### Burlington-Union Pacific Trade.

Several special trains filled with Burlington officials have sped through Lincoln, lately and the object of the visits has aroused much speculation. Now comes the information from David City that the Burlington will control the Union Pacific branch from David City to Stromsburg and the Union Pacific will own the David City-Columbus line of the Burlington. The deal has been almost arranged, declared two Burlington officials, and it is practically certain that the change will be made. The Union Pacific will get through service from Lincoln to the west with connections at Columbus. The Burlington will have connections between Lincoln, McCook, Stromsburg, Fairfield and Alma. Nothing definite has been decided concerning the train service, it is said.—Lincoln Star.
