TWENTY-SECOND YEAR

MCCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, OCTOBER 16, 1903.

NUMBER 20

Open With Valley Beets.
October 7th, the Standard Sugar Beet Co. of Ames, Nebraska, opened this season's run with a 12-hour's run of beets shipped from the Republican Valley. There were 240 tons of beets in the initial run, and the average sugar per cent was 17.1, a very high and satisfactory average by the way.

The Standard people are now shipping daily 75 tons from McCook, 75 tons from Redwillow and 115 tons from Culbertson.

So far this season the average price paid the raisers of sugar-beets has been \$4.50 per ton. The average tare has been 5 per cent. In some instances the tare has been as small as 1 per cent.

The new system of weighing, analyzing, determining tare etc., is proving very satisfactory. It makes it possible for a farmer to know the same day what that shipment will net him. And further it enables him to correct any errors in future in the matter of topping or whatever the failing may have been.

The sugar per cent of the beets being shipped is larger than expected, but the tonnage is hardly up to expectations, on account of the light stand resulting from the wet weather in planting time. However, the fine quality of the beets is in a measure making up for the tonnage shortage.

Altogether the season promises to be a very satisfactory one.

The Martin-Phelps Commission Co.
It is a pleasure to note the fact that local merchants and dealers in other towns in this part of the state are appreciating the efforts of the Martin-Phelps Commission Co. of our city to meet their wants in the line of fruits, vegetables, nuts etc., in fact in everything usually found in a wholesale and commission business.

Last week the company received three carloads of superior apples. They are handling about a carload every week now as the season for the apple trade is well under way, and they are of course making that a specialty.

However, they deal in everything in their line in season, and THE TRIBUNE hopes they will receive merited trade and that the business may assume larger and larger proportions, as the company expects to be a permanent institution in our city.

Car of Apples Coming.
I will have a car of FANCY HAND-PICKED apples in McCook, Neb., on Tuesday, October 20. These apples are choice—mostly in barrels—and good keepers for winter use.

Also sweet cider in 15-gallon kegs and in jugs. Get your supply early as the car will be here only a few days. Respectfully,
R. C. POLLARD,
Druggist.

Paints and Oils.
For barns, sheds and out-buildings; can furnish a mineral of different colors that will not fade and makes a cheap paint. We carry the best mixed paint—The Lincoln. Now is a good time to paint as oil is very low in price. Let us figure with you.
A. McMILLEN,
Druggist.

Returned From the Hospital.
Mike Coyle of Coleman precinct, who was so seriously injured a year or so ago by being kicked by a horse, returned from the hospital, Tuesday of this week, we are sorry to state, not improved, and very weak. The case is not regarded as very hopeful.

Announcement.
I wish to announce to the voters of Redwillow county, that I am a candidate for sheriff and will be thankful for their support regardless of their party affiliations.

MR. AND MRS. G. A. NOREN expect to leave the city, next Monday, to take up their residence on their stock farm near Orleans, their old home. It were stating the case mildly to say that a host of friends will regret the going—but will join in a hearty wish for their happiness, contentment and prosperity in their new old home and business. Mr. and Mrs. Noren are among McCook's first settlers, coming to the town in the fall of 1882, and they have been closely and actively connected with much that has been best in the commercial, social and religious development of our city. Their removal will be a personal loss to many of the old timers, especially. Near Orleans in Harlan county they have a fine improved farm and Mr. Noren will devote himself particularly to the fine stock business.

MISS EDITH OYSTER, who has been connected with the McCook postoffice for the past 8 years, retires from the service, this week, and expects on next Wednesday to depart for California, where on October 28th, at the home of her sister Mrs. Stephen D. Bolles in Vallejo, she will be united in marriage to Mr. Rufus Carlton, well and favorably known to most McCookites. Miss Edith's long service in the postoffice has been characterized by unusual fidelity and faithfulness and her work has been prompt and obliging under circumstances not always without the trying element. THE TRIBUNE hopes the new life just opening out before her may prove all her happiest fancies paint it. Mr. Carlton is employed in the Santa Fe service in San Francisco in a clerical capacity. Miss Edna Yarger, who has been in the office for the past 2 years, succeeds Miss Oyster and Miss Sadie Coyle takes Miss Yarger's old position in the office.

Burned to Death By Gasoline.
The following account of the death of Mrs. Henry Hanlein is taken from an Emporia, Kansas, newspaper. Mrs. Hanlein was Miss Dell Gerver of this place, and her husband "Doc" Hanlein was formerly employed on the Western division:

Mrs. Henry Hanlein died early this morning from the effect of terrible burns sustained last night at her home, 113 West street from a gasoline explosion. The accident was one of the worst of its nature that ever happened in Emporia. Last evening just after dark Mrs. Hanlein began preparations for supper. She found that her supply of gasoline was out, so she went to her next door neighbor Mrs. Horton, and borrowed a pitcher full of gasoline. Upon returning, the pitcher of gasoline was placed upon a table while Mrs. Hanlein prepared the tank for filling. On the table with the pitcher, several feet distant from it, was a lighted lamp. The oil sat there long enough to distill its fumes about the room and when Mrs. Hanlein began filling the tank of the stove the fumes ignited by the lamp and the room in an instant was filled with flames. This exploded the pitcher full of gasoline and by the explosion Mrs. Hanlein's clothes were set on fire. No one else was in the room at the time of the accident. Mrs. Hanlein's daughter was at the home of Mrs. Horton, next door. The only person in the house at the time was a roomer Mr. Crawford, who was in bed asleep. Mr. Crawford is laid up with a sore foot. He was awakened by the woman's cries and tried to get an answer as to what was the matter, but failing in this he started for the stairway. By this time Mrs. Hanlein had started up stairs, all of her clothing on fire. Crawford lost no time in wrapping some blankets about Mrs. Hanlein and finally succeeded in smothering the flames. By that time the clothes were almost entirely burned off.

Mrs. Horton hearing the commotion came to the Hanlein home and when she entered the door the kitchen was on fire. Before she went up stairs she put out the fire in the kitchen and then went to Mrs. Hanlein's assistance.

A physician was summoned as soon as possible and Mr. Hanlein, who is night yardmaster of the Santa Fe was called home. Mrs. Hanlein lived through the night but suffered terribly. She was conscious most of the time and death came as a relief this morning about daylight. She leaves a husband and an 11-year-old daughter. The funeral arrangements will be made later. Mr. and Mrs. Hanlein have lived in Emporia 10 years and have a large circle of friends who receive the news of this bereavement with much sorrow and extend their heartfelt sympathy to the family.

Diamond & Bro. in the past nine months, I wish to notify the gentlemen of McCook and vicinity that my stock of fall and winter goods is now ready for your inspection. Scored an Artistic Success.
The concert in the Menard opera-house, last Friday evening, under auspices of the ladies of St. Patrick's church, was an artistic success and failed not in adding a net sum to the exchequer of the society in its effort to assist in the financial work of building the new church now well along in construction. The ladies of the church are to be felicitated on getting together so meritorious an entertainment on limited time, while the audience is an object of congratulation upon having an opportunity of hearing a concert by local talent of such excellence. The concert program was as follows:

PROGRAM.
"Jolly General March," Neil Moret, K. of P. Orchestra.
Song—Selected, Mrs. C. W. Britt
Piano-forte—Selected, Misses McKenna.
Violin—"La Deadim Overture," Rossini.
Mr. W. J. McGillin.
Recitation—"George Nidiver," Reed McKenna.
Song—"The Message of the Violet," Elsie Campbell.
Piano-forte—Selected, Mrs. W. B. Mills.
"Valse Francaesca," H. B. Blanke, K. of P. Orchestra.
Selection from "King John," Shakespeare, Miss Sadie Coyle.
"Love's Sorrow," H. R. Shelley, Mr. L. H. Lindemann.
Piano-forte—"Moon Moths," Miss Bertha Graham.
Uphonium Solo—(a) Serenade—"Thro' the Leaves," Fr. Schubert (b) "Evening Star," from Tannhauser, R. Wagner, Mr. F. A. Pennell.
Song—Selected, Miss Bertha Graham.
"An Old Sweetheart of Mine," Mr. J. F. Forbes.
Tableau—"Sunset on the Plain."

To this formal program the orchestra added two or three selections. Their efforts were especially appreciated and applauded.

Miss Bertha Graham's vocal and instrumental work were both enjoyed. She has a small sweet voice which she manages artistically, and on the piano has a touch and interpretation quite charming. Holdrege is her home.

Mrs. C. W. Britt's singing was up to the high standard which never fails to captivate her hearers. A voice of superior quality and volume is rare among amateur singers.

The violin selections by W. J. McGillin were enthusiastically received. He draws an entrancing bow and his efforts are always appreciated.

Reed McKenna recited "George Nidiver" very nicely.

Elsie Campbell is one of the popular singers of the city, and her "Message of the Violet" was sweetly given and brought the usual encore.

Mrs. W. B. Mills' ability as a pianist is well recognized and her effort on last Friday evening was appreciated thoroughly.

Miss Sadie Coyle enjoyed an encore for the clever manner in which she recited a selection from "King John."

Mr. L. H. Lindemann added to his growing fame as a tenor singer in his love song, "Love's Sorrow."

F. A. Pennell is a staple favorite with McCook audiences and no disappointment was experienced on this occasion, either on account of the selections or in the manner in which they were rendered.

Mr. J. F. Forbes' "An Old Sweetheart of Mine," and its attendant tableau delighted everyone—were indeed one of the prettiest features of the evening.

Rev. J. J. Laughran in happy strain and mood expressed the appreciation of the ladies of the patronage received and highly praised the quality and flavor of McCook's local talent.
