Let him have a severe attack of that disease, feel that he is about to die, use this remedy, and learn from his own experience how quickly it gives relief, and he will remember it all his life. Arrived Too Late For the Funeral.
Mrs. Carruthers of McCook arrived in the city this morning, en route to Filley, where her mother Mrs. R. H. Pete, died suddenly, Thursday night. On arriving here Mrs. Carruthers secured the assistance of a policeman in telephoning her relatives asking that the funeral be delayed until her arrival, when she learned that the funeral was held, last evening.—Saturday's Beatrice cor. A Sweet Breath
Is a never-failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick of White Plains, Kentucky, writes: "I have been a dyspeptic for years, tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once and after taking a few bottles am fully restored in weight and health and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. L. W. McConnell.

SOFT CORE

Like the running brook, the red blood that flows through the veins has to come from somewhere.

The springs of red blood are found in the soft core of the bones called the marrow and some say red blood also comes from the spleen. Healthy bone marrow and healthy spleen are full of fat.

Scott's Emulsion makes new blood by feeding the bone marrow and the spleen with the richest of all fats, the pure cod liver oil.

For pale school girls and invalids and for all whose blood is thin and pale, Scott's Emulsion is a pleasant and rich blood food. It not only feeds the blood-making organs but gives them strength to do their proper work.

How to Ward off Rheumatism.
"For years when spring time came on and I went into gardening, I was sure have an attack of rheumatism and every attack was more severe than the preceding one," says Josie McDonald, of Man, Logan county, West Va. "I tried everything with no relief whatever, until I procured a bottle of Chamberlain's Pain Balm, and the first application gave me ease and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle of Chamberlain's Pain Balm in the house, and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment." Robbed the Grave.
A startling incident, is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and side, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at L. W. McConnell's drug store.

BANKSVILLE.

Two peddlers wagons passed this section, Wednesday; dull trade apparently. A. M. Benjamin shingled his soddy, this week, and Nasby helped him a little. F. M. Humiston of Tioga, N. Y., was looking up land in this precinct, this week.

This is a week of fair weather and grass and grain have started growing nicely. The war is on over in Grant and trees are so scarce it is dangerous to be safe. Guess we will have to keep our guns loaded and well oiled.

Beauty and Strength
Are desirable. You are strong and vigorous, when your blood is pure. Many—nay, most—women, fail to properly digest their food, and so become pale, sallow, thin and weak, while the brightness, freshness and beauty of the skin and complexion depart. Remove this unpleasant evil, by eating nourishing food, and taking a small dose of Herbine after each meal, to digest what you have eaten. 50c at A. McMillen's.

A Great Sensation.

There was a big sensation in Leesville, when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of consumption, pneumonia, bronchitis and grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c, and \$1. Guaranteed by L. W. McConnell, druggist. Trial bottles free.

For liver troubles and constipation

There's nothing better in creation Than Little Early Risers, the famous little pills,
They always effect a cure and save doctor bills.

Little Early Risers are different from all other pills. They do not weaken the system, but act as a tonic to the tissues by arousing the secretions and restoring the liver to the full performance of its functions naturally. L. W. McConnell.

Walks Without Crutches.

I was much afflicted with sciatica, writes Ed C. Nud, Iowaville, Kansas, "going about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment, which relieved me. I used three 50c bottles. It is the greatest liniment I ever used; have recommended it to a number of persons and all express themselves as being benefited by it. I now walk without crutches, able to perform a great deal of light labor on the farm." 25c, 50c & \$1.00 at A. McMillen's.
