# VOTE OF TUESDAY

RESULTS IN THE MORE IMPORTANT STATES.

## NOT MUCH CHANGE IS NOTED

Outcome at the Polls in New York, Ohio, Illinois, Kansas, Colorado, Minnesota, South Dakota and Other States East and West.

Republicans of Michigan elect governor and the entire state ticket.

Utah returns indicate a republican on a joint ballot in the legislature.

Connecticut elects the full republican ticket for state offices and all of the candidates for congress.

Garvin, democrat, for governor in Rhode Island, has about 7,000 plurality.

The Delaware legislature will stand ten republicans and seven democrats.

In Massachusetts the vote is: Bates, (rep.) 195,161; Gaston (dem.) 158,482. The legislature remains unchanged.

Republicans of Michigan have elected Gov. Bliss and the entire state ticket.

Idaho elects the entire republican ticket, state and congressional.

All the southern states went democratic by about the usual majorities.

In Pennsylvania Samuel W. Pennypacker (rep.) was elected governor by a plurality estimated at more than 150,000, while the legislature is overwhelmingly republican. The democrats elected two and possibly three of the thirty-two congressmen.

The indications in New Hampshire are that Nahem S. Bacheider, republican, was elected over Henry F. Hollis, democrat, by a plurality of at least 10,000. There was a heavy shrinkage from the vote of two years ago. The legislature is republican in both branches by large majorities, ensuring a republican successor to Senator Gallinger, who will probably succeed himself.

In Maryland the election was only for congressmen, the republicans electing four of the six members.

Virginia's election was confined to congressmen, and the returns indicate that the democrats have elected nine of the ten, with one district doubtful.

The democratic majority in North Carolina is estimated to be about 63,000, with a solid democratic delegation in congress and a democratic legislature.

Tennessee rolled up a democratic majority for governor and the entire state ticket, estimated at about 37,000.

In New Jersey there was no change in the present situation. The democrats may have gained, but the control of the state and legislature remains with the republican party.

In Rhode Island the democrats have elected L. F. Carvin for governor, but with this exception, the republican state ticket will go through. The legislature is republican.

Indications in Kansas are that the republican state ticket has been conceded with eight congressmen. The legislature will be safely republican, possibly with a reduced majority.

Returns from Nevada point to a fusion victory in the state.

NEW YORK.—Congressman Overstreet of Indiana, secretary of the republican congressional committee, said at noon that the republicans would have in the next house of representatives at least 206 members, probably 208, and possibly several more. Republican gains, he said, were reported today from Colorado and republicans in the Eighth Tennessee, Ninth Virginia and Seventh Alabama were claiming victory. With 206 members, the republicans will have a majority of 26; with 208, a majority of 30.

IOWA.

DES MOINES.—Fuller returns place the republican plurality of the state ticket a little above 70,000. The plurality of P. B. Birdsall, who will succeed Speaker Henderson from the Third district, is 5,255, and that of M. J. Wade, in the second district, the only democratic congressman elected, is 1,140.

The Iowa congressional delegates will be: First, Thomas Hedge (rep.); Second, M. J. Wade (dem.); Third, B. P. Birdsall (rep.); Fourth, G. N. Haugen (rep.); Fifth, R. G. Cousins (rep.); Sixth, John F. Lacey (rep.); Seventh, J. A. T. Hull (rep.); Eighth, W. P. Heppburn (rep.); Ninth, W. I. Smith (rep.); Tenth, J. P. Conner (rep.); Eleventh, Lot Thomas (rep.).

ILLINOIS.

CHICAGO.—Practically complete returns from Cook county give the republicans the entire county ticket, with the exception of sheriff and four county commissioners. Healy, the republican candidate for sheriff, was defeated by Barrett, democrat, by over 7,500 plurality. In the congressional district Lorimer and Boutell were elected, while Madden was defeated by Marion Emerich.

MINNESOTA.

ST. PAUL.—With the receipt of

more nearly complete returns, the majority of Governor Van Sant assumes tremendous proportions. It is at least 50,000 and may go as high as 75,000, a record breaking majority in Minnesota for a gubernatorial candidate. The governor has, apparently, run considerably ahead of the balance of the state ticket.

KANSAS.

TOPEKA.—Returns have been received from every part of the state and they indicate the election of W. J. Bailey and the entire republican ticket by about 35,000 plurality. The republicans have elected every member of congress and over ninety members of the legislature.

OHIO.

COLUMBUS.—Chairman Dick at republican headquarters had complete returns from eighty-six of the eighty-eight Ohio counties, showing a republican plurality for state candidates of 90,087. The two counties not heard from are Putnam and Noble. The former have a democratic plurality of 1,451 and the latter a republican plurality of 1,451 and the latter a republican plurality of 751 last year.

WISCONSIN.

MILWAUKEE.—Belated returns increase La Follette's plurality, the latest estimate being 50,000.

As near as can be figured out, the next legislature will be made up about as follows: Assembly, 75 republicans and 25 democrats; senate, 31 republicans and 20 democrats.

COLORADO.

From the best reports obtainable the legislature seems to stand on joint ballot: Democrats, 53; republicans, 47. Of the democratic representatives, fourteen are from Arapahoe county and their seats will be contested by the republicans on the ground of frauds in registration and at the election.

NORTH DAKOTA.

FARGO, N. D.—North Dakota has gone republican by about the usual majority, although Governor White (rep.), who was a candidate to succeed himself, ran behind the balance of the state ticket. The republican state committee, however, estimates that his majority will be from 7 to 8,000. North Dakota elects two congressmen at large this year, and both of these are republicans.

WASHINGTON.

SEATTLE, Wash.—The democrats concede the election of the three congressmen at large by an average majority of 9,000. The republicans will have a majority of thirty on joint ballot in the legislature.

SOUTH DAKOTA.

SIoux FALLS, S. D.—Reports from thirty-seven out of fifty-three counties in the state give the republican congressional ticket a plurality of 19,666. The remaining counties will increase this by 2,000. The republican have elected all but six or eight members of the state legislature.

MASSACHUSETTS.

BOSTON.—Lieut. Gov. John L. Bates of Boston was elected governor by the republicans in the state election today, defeating William A. Gaston, the democratic candidate, by 37,439 plurality, the vote being: Bates (rep.), 195,961; Gaston (dem.), 158,482. The state legislature remains unchanged, the senate standing, according to the late returns, 3 republicans and 9 democrats, and the house 155 republicans, 82 democrats and 3 socialists.

CASTELLANE LOSES HIS SEAT.

Anna Gould's Husband No Longer Member of French Chamber.

PARIS.—After an exciting debate the Chamber of Deputies on Friday, by 277 to 235 votes, invalidated the election of Count Boni de Castellane as a member of the house.

The question came up when the committee on contested elections presented its report without recommendation, leaving the chamber to pass on the question.

Emile Chauvin made a bitter attack on Count de Castellane, declaring he had been guilty of irregularities and saying that the count had accused his opponent of being of German descent and a Dreyfusard.

In order to warm the enthusiasm of his partisans the count, he said, had abandoned all reserve and through his agent gave unlimited credit in hotels, inns and drinking places until the district was gay with fetes and merriment during the campaign.

The count replied in vehement tones and indignantly repudiated the accusations of M. Chauvin, which he declared were an attack upon the integrity and honesty of his constituency.

Cholera Rife in Manila.

MANILA.—Cholera continues to be intermittent in different parts of the archipelago. The recorded total of cases is 105,000, and of deaths 67,000. The actual number of cases exceeds the recorded number by 20 per cent.

# AS TO NEBRASKA

MICKEY'S MAJORITY WILL BE ABOUT FIVE THOUSAND.

## MOST OF THE COUNTIES REPORT

Practically Complete Returns from the Congressional Districts Show Heavy Republican Gains—Thompson Congratulates Gov. Mickey.

OMAHA.—The World-Herald says: Complete returns from all but one county and sixty-five scattering precincts place Mickey's majority for governor at 5,533. The vote stands: Mickey, 94,521; Thompson, 88,988. The one county unreported is McPherson, which in 1900 cast fifty-four votes for Poynter and sixty-nine for Dietrich.

Estimating that the sixty-five precincts will cast approximately 7,000 votes, and dividing these on the basis of 3,600 for Mickey and 3,400 for Thompson, and figuring McPherson the same as two years ago, the total vote for governor will be just about 190,000, of which Mickey will have about 98,100 and Thompson 92,300, making the former's plurality 5,700.

Practically complete returns from the congressional districts show heavy republican gains in all districts but the Second. In the First, Burkett wins over Hanks by a majority of 5,228, as compared with a majority of 2,901 in 1900.

In the Third Robinson's majority of 175 over Hays in 1900 is converted into an adverse majority of 709 for McCarthy. In the Fourth, where Stark defeated Pope by a majority of 597 in 1900, that veteran campaigner is laid low by the silver-tongued Hinshaw, who has a majority of 2,644. In the Fifth, where Shallenberger defeated Morlan by 409 votes in 1900, the face of the returns gives Norris a majority over Shallenberger of 128. In the Sixth Moses Kinkaid defeats Patrick Barry by a majority of 2,694, after having been defeated by Neville in 1900 by a majority of 209. These figures show a net republican gain in majorities of almost 10,000 in the five districts, though both republican and fusion candidates poll a smaller vote than in 1900.

GRAND ISLAND.—Hon. W. H. Thompson sent the following telegram to Hon. J. H. Mickey.

"Accept congratulations, my best wishes. W. H. THOMPSON."

OSCEOLA.—Governor-elect John H. Mickey replied to Hon. W. H. Thompson's telegram as follows:

"Your congratulations received and I thank you for your warm expression of kindness, and sincerely hope our cordial relations may continue."

LINCOLN.—Governor-elect Mickey was in Lincoln Friday and put in some time visiting the state officers. He called on Governor Savage and talked some time with him concerning the duties of the office, intimating that he would be thankful for any pointers or suggestions made to him.

"I haven't said to say concerning the result," said Mr. Mickey. "Of course I feel gratified at it and am deeply thankful to the people for their expression of confidence. It is a little early to ask me to outline a policy, for the truth is that I have been so busy in the campaign that I have had no time to give any thought to a policy. As to the likelihood of sweeping changes in state institutions, I am not prepared to indicate what may occur, but I will say that I know of some places in which there will be no changes effected by me."

TO ABIDE BY THE RESULT.

Individual Operators Agree to Accept Finding of Commission.

WASHINGTON.—Colonel Carroll D. Wright and General John M. Wilson, members of the anthracite coal strike commission, had a brief interview with the president Friday.

They reported that the individual operators in the anthracite region had agreed to abide by the findings of the commission and had so notified Judge Gray, the chairman.

President Roosevelt was particularly pleased at this information, as it tended materially to simplify the problem which the commission has to solve.

The commissioners explained in some detail their work up to this time. The president expressed his gratification that the work had been satisfactory to those engaged in it.

Here Was a Rich Editor.

ST. PAUL, Minn.—A Clinton, Ia., dispatch to the Dispatch Monday says: Last night a burglar entered the residence of Editor C. A. Fay, took a pistol from under Fay's head, struck a match, lighted the gas, covered Fay and his wife with the gun and compelled them to give up money and diamonds valued at \$1,300. The robber was cool and joked with his victims. No clue.

# TO TAKE FEDERAL'S SIDE.

Senator Spooner to Ask Official Investigation of Porto Rico Election.

## MADISON, Wis.—Senator John C. Spooner has decided to call President Roosevelt's attention to the reports of political irregularities or outrages in Porto Rico and will probably ask that an official investigation be made.

Senator Spooner left for Washington Sunday night, having been called by the president for a conference on the coming message to congress.

Colonel George W. Bird of this city, father of Hobart S. Bird, editor of the San Juan News, persuaded the senator to take the matter up. He laid before him evidence tending to prove that certain prominent members of the federal party were being maliciously persecuted and prosecuted for their political activity.

It is alleged that during the campaign that ended last Tuesday a certain element of the party opposing the federalists resorted to every means of intimidation and in some instances even to physical violence to break up their political meetings and suppress their political activity. It is also alleged that threats were freely made against the lives of the federalists should they have the temerity to go to the polls and attempt to vote.

HAY TAKEN TO TASK.

Rabbi Fruskopf Criticises His Note to the European Powers.

PHILADELPHIA, Pa.—Rabbi Joseph Kruskopf, D. D., of the Reform Congregational Kenesseth Israel, a leading Hebrew of this city, and one of the best known Hebrew clergymen in the east, Sunday delivered a sermon entitled, "Secretary Hay and the Roumanian Jew," in which he criticised the note sent by the secretary to the European powers on the question of the Roumanian Jews. Dr. Kruskopf said three months have passed since the note was issued and the results that were anticipated have not yet come to pass. Continuing, he said in part:

"My want of faith in the success of the laudable and well-intentioned effort on the part of our honored secretary was based on the note itself. The larger part of the note, which I call the self-protective, I felt from the start invited failure for the United States and disappointment for the Roumanian Jews."

MAKE VERY GRAVE CHARGES.

Men High in Russian Councils Accused of Being in Plot.

SOFIA, Bulgaria.—A sensation was created Friday by the publication of alleged false similes of correspondence relating to the organization of plots against the late Premier Stambouloff and the government, resulting in the assassination of M. Stambouloff and two other members of his ministry July 15, 1895.

Friends of Michael Stavreff, alias Halju, who was found guilty October 24 of the premier's murder and was sentenced to be hanged, are responsible for their publication. They claim that Stavreff was only a tool.

According to the correspondence, M. Ludkonoff, the present minister of the interior, is alleged to be directly responsible for the organization of the plot and holders of important posts under the present government are implicated.

NO ACTION TO BE TAKEN.

Officially, Quesada Knows Nothing of Those Cuban Children.

WASHINGTON.—So far as present intentions go it is not the intention of Senator Quesada, the Cuban minister, to take any action in connection with the refusal of the New York immigration officials to permit the admission into the United States of the eleven Cuban children from Santiago, who were to be sent to a school at Point Loma, Cal.

As a matter of fact, the case has not come before Minister Quesada in any official form whatever, but he has interested himself in the welfare of the children to the extent of instructing the Cuban consul at New York to see that they were properly cared for pending the disposition of the question of their admission to this country.

Rumor Mercer Will Contest.

WASHINGTON.—There is a rumor on newspaper row that Mercer will contest the right of Gilbert M. Hitchcock to represent the Second Nebraska district. Congressman John Overstreet, secretary of the national republican congressional committee, who is in the city, stated that he heard such a rumor, but could not vouch for its authenticity.

LONDON.—The estate in Great Britain of John W. Mackay has been sworn to at \$7,685.

### A SURPRISED PHYSICIAN.

A dying patient recovers through the interposition of a humble German. Chicago, Nov. 15.

Some weeks ago Dr. G., a very reputable and widely-known physician, living on C— Street, was called to attend a very complicated case of Rheumatism. Upon arriving at the house he found a man about forty years of age, lying in a prostrated and serious condition, with his whole frame dangerously affected with the painful disease. He prescribed for the patient but the man continued to grow worse, and on Sunday evening he was found to be in a very alarming condition. The knees and elbows and larger joints were greatly inflamed, and could not be moved. It was only with extreme difficulty that the patient could be turned in bed, with the aid of three or four persons. The weight of the clothing was so painful that means had to be adopted to keep it from the patient's body.

The doctor saw that his assistance would be of no avail, and left the house, the members of the family following him to the door, weeping. Almost immediately the grief-stricken ones were addressed by a humble German. He had heard of the despair of the family, and now asked them to try his remedy, and accordingly brought forth a bottle of St. Jacobs Oil. The poor wife applied this remedy. The first application eased the patient very much; after a few hours they used it again, and wonder of wonders, the pain vanished entirely! Every subsequent application improved the patient, and in two days he was well and out. When the doctor called a few days after, he was indeed surprised.

Honesty of purpose is a good substitute for money in an undertaking. The old saying that "brag is a good 'Little Colds' neglected—thousands of lives sacrificed every year. Dr. Wood's Norway Pine Syrup cures little colds—cures big colds too, down to the very verge of consumption.
