The Genuine vs. Counterfeits.
The genuine is always better than a counterfeit, but the truth of this statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DeWitt's Witch Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Ledbetter, of Shreveport, La., says: "After using numerous other remedies without benefit one box of DeWitt's Witch Hazel Salve cured me." For blind, bleeding, itching and protruding piles no remedy is equal to DeWitt's Witch Hazel Salve. Sold by L. W. McConnell.

Mr. D. P. Daugherty, well known throughout Mercer and Sumner counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by L. W. McConnell, druggist.

A Purgative Pleasure.
If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what a purgative pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not gripe, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell of Houston, Tex. says: "No better pill can be used than Little Early Risers for constipation, sick headache, etc." Sold by L. W. McConnell.

SOFT CORE

Like the running brook, the red blood that flows through the veins has to come from somewhere.
The springs of red blood are found in the soft core of the bones called the marrow and some say red blood also comes from the spleen. Healthy bone marrow and healthy spleen are full of fat.
Scott's Emulsion makes new blood by feeding the bone marrow and the spleen with the richest of all fats, the pure cod liver oil.

For pale school girls and invalids and for all whose blood is thin and pale, Scott's Emulsion is a pleasant and rich blood food. It not only feeds the blood-making organs but gives them strength to do their proper work.

John Thomas, ex-Populist commissioner, is building a barn 40x60. We are of the opinion that Populists gave all they made to the dear people. But Barnum said:

Mr. Wineburger, south of us, threshed nine thousand bushels of wheat from 200 acres of land making an average of 45 bushels per acre and still the west is not a good country.

Fearful Odds Against Him.
Bedridden, alone and destitute. Such in brief was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with kidney disease and neither doctors nor medicines gave him relief. At length he tried Electric Bitters. Only 50c. Guaranteed by L. W. McConnell, druggist.

A wagon loaded with sheaves and the separator were burned. It seems a miracle that several were not killed.
