Professor James Sully, who has THE WINTER PLEASURE AND written a 430-page book entitled, "An Essay on Laughter," says that the peculiar muscular actions which are grouped under the name of laughter are provoked by the incongruous, the anaccustomed and the unexpected juxtaposition of things. Professor Sully cites the story of a man arrested by soldiers who is allowed to join hem at cards. He cheats and is kicked out, his playmates quite forgetting that he is their prosiner. With this may be coupled the story of two burglars in the dock. One of them kept on peking the other in the ribs as the evidence against them preceedabout? I've as much right to be here as you."

Many people in this neighborhood tell of aches relieved and pains departed because of the use of Dodd's Kidney Pills. One of these is W. A. Terry, the well known Grocer. Here is his story:

"I suffered for four months with Kidney and Bladder Trouble and was so bad that I was almost confined to my bed. I could get no relief until I commenced using Dodd's Kidney Pills.

"I could notice an improvement the second day I took the pills. I would recommend Dodd's Kidney Pills to all sufferers from Kidney Complaints."
