trains by electricity obtained from dynamos driven from the car axle. Storage batteries are carried for use when the running speed is slow and for stops.

**Egyptological Enthusiasm.**

It may be noted as an agreeable evidence of the spread of Egyptological enthusiasm in America that nearly half the aggregate income of the fund for the last year came from the United States.—London Spectator.

Like a Drowning Man.

"Five years ago a disease the doctors called dyspepsia took such a hold on me that I could scarcely go," writes George S. Marsh, well-known attorney of Nocona, Texas. "I took quantities of pills and other medicines, but nothing helped me. As a drowning man grabs at a straw I grabbed at Kodol. I felt an improvement at once and after a few bottles an sound and well." Kodol is the only preparation which exactly reproduces the natural digestive juices of the system, and is the only one which dissolves any food and cures any form of stomach trouble.—McCook & Berry.
