

**A PASTOR WHO WAS BEFRIENDED
BY AN EMPEROR
SAVED BY PE-RU-NA.**

Rev. H. Stubenvoll, of Elkhorn, Wis., is pastor of the Evangelical Lutheran St. John's Church of that place. Rev. Stubenvoll is the possessor of two bibles presented to him by Emperor William of Germany. Upon the fly leaf of one of the bibles the Emperor has written in his own handwriting:

This honored pastor, in a recent letter to The Peruna Medicine Co., of Columbus, Ohio, says concerning their famous catarrh remedy, Peruna:

The Peruna Medicine Co., Columbus, Ohio.

Gentlemen: "I had hemorrhages of the lungs for a long time, and all despaired of me. I took Peruna and was cured. It gave me strength and courage, and made healthy, pure blood. It increased my weight, gave me a healthy color, and I feel well. It is the best medicine in the world. If everyone kept Peruna in the house it would save many from death every year."

Thousands of people have catarrh who would be surprised to know it, because it has been called some other name than catarrh. The fact is catarrh is catarrh wherever located; and another fact which is of equally great importance, is that Peruna cures catarrh wherever located.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

THE LIVE STOCK MARKET.

Latest Quotations from South Omaha and Kansas City.

MARKETS

SOUTH OMAHA

CATTLE—There was a fairly liberal run of cattle and as is apt to be the case at the close of the week, the market was slow and very uneven prices were paid. The general tendency was to pound the market on all kinds. There were several cars of cornfed steers on the market, but nothing that was choice. The market could be quoted a shade lower on the average, but at the same time the market was so uneven that, while some sales looked about steady, others were undoubtedly a good deal lower. The cow market was also slow and weak. The better grades in particular were hard to dispose of at satisfactory prices. The market for the week is probably 10¢ to 25¢ higher, but the class of cattle that sell from \$3.00 up have improved the least, while the canners have advanced the most. The market for stockers and feeders was just about the same condition that it generally is on a Friday. That is, the demand was very limited and the cattle that did change hands brought a shade lower prices. There were almost no desirable western beef steers on sale and the kinds that were offered were slow and weak. Buyers did not seem to care whether they got many cattle or not. Range cows and also western stockers and feeders were slow and a shade lower.

SHEEP—Quotations for grassers: Good to choice yearlings, \$3.50 to \$4.75; fair to good, \$3.25 to \$3.50; good to choice wethers, \$2.50 to \$3.00; fair to good wethers, \$2.00 to \$2.50; choice ewes, \$3.00 to \$3.25; fair to good ewes, \$2.50 to \$2.75; good to choice lambs, \$1.50 to \$1.75; fair to good lambs, \$1.00 to \$1.50; feeder wethers, \$2.75 to \$3.15; feeder yearlings, \$2.50 to \$3.25; feeder lambs, \$3.00 to \$4.00; cull lambs, \$1.00 to \$2.00; feeder ewes, \$1.25 to \$2.50; cull ewes, 75¢ to \$1.15; stock ewes, \$2.50 to \$3.25. Good fed stock sells about 25¢ higher than choice grassers.

KANSAS CITY

CATTLE—Cows weak and lower; corn cattle weak; best stockers and feeders steady, others lower; choice export and dressed beef steers, \$5.00 to \$5.25; fair to good, \$4.00 to \$4.50; stockers and feeders, \$2.50 to \$3.00; western fed steers, \$2.65 to \$3.50; Texas and Indian steers, \$2.65 to \$3.35; Texas cows, \$2.00 to \$2.85; native cows, \$1.50 to \$4.80; native heifers, \$2.00 to \$4.10; canners, \$1.00 to \$2.50; bulls, \$1.00 to \$3.25; calves, \$1.00 to \$6.00.

It Never Feased Her.

When Professor Adolf von Menzel is at Kissingen in the summer for his annual "cure," says the London Telegraph, he is bound to have his nerves agitated by the vagaries of some of the other sex. The famous painter cannot tolerate women, yet many of them do not know it. On the other hand, he is very fond of music. He is always in the "Kur" garden when the band plays, and one day, while listening to the strains of his favorite march, a couple of ladies in his neighborhood upset his equality by extra loud talking. "I wish those geese would not cackle so loud," remarked Menzel to his friend, who was sitting at the opposite side of the table, whereupon one of the geese seized the opportunity for introducing herself, and, stepping up to him, said in a tone that showed she was not in the least offended: "Might I ask you to give me that in writing?"

Napkins.

Napkins became popular in France sooner than in England. At one time it was customary at great French dinners to change the napkins at every course, to perfume them with rose-water and to have them folded a different way for each guest.

He Started Penny Journalism.

The originator of halfpenny journalism in Paris, M. Marinoni, who has just retired owing to old age, has had a most picturesque career. In his young days he was a printer with no money, but eas. It was with the intention of proving what a novel printing press of his could do rather than of becoming a newspaper proprietor that he started the Petit Journal, the first son paper ever published in Paris. The Petit Journal, however, prospered beyond all expectations and its circulation soon exceeded 1,000,000 copies a day.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials.
