King Solomon had a thousand wives
And when he staid out late
To face a thousand mothers-in-law
Was his unhappy fate.

But after frequent trouble,
He got the idea right—

And everything was bright.

NOTICE OF SETTLEMENT.

In county court, Red Willow county, Nebraska, in estate of Michael Smith, deceased. To the creditors, heirs, legatees and others interested in the estate of Michael Smith. Take notice, that Ann Smith has filed in the county court a report of her doings as Administratrix of Michael Smith, and it is ordered that the same stand for hearing the 14th day of March, A. D. 1903, before the court at the hour of nine o'clock a. m., at which time any person interested may appear and except to and contest the same. And notice of this proceeding is ordered given to all persons interested in said matter by publishing a copy of this order in THE McCook TRIBUNE for three successive weeks prior to said day of hearing.

Witness my hand and the seal of the county court at McCook this 11th day of February, A. D. 1903.—2-13-03.
S. L. GREEN, County Judge.

NOTICE OF FORECLOSURE OF TAX LIEN.

Guy Lilly, non-resident defendant, will take notice that on the 24th day of February, 1903, Edward B. Cowles, plaintiff herein, filed his petition in the district court of Red Willow county, Nebraska, against said defendant, the object and prayer of which are to foreclose a tax purchaser's lien upon lot 4 in block 30 in McCook, for the taxes for the years 1899, 1900 and 1901. There is due to plaintiff the sum of \$22.31. Plaintiff prays for a decree of foreclosure of said tax lien and a sale of said premises. You are required to answer said petition on or before the 12th day of April, 1903.—2-27-03.
EDWARD B. COWLES, Plaintiff.

ORDER TO SHOW CAUSE.

In the District court of Red Willow county, state of Nebraska. In the matter of the estate of Moritz Mohler, insane.

This cause came on for hearing upon the petition of J. E. Kelley, guardian of the estate of Moritz Mohler, insane, praying for license to sell the west half of the northeast quarter and the east half of the northwest quarter of section number twenty-eight, in township number four, north, range number twenty-nine, west of the 6th P. M., or a sufficient amount of the same to bring the sum of \$250.00 for the payment of debts allowed against said estate and expenses of administration, there not being sufficient personal property to pay such debts and expenses. It is therefore ordered that all persons interested in said estate appear before me at chambers at my office in McCook, in said county, on the first day of May, 1903, at one o'clock p. m., to show cause why a license should not be granted to said guardian to sell so much of the above-described real estate of the said Moritz Mohler, insane, as shall be necessary to pay said debts and expenses.

And it is further ordered that a copy of this order be published once each week for four successive weeks in THE McCook TRIBUNE, a newspaper printed and published in said county of Red Willow.
Dated this fifth day of March, 1903.—3-6-03.
R. C. ORR,
Judge of the District Court.
C. E. ELDRID, Attorney.

BARTLEY.

Mrs. T. W. Short is recovering quite rapidly at this writing.

Jones & Lyman were taking an invoice of their goods, Tuesday of this week.

Mrs. Lloyd McMahon is quite sick. LATER—Mrs. McMahon died on Thursday afternoon.

James Sipes has bought the William Hamilton property and took possession, first of the week.

Frank Teeters and Henry McKeen had an accident on the corner just north of Truman Wood's. Frank Teeters had a breakdown with a load of corn, and later Henry McKeen's team became frightened at the broken wagon and ran into a fence, breaking the buggy.

After an illness of several months Simeon Grisell passed quietly away, Sunday morning, March 8. The funeral was held in the M. E. church, Monday at 3 o'clock, after which interment was made. He leaves an aged wife and four sons, three of whom were present at the time of his death.

Bartley, like the other towns along this line, has lost a part of its river bridge caused by floating ice. Commissioners were here and examined the remainder and will prepare to build a new one as soon as convenient. For the present they have had a foot bridge erected for the convenience of the south side, a good many of whom were caught in town and couldn't get back home.

READ IT THROUGH.

"'Twould Spoil This Story to Tell it in the Headlines."

To use an eighteenth century phrase, this is an "or true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon, of Melfa Station, Va., had no personal knowledge of the rare curative properties in Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia, but one of our neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by L. W. McConnell.

Tragedy Averted.

"Just in the nick of time our little boy was saved," writes Mrs. W. Watkins of Pleasant City, Ohio. "Pneumonia had played havoc with him and a terrible cough set in besides. Doctors treated, but he grew worse every day. At length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound and well." Everybody ought to know it's the only sure cure for coughs, colds and all lung diseases. Guaranteed by L. W. McConnell, druggist. Price 50c and \$1.00. Trial bottles free.

Wakeful Children.

For a long time the two year old child of Mr. P. L. McPherson, 59 N. Tenth St. Harrisburg, Pa., would sleep but two or three hours in the early night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by L. W. McConnell.

More Riots.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the liver or kidneys as Electric Bitters. It's a wonderful tonic, an effective nerve and the greatest all around medicine for run down systems. It dispels nervousness, rheumatism and neuralgia and expels malaria germs. Only 50c, and satisfaction guaranteed by L. W. McConnell, druggist.

The Stomach is the Man.

A weak stomach weakens the man, because it cannot transform the food he eats into nourishment. Health and strength cannot be restored to a sick man or weak woman without first restoring health and strength to the stomach. A weak stomach cannot digest enough food to feed the tissues and revive the tired and run down limbs and organs of the body. Kodol Dyspepsia Cure cleanses, purifies, sweetens and strengthens the glands and membranes of the stomach, and cures indigestion, dyspepsia and all stomach trouble.

THE TRIBUNE is only \$1.00 a year.

Treasurer of the Brooklyn East End Art Club.

"If women would pay more attention to their health we would have more happy wives, mothers and daughters, and if they would observe results they would find that the doctors' prescriptions do not perform the many cures they are given credit for."

"In consulting with my druggist he advised McEree's Wine of Cardui and Theford's Black-Draught, and so I took it and have every reason to thank him for a new life opened up to me with restored health, and it only took three months to cure me."

Wine of Cardui is a regulator of the menstrual functions and is a most astonishing tonic for women. It cures scanty, suppressed, too frequent, irregular and painful menstruation, falling of the womb, whites and flooding. It is helpful when approaching womanhood, during pregnancy, after childbirth and in change of life. It frequently brings a dear baby to homes that have been barren for years. All druggists have \$1.00 bottles of Wine of Cardui.

About two months ago many of the farmers around here lost very heavily by hog cholera. I do not wish to write you a long, flattering statement about your medicine, but will say that I bought a quart can of Liquid Koal and the improvement was so marked that I bought a gallon can and used it with the result that my hogs all recovered and I did not lose one. My herd of over 200 are in fine condition and you may put me down as a constant user of Liquid Koal.
