### Chronic Catarrhal Ailments Cured.

**First Presbyterian Church of Greensboro, Ga., and Its Pastor and Elder.**

THE day was when men of prominence hesitated to give their testimonials to proprietary medicines for publication. This remains true to-day of most proprietary medicines. But Peruna has become so justly famous, its merits are known to so many people of high and low stations, that no one hesitates to see his name in print recommending Peruna.

The highest men in our nation have given Peruna a strong endorsement. Men representing all classes and stations are equally represented.

A dignified representative of the Presbyterian church in the person of Rev. E. G. Smith does not hesitate to state publicly that he has used Peruna in his family and found it cured when other remedies failed. In this statement the Rev. Smith is supported by an elder in his church.

Rev. E. G. Smith, pastor of the Presbyterian church of Greensboro, Ga., writes: "Having used Peruna in my family for some time it gives me pleasure to testify to its true worth.

"My little boy seven years of age had been suffering for some time with catarrh of the lower bowels. Other remedies had failed, but after taking two bottles of Peruna the trouble almost entirely disappeared. For this special malady I consider it well nigh a specific.

"As a tonic for weak and worn out people it has few or no equals."—**Rev. E. G. Smith.**

Mr. M. J. Rossman, a prominent merchant of Greensboro, Ga., and an elder in the Presbyterian church of that place, has used Peruna, and in a recent letter to The Peruna Medicine Co., of Columbus, Ohio, writes as follows: "For a long time I was troubled with catarrh of the kidneys and tried many remedies, all of which gave me no relief. Peruna was recommended to me by several friends, and after using a few bottles I am pleased to say that the long looked for relief was found and I am now enjoying better health than I have for years, and can heartily recommend Peruna to all similarly afflicted. It is certainly a grand medicine."—**M. J. Rossman.**

Catarrh is essentially the same wherever located. Peruna cures catarrh wherever located.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

## THE LIVE STOCK MARKET.

### Latest Quotations from South Omaha and Kansas City.

#### SOUTH OMAHA.

**CATTLE**—There were only about 100 cars of cattle on sale, the rest of the receipts not being offered. The demand on the part of both packers and feeders was of quite liberal proportions, so that anything desirable changed hands quite rapidly. There were none too many cows and heifers in sight to meet the demand, and as a result the more desirable grades sold freely at good steady prices. Choice stuff in some cases even sold a little stronger. The market on bulls, veal calves and stags held just about steady. There were quite a few stockers and feeders on sale, but the good stuff sold readily at steady prices. As the close of the week is close at hand the common kinds were rather neglected and occasionally they sold a shade lower. There were very few western range steers good enough for killers and the few that were offered sold at good, steady prices without any difficulty. Range cows were steady to strong, while the quality was good, and no more than steady where it was not. Good feeders were also fully steady.

**HOGS**—Receipts of hogs continued, but the market did not show much strength or activity. On the start a few of the best loads sold at about steady prices. The commoner grades, though, were neglected and sold all the way from weak to 5c lower than yesterday's general market. As the morning advanced the market did not improve and the close was slow and weak. The bulk of the good hogs sold from 7.45 to 7.50, and a few loads went from that up to 7.70. The packing grades went largely from 7.40 to 7.45.

**SHEEP**—Quotations for clipped stock: Good to choice yearlings, \$3.50@3.75; fair to good, \$3.25@3.50; good to choice wethers, \$3.25@3.50; fair to good wethers, \$3.00@3.25; choice ewes, \$3.00 3.15; fair to good ewes, \$2.50@2.90; good to choice lambs, \$4.75@5.00; fair to good lambs, \$4.50@4.75; feeder wethers, \$2.75 3.40; feeder yearlings, \$3.25@3.60; feeder lambs, \$3.75@4.25; cull lambs, \$3.00@3.50; feeder ewes, \$1.25 2.50; stock ewes, \$2.50@3.25.

**KANSAS CITY.**

**CATTLE**—Market steady to weaker: native steers, \$4.25@7.92; Texas and Indian steers, \$2.50@4.20; Texas cows, \$2.00@3.10; native cows and heifers, \$2.25@4.90; stockers and feeders, \$2.70 4.25; bulls, \$2.50@3.50; calves, \$2.50 5.25.

**HOGS**—Market strong to 5c higher: bulk of sales, \$7.45@7.60; heavy, \$7.55@7.67; packers, \$7.45 7.55; medium, \$7.50@7.55; light, \$7.25@7.60; porkers, \$7.55@7.60; pigs, \$5.20@7.20.

#### General Firmin Gets Hot.

**PORT AU PRINCE, Hayti, Sept. 13.**—General Firmin has issued a violently worded proclamation to his partisans concerning the death on board the Crete-Pierrot of Admiral Killick. He urges his followers to fight until the end against the provisional government of M. Boisrond Canal, which he accused of having influenced Germany to the point of the destruction of the Crete-Pierrot by the Panther.

### Instant Relief from Rheumatism and Neuralgia.

Here is a case: Mr. T. Shepherd of Whitburn, Sunderland, Ohio, says: "My wife suffered severely from rheumatism, and neuralgia. She could not get one moment's rest and was nearly crazed with pain. Obtained instant relief and a permanent cure by using the contents of one bottle of St. Jacobs Oil. There is no other remedy in the world that will do this. The instantaneous effect which St. Jacobs Oil produces is a part of its half a century record." St. Jacobs Oil is sold in 25 cts. and 50 cts. sizes by all druggists. The words "Acts like Magic," "Conquers Pain," which have been used in connection with St. Jacobs Oil for more than 50 years are wonderfully and truly descriptive.

ISSUED UNDER AUTHORITY OF THE RAILROADS OF NEBRASKA.

## STATEMENT OF PERSONAL PROPERTY RETURNED FOR TAXATION IN THE STATE OF NEBRASKA FOR THE YEAR 1900, SHOWING LOW VALUATION AND SMALL AMOUNT IN PROPORTION TO WHAT IS ACTUALLY OWNED.

The report of the Auditor of Public Accounts to the Governor of the State of Nebraska for 1900 shows that the following articles were returned for taxation in the State, and on those articles which are reported separately, the value per article. The statement comprises the following:

	Total Value Returned in State.	Value Per Article.
Steam Engines	199,750	\$80.00
Sewing Machines	200,314	2.82
Pianos	231,666	22.16
Melodeons and Organs	141,988	5.25
Safes	39,236	9.89
Billiard Tables	9,506	12.06
Watches and Clocks	129,833	1.76
Merchandise	4,367,504	.....
Property of Saloons and Eating Houses	1,793,402	.....
Carriages and Wagons	1,033,332	.....
Household and Office Furniture	782,614	.....
Gold and Silver Plated Ware	23,091	.....
Diamonds and Jewelry	23,678	.....
Agricultural Implements	981,736	.....
Manufacturers' Tools and Implements	268,367	.....
	\$10,268,015	

If the foregoing was a statement intended to be published in the comic papers, it possibly might be of value, but as this is a business statement reported officially by the Auditor of State, the figures appear ridiculous. The details of some of these valuations are comical, when we find that 5,691 people who live in Greeley County only had 75 watches or clocks worth 50 cents each, and that the 10,535 residents of Dixon County owned but 35 watches and clocks worth \$1.25 each, it makes a person think that to these residents of those counties "Time is no object."

The \$3.00 billiard tables in Franklin County, and the \$4.40 tables in Lincoln County, and the \$3.80 tables in Sherman County must be used for some business purpose; it certainly could not be a pleasure to play billiards on that class of tables. And the 109 seamstresses in Deuel County who used 98-cent sewing machines must have had the patience of Job. Pianos are supposed to be a luxury, but we wonder what the neighbors think of the \$4.90 ones which were used in Perkins County, and the \$5.00 pianos which are used in Keith, Loup and McPherson Counties. This is but an example of the valuations returned on all that class of personal property throughout the State. It does appear that in case such property should be taxed at all, some more equitable valuation should be placed upon it by the assessors.

Of all this list of articles there are but two which can be definitely checked up by the figures given the Census Department; these are the report of agricultural implements and manufacturers' tools and implements, returned for assessment.

We give a statement of the amount of these articles returned for taxation, and the amount returned to the census enumerator, showing the per cent of value returned for taxes:

	Returned to the Census Enumerator.	Returned to the Assessor.
Agricultural Implements	\$24,940,450	\$981,736, or 4 per cent.
Manufacturers' Tools and Machinery	23,201,553	268,367, or 12-10 per cent.

In regard to these valuations, another statement made by the Auditor which shows that \$42,976,596 worth of chattel mortgages were filed for record in 1899, which mortgages would naturally have to be written on personality, is remarkable, when it is considered that including all the live stock reported for taxation in the State, added in with the above articles, the sum total of the value returned for taxation was but \$39,004,280.

In regard to the item of merchandise returned for taxation in the State, from careful investigation, not over 6 per cent of the value is returned.

In Douglas County, with the cities of Omaha and South Omaha carrying stocks of goods reported to the
