**Stepped Against a Hot Stove.**  
A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Keller, Va. Pain Balm is an anti-septic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by McConnell & Berry.

**Worm Destroyer.**  
White's Cream Vermifuge, not only kills worms, but removes the mucus and slime, in which they build their nests. It brings, and quickly, a healthy condition of the bowels, where worms cannot exist. 25c at A. C. McMillen's.

**BARTLEY.**

Rev. Meeker of Chicago, who has been sent to us as pastor of the Methodist church, preached his first sermon, last Sunday.

Bartley was the scene of a little wreck, Wednesday morning. A freight ran in on the side track and a rail turning threw the engine and several cars from the track.

In a letter received from Kansas we are informed that Mamie Wiley was recently shot by another woman. Jealousy is supposed to be the cause. About a month ago Mamie was married to a man with whom the other girl was in love. Those who knew Mamie when she resided in Bartley will remember her as a bright, beautiful and intelligent girl, and although quite young at that time showed signs of maturing to a noble woman and many will regret to learn of her untimely end.

If you are bilious and seeking advisers, Take DeWitt's Little Early Risers. Just before going to bed. You will find on the morrow, You are rid of your sorrow—That's all; just enough said.

These famous pills do not gripe, but move the bowels gently and easily, cleansing the liver. Their tonic effect gives strength to the glands, preventing a return of the disorder. McConnell & Berry.

**A Good Thing.**  
German Syrup is the special prescription of Dr. A. Boschee, a celebrated German Physician, and is acknowledged to be one of the most fortunate discoveries in medicine. It quickly cures coughs, colds and lung troubles of the severest nature, removing the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test of years, giving satisfaction in every case which its rapidly increasing sale every season confirms. Two million bottles sold annually. Boschee's German Syrup was introduced in the United States 1868, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cents. Get Green's Special Almanac.

It is said that every bride has many friends, but in a few years they dwindled down to one; that's Rocky Mountain Tea. Makes and keeps her well. 35c. McConnell & Berry.

J. W. Dolan left, Tuesday evening, for California to visit his family and to be in attendance at Frank's wedding, which will occur next week.  
G. W. Wyrick has moved his family back from Washington, where they have been, the past year. They will occupy the Black house north of town until March, when they will move on to their own place, about four and a half miles north-east of town.

A serious accident occurred to Mrs. Gamsby, last Friday evening. While carrying a lighted lamp down stairs, in some manner she tripped and fell, the oil from the lamp igniting and burning her quite severely, but she is getting along nicely under the care of Dr. Mackenzie.

The funeral of Mrs. Jane R. Peck, who died, Sunday morning, of consumption, after a lingering illness, took place from the home, Wednesday morning, November 12, at 10 o'clock. The funeral services were conducted by Rev. Johnson of the Christian church. The deceased was a consistent Christian woman. She leaves three daughters who have the deepest sympathy of all in their great sorrow.

**Luck in Thirteen.**  
By sending 13 miles William Spry of Walton Furnace, Va., got a box of Bucklen's Aches and Pains Ointment, which cured his leg. Nothing else could. Positively cures bruises, felons, ulcers, eruptions, boils, burns, corns and piles. Only 25c. Guaranteed by McConnell & Berry, druggists.

Miss Lena Ashton came home, Sunday, for a short visit. She expects to return to Franklin, Wednesday.

**Cured of Piles after 40 Years.**  
Mr. C. Haney, of Geneva, Ohio, had the piles for forty years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, lacerations, eczema, cancer, and all other skin diseases. Look for the name DeWitt on the package—all others are cheap worthless counterfeits. McConnell & Berry.

**Consumption**

Salt pork is a famous old-fashioned remedy for consumption. "Eat plenty of pork," was the advice to the consumptive 50 and 100 years ago.

Salt pork is good if a man can stomach it. The idea behind it is that fat is the food the consumptive needs most.

Scott's Emulsion is the modern method of feeding fat to the consumptive. Pork is too rough for sensitive stomachs. Scott's Emulsion is the most refined of fats, especially prepared for easy digestion.

Feeding him fat in this way, which is often the only way, is half the battle, but Scott's Emulsion does more than that. There is something about the combination of cod liver oil and hypophosphites in Scott's Emulsion that puts new life into the weak parts and has a special action on the diseased lungs.

A sample will be sent free upon request.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.
