

COMPELLED TO USE A CRUTCH FOR EIGHT MONTHS. DOAN'S KIDNEY PILLS CURED MRS. F. CONLIN, CARBONDALE, PA.

Mrs. F. Conlin, 61 Greenfield Avenue, Carbondale, Pa., says: "I suffered with backache, and, despite the use of medicines, I could not get rid of it. I was compelled to use a crutch for eight months, and a part of the time was unable to walk at all. I finally screamed if I attempted to lift my feet from the floor, and, finally, I lost control of my limbs through weakness, as I could neither bend nor straighten up to my full height, and if ever a woman was in a serious condition, I was. My husband went to Kelly's drug store and brought home a box of Doan's Pills. I felt easier in a few days, and, continuing the treatment, I

was soon able to walk. At the end of two weeks the pains in my loins left. When I had completed the treatment, I had not an ache nor a pain, and I have been in that condition ever since.

Aching backs are eased. Hip, back, and loins pains overcome. Swelling of the limbs and dropsy signs vanish.

They correct urine with brick dust sediment, high colored, pain in passing, dribbling, frequency, bed wetting. Doan's Kidney Pills remove calculi and gravel. Believe heart palpitation, sleeplessness, headache, nervousness, dizziness.

ROBBED OF A FORTUNE IN GEMS

MRS. SAMUEL PARKER.

The theft from Mrs. Samuel Parker of \$50,000 worth of jewelry has stirred up the police of Honolulu to great efforts to try and find the criminals, but as yet no clew has been left and it is feared that some time may elapse before the jewels are recovered. Some

of the gems lost are rubies or rare size and others are heirlooms. Mrs. Parker is one of the most prominent women in Honolulu, her husband being a strong candidate for governor of Hawaii and one of the wealthiest men on the island.

U. S. SENATOR FROM SOUTH CAROLINA

Recommends Pe-ru-na

For Dyspepsia and Stomach Trouble.

Ex-Senator M. C. Butler.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

Catarrh of the Stomach is Generally Called Dyspepsia—Something to Produce Artificial Digestion is Generally Taken.

Hence, Pepsin, Pancreatin and a Host of Other Digestive Remedies Has Been Invented.

These Remedies Do Not Reach the Seat of the Difficulty, Which is Really Catarrh.

Ex-U. S. Senator M. C. Butler from South Carolina, was Senator from that state for two terms. In a recent letter to The Peruna Medicine Co., from Washington, D. C., says: "I can recommend Peruna for dyspepsia and stomach trouble. I have been using your medicine for a short period and I feel very much relieved. It is indeed a wonderful medicine besides a good tonic."—M. C. Butler.

The only rational way to cure dyspepsia is to remove the catarrh. Peruna cures catarrh. Peruna does not produce artificial digestion. It cures catarrh and leaves the stomach to perform digestion in a natural way. This is vastly better and safer than resorting to artificial methods.

Peruna has cured more cases of dyspepsia than all other remedies combined, simply because it cures catarrh wherever located. If catarrh is located in the head, Peruna cures it. If catarrh has fastened itself in the throat or bronchial tubes, Peruna cures it. When catarrh becomes settled in the stomach, Peruna cures it, as well in this location as in any other.

Peruna is not simply a remedy for dyspepsia. Peruna is a catarrh remedy. Peruna cures dyspepsia because it is generally dependent upon catarrh.

An Absent-Minded Man.

Edward L. Henry, the academician, is considerably over 60 years of age, but his youthful, smooth face, aside from his gray hair, has deceived many persons. He is an inveterate joker and also exceedingly absent-minded. This is an actual experience he had at the Century Club not long ago; it was a reception and Mr. Henry was very busy talking to a fellow artist, when something irritated his ankle. He stopped down and lifted the edge of the bottom of one of the other man's trouser legs, calmly scratched the other man's ankle just above the patent tie, and replacing the garment, went on talking, wholly oblivious of his action and apparently perfectly satisfied.

Ring from Mrs. Sage's Coffin.

An interesting story appeared recently about Russell Sage and his old-time rival—who has just died—for the hand of Mr. Sage's first wife, one of the "Emma Willard girls," a graduate of Mount Holyoke seminary, in commenting upon the story to a friend, the present Mrs. Sage, who was a school chum of the first wife, said that not long ago the old graveyard where her predecessor had been buried was torn up, and Mr. Sage went there to superintend the removal of the body. He stepped over the fence, and as he did so a coffin was borne past him. A wedding ring rolled out at his feet. It was that of his former wife. The present Mrs. Sage, who has much sentiment in her make-up, thought it a beautiful omen.

A BACK NUMBER

The Milk and Egg Diet.

Starving the patient who has a sick stomach, is an out-of-date treatment and no longer necessary with the predigested and nourishing food Grape-Nuts, that the weakest stomach can handle and grow strong upon.

There is plenty of proof of this: "I had suffered from stomach trouble for six years and for most of the last two years had been confined to my bed, the trouble having become chronic in spite of the very best medical attention. I had always been a coffee drinker, but for the past year I could not drink it at all because it made me so nervous I could not sleep and my appetite was almost entirely gone."

"Then some friends advised me to try the predigested food Grape-Nuts and about three months ago I did so and since that time my improvement has been so rapid that my customers and friends are astonished and every day someone remarks upon my changed condition. I have gained 15 pounds, sleep well, my appetite is good and my digestion is perfect. Where I have lived on milk and light diet for years I now eat most anything I want and don't suffer any inconvenience either. The way Grape-Nuts food has built up my stomach and strengthened my nervous system particularly is just wonderful."

"I drink your food drink, Postum, too, and no longer feel the want of coffee. There is absolutely no doubt that leaving off coffee and using Grape-Nuts and Postum has brought me out of my bed from an invalid back to fine health." Name given by Postum Co., Battle Creek, Mich.

"There's a reason, and that reason is plain to anyone who will spend a few minutes investigating in the interest of health."

NEW POPE REIGNS

CARDINAL SARTO ELECTED ON SEVENTH BALLOT

ASSUMES HIS TITLE AT ONCE

Announcement of Choice Being Made Received with Great Enthusiasm—He Appeared Outside of the Basilica and Blessed the Populace.

ROME.—Cardinal Sarto, patriarch of Venice, has been elected pope.

Cardinal Macchi, secretary of apostolic briefs, announced to the crowd assembled before St. Peter's that Cardinal Sarto had been elected pope, and that he had taken the name of Pius X. The troops on duty immediately lined up on the piazza and presented arms.

Announcement of Cardinal Sarto's election was received with wild enthusiasm by thousands of people who had gathered outside of St. Peter's. The scene within the basilica when the pope pronounced his benediction, was one of unparalleled excitement and enthusiasm. Thousands of persons within the cathedral cheered and waved their hats.

Ten minutes after 12 o'clock Pope Pius X appeared inside the balcony of the basilica and blessed the populace, amid the acclamations of the enormous crowds assembled upon the piazza.

Pope Pius X, who was Cardinal Giuseppe Sarto, the patriarch of Venice, was at one time regarded as Pope Leo's personal choice for the succession to the chair of St. Peter. His name suddenly sprang into prominence a year ago in connection with the names of Rampolla, Vannutelli and Gotti, as among the cardinals most apt to win the high place.

He was born in 1835 and made patriarch in 1891, being proclaimed cardinal two years later. He is a great preacher and fairly well known as a writer, and he has the reputation of accomplishing all the works that he has undertaken. He is a member of the congregations of Bishops and Regulars, Sacred Rites, Indulgences and Sacred Relics and Studies.

Cardinal Sarto, probably the most able administrator of the Italian episcopacy, combines firmness and determination with abundant tact and common sense, and has managed to inaugurate a number of very practical reforms in his archdiocese of Venice without giving offense either to the clergy or to the laity.

Even with the aid of a life preserver it would be next to impossible for a greenhorn to keep his head above water in a deep sea game of draw.

Railroads Get More Time.

CHICAGO.—The interstate commerce commission has again extended the time within which a number of railroads must complete their safety equipment to October 15. The commission will meantime consider the further extension of the law and the question of the location of grabirons on engines. Among the roads that are granted the extension are the Pennsylvania, Ere, Santa Fe and the Denver & Rio Grande.

GERMANY LIKES NEW POPE.

Election of Sarto Proves Very Acceptable.

BERLIN.—The election of Cardinal Sarto as the new pope was made known here at 1 o'clock Tuesday afternoon, through extra editions of the newspapers, which were eagerly read.

The Foreign Office at that hour had no confirmation of the news, but regarded it as probable, it having been learned that Sarto had strongly increased his vote yesterday. Replying to the question whether the election was acceptable to Germany, a representative of the foreign office answered:

"Unqualifiedly so from an omcal view point. Sarto is a mild manner man and has never been active politically."

In other quarters, it was remarked that Sarto is the only Italian cardinal whom the king of Italy received. His repeated visits to the king and his aversion to politics are regarded as an auspicious sign for the triple alliance.

HEARS FROM GLOBE TROTTER.

Expects to Lower Record for Trip Around the World.

SEATTLE, Wash.—According to a cablegram received here, J. W. Sayer, who is traveling around the world for the Seattle Times in an effort to break the best previous record, sailed on Friday from Germany on the steamer Campania and will reach Seattle in just fifty-five days after he left. If he makes it in fifty-five days he will have broken the world's record of sixty days thirteen and one-half hours, made by Charles Cecil Fitzmorris, before the completion of the trans-Siberian railway. The previous record for a trip around the world was made by engaging, in many cases, special conveyances. Mr. Sayer is making his trip entirely by public conveyances.

FRANCE APPROVES CHOICE.

Removes Fear that New Pope Might Be Reactionary.

PARIS.—The election of Cardinal Sarto as pope has created a distinctly favorable impression in governmental quarters here, removing the fear that the office might fall upon a radical or reactionary candidate. The Foreign office received the first information of the election from press sources, the news spreading rapidly among the officials and causing widespread comment.

Although not espousing any particular candidacy, official feeling has been favorable to one who would continue the conservative policy of the late pope.

Road Has Commenced Building

SALT LAKE CITY.—The Western Pacific railway, which is to build from the Pacific coast to Salt Lake via the Beckwith Pass, has commenced active operations on the east end of the contemplated route. A surveying party left for a point near Reno, Nev., where the line crosses the Southern Pacific. The surveying party will bring the line across the desert to Salt Lake. The party is a large one and work will be pushed.

Mackay's Thoughtfulness.

The following incident furnishes one of the reasons why men in the employ of Clarence H. Mackay, president of the Postal Telegraph Company swear by him: Mr. Mackay was coming down in an elevator of the Postal building the other day, and noticed the operator perspiring in his heavy gray uniform. "Why don't you wear a lighter coat?" he said. "I haven't any," was the answer, "and they wouldn't let me wear it if I had." That afternoon Mackay issued an order. The elevator men in summer were to wear black alpaca coats, and the coats were to be provided by the company.

Supreme Court Sustains the Foot-Ease Trade-Mark.

Buffalo, N. Y.—Justice Laughlin in Supreme Court has granted a permanent injunction with costs against Paul B. Hudson and others of New York City, restraining them from making or selling a foot powder which the court declares is an imitation and infringement on "Foot-Ease," now so largely advertised and sold over the country. The owner of the trade-mark, "Foot-Ease," is Allen S. Gimsted, of Le Roy, N. Y., and the decision in this suit upholds "Foot-Ease" advertising, in placing on the market the spurious and similar appearing preparation involved in the case. This the court declares was designed in imitation and infringement of the genuine "Foot-Ease." Similar suits will be brought against others who are now infringing on the Foot-Ease trade-mark rights.
