Judge Barnes and Congressman Burkett.
The first political meeting of the campaign will be held in McCook, Friday evening, October 30th, with Judge J. B. Barnes, our next judge of the supreme court, and Congressman E. J. Burkett of the First district, as the principal speakers of the evening. The meeting will be held in the Menard opera-house and will be a rouser. Both of the principal speakers for the occasion are able campaigners and will give all who come out to hear them something worthwhile. Pass the word along and help make this the greatest meeting of the campaign.

It will be victory all along the line in Nebraska, this fall. By that bumper wheat crop, I swear it.

AN EARNEST supporter of Eugene S. Dutcher for his first term of office in the county superintendency THE TRIBUNE is gratified to state that the results of his two years' work in the office amply sustain our contention and prove that the confidence and votes of the people were not by any means misplaced. He has given an able and honorable and useful account of his stewardship, and will be safely reelected.

The office of county assessor is one of largest importance to the business interests of all property-holders, and the demand of this new office is naturally for a wideawake and energetic business-man of judgment and backbone. It seems to THE TRIBUNE from all information at hand that F. P. Eno of Danbury just about fills the bill. He is well known especially in the Beaver Valley country, and where known best will be most strongly endorsed by the voters.

THE Nebraska university is and of right ought ever to be the pride of all Nebraskans. It is an educational institution which stands high and honorably among the best in America, although among the younger of the great universities. In order that its course may be onward and upward and that its usefulness may continue unimpaired and its progress unimpeded it is of first and vital importance that the standard of its board of regents be kept high, that the personnel of the board be maintained by additions of able and scholarly men of business. Such the Republicans of Nebraska present to voters of the state in the nomination of W. G. Whitmore and C. S. Allen. Both are graduates of the university and deeply and earnestly interested in its growth and development. They will make capable and conscientious regents.

My Lungs

"An attack of la grippe left me with a bad cough. My friends said I had consumption. I then tried Ayer's Cherry Pectoral and it cured me promptly."
A. K. Randies, Nokomis, Ill.

You forgot to buy a bottle of Ayer's Cherry Pectoral when your cold first came on, so you let it run along. Even now, with all your hard coughing, it will not disappoint you. There's a record of sixty years to fall back on.

Three sizes: 25c., 50c., \$1. All druggists.

Consult your doctor. If he says take it, then do as he says. If he tells you not to take it, then don't take it. He knows. Leave it with him. We are willing.

THE OLD RELIABLE

Absolutely Pure
THERE IS NO SUBSTITUTE

THE officers of the Republican central committee of the Fourteenth judicial district are A. Barnett, McCook, chairman, and C. A. Ready of Hayes Center, secretary.

Those who favor the county paying a bounty for killing wild animals, particularly coyotes, will have an opportunity of so doing at the coming election. If you favor the idea vote "yes" to the amendment which will be printed on the county ticket.

NEBRASKA bankers are evidently not favorable to asset currency as witnesseth their decisive vote against the proposition in their state gathering, this week. The east seems to be tied to that idol, however, and it seems to be a future contingency. And after that will be the deluge.

E. J. WILCOX has given the people of Redwillow county very satisfactory, prompt and obliging service during the first term of his incumbency and there is no indication of a desire to make a change in that office. His reelection is a practical certainty and is a deserved endorsement.

THOUGH officers of minor importance the Republican county convention thought it wise to name for the offices of county coroner and county assessor good men and true, so the voters of the county will have the opportunity of victoriously electing Dr. A. C. Harlan and James Williams to those respective positions.

DR. S. L. GREEN, the present county judge, will succeed himself by a large plurality. He has given the office his undivided time and attention. He has performed his work in that office with conscientious care and devotion to his high idea of justice and right and it will be a pleasure to his many friends in the county to return him to that office once more.

THE office of clerk of the district court demands business capacity, clerical ability and some measure of legal learning. Deputy County Clerk R. W. Devoe, the nominee of the late county convention, meets these requirements in a full measure. His services in the office of County Clerk Wilcox have been very satisfactory to the people and his elevation to the district clerkship will be a deserved promotion.

SHERIFF A. C. CRABTREE is before the voters of the county for a reelection and THE TRIBUNE will be surprised if the endorsement he seeks is not forthcoming by a safe plurality. Art is numbered with those who came to the county in the earliest days and he numbers his friends by the hundreds all over the county, and on election day they will be at the polls. His qualifications as an officer are recognized and proven by many years service and experience.

ONE of the county offices requiring good business ability and clerical experience is that of county treasurer. To meet this demand the Republican party offers the voters of this county such a nominee as Ben G. Gossard. No man in the county can bring to that office greater experience or ability. An expert and thoroughly conversant with the work of the office, where he has served as deputy for years, his claims upon the voters of the county are second to none.

SO FAR as the Republican nominee of the Fourteenth judicial district is concerned there is no occasion for alarm about the name of the nominee of the party, Judge R. C. Orr, going on the ticket regularly without the necessity of petition. The nomination has been properly certified to the clerks of the eight counties in the district, which covers the requirements of the law. It is not necessary that the nominations for district judge be certified to the secretary of state.

FOR the office of county commissioner, the Republican ticket offers one of the leading farmers of the eastern portion of the county. Samuel Premer stands well in his neighborhood as a man of judgment and character. He is an all-around solid and substantial farmer of the wideawake and progressive sort. The business interests of the county will be in safe and conservative hands in his keeping. Under his leadership THE TRIBUNE expects to see the Second district swing into the Republican column and the platter thus to be swept clean.

Our Candidate For Supreme Judge.

JUDGE J. B. BARNES. Nebraska Republicans have cause to be proud of their nominee for judge of the supreme court, Hon. J. B. Barnes of Madison county. He is an old settler in Nebraska, has lived here over 32 years. And it can be truthfully stated of him that he has been an honorable, useful and eminent citizen, a citizen who has been a credit to the state in every particular.

As a lawyer and judge he stands at the front with the best and most honest and conscientious. He is eminently qualified for the high and honorable position he seeks, both as a man and as a lawyer and judge of experience in the district court, and in other official places.

One of the most dependable earnest of what a man may be expected to do in an official place is what he has done in official capacities in the past. Judge Barnes has a long and honorable career in official life. He has uniformly given a good account of himself wherever placed by the votes and confidence of the people. He will make an ideal member of the supreme bench.

THE FORD'S BLACK-DRAUGHT FOR CONSTIPATION

Constipation is nothing more than a clogging of the bowels and nothing less than vital stagnation or death if not relieved. If every constipated sufferer could realize that he is allowing poisonous filth to remain in his system, he would soon get relief. Constipation invites all kind of contagion. Headaches, biliousness, colds and many other ailments disappear when constipated bowels are relieved. The Ford's Black-Draught thoroughly cleans out the bowels in an easy and natural manner without the purging of calomel or other violent cathartics.

Be sure that you get the original The Ford's Black-Draught, made by The Chattanooga Medicine Co. Sold by all druggists in 25 cent and \$1.00 packages.

Morgan, Ark., May 25, 1901.
I cannot recommend The Ford's Black-Draught too highly. I kept it in my house all the time and have used it for the last ten years. I never gave my children any other laxative. I think I could never be able to work without it on account of being troubled with constipation. Your medicine is all that keeps me up.
C. B. McFARLAND.

The Rules of the State Spelling Contest.

The executive committee of the Nebraska State Teachers' Association has planned as a special feature of the holiday meeting, a State Spelling Contest. Following are the complete rules to govern the event:

PURPOSE.—To arouse a new interest in spelling and get it back into all the schools.

CLASSES.—Four; class A, for rural schools and grammar grades; class B, for the non accredited high schools; class C, for the accredited high schools; class D, for normal schools and business colleges.

HOW SELECTED.—Classes A and B, shall be the winners in the county contests which must not be held earlier than December 17; class D, shall be winners in public contests in normal schools and business colleges held not earlier than December 17.

NUMBER OF CONTESTANTS.—In the State contest each county is entitled to two contestants; one in class A representing the rural schools, and one in grammar grades of town and city schools, and one in class B representing the non-accredited high schools of the county. Each accredited high school is entitled to one contestant in class C. Each normal school and each business college is entitled to one contestant in class D.

ALTERNATES.—The second best speller in each contest for selecting a representative to the State contest shall be known as an alternate. In case the winner cannot attend the State contest the alternate may take his place.

ELIGIBILITY.—No pupil can take part who has not been in regular attendance for more than half the fall term; no pupil can take part unless spelling has been taught regularly in his school for more than half the fall term.

CERTIFICATES.—Contestants will be admitted to the State contest on certificates in which the eligibility of contestants as to the regularity of attendance and work in school from which chosen, and conformity to regulations as to date and publicity of contests, shall be certified to by the county superintendent for classes A and B, by the city superintendent for class C, and by the president of the college for class D. These certificates shall be mailed to the state manager within two days after the selection of contestants.

THE SPELLING.—The spelling in classes A and B shall be written; in classes C and D it shall be oral. Contestants who spell correctly the entire list of words prepared for the written tests, and contestants who remain standing when the oral lists prepared have been pronounced, shall be declared winners and receive prizes of moderate value from the State teachers' association.

WORDS PRONOUNCED.—At least four-fifths of the words pronounced shall be taken from the Roll of Honor lists, and the lists to be printed in the October and November numbers of The Nebraska Teacher. For class A, Roll of Honor lists one and two; for class B, lists two and three, and for classes C and D, lists one, two and three.

COUNTY CONTESTS.—The contestants for the county contest shall be the winners in local contests in rural and town schools held not earlier than December 10. The contestants for class A, the winners in rural schools and grammar grades of town and city schools; for class B, the winners in local high school contests. (Not accredited high schools.)

The county superintendent shall have complete authority in arranging rules and regulations for his county and contests in conformity with the general rules adopted by the executive committee.

NOTE.—Each contestant shall become a member of the State Teachers' Association and shall be entitled to all privileges of other members.

RECOMMENDATIONS.
DATES.—The contest will be held in connection with the holiday program of the State Teachers' Association. It is recommended that the county superintendent arrange to hold his county contest Saturday, December 19; the city superintendent of accredited high schools his contest Friday, December 18; the president of the normal school or business college his contest Friday, December 18.

DATES OF LOCAL CONTESTS.—It is recommended that the local contests in rural, village and town schools and in the grammar grades of accredited schools for the selection of representatives for the county contest be held Friday, December 11.

ADMISSION FEE.—It is recommended that a small admission fee be charged to visitors at the county contests for the purpose of raising funds for defraying the expenses of the contestants to the State contest.

Beautiful Complexions
Are spoiled by using any kind of preparation that fills the pores of the skin. The best way to secure a clear complexion, free from sallowness, pimples, blotches, etc., is to keep the liver in good order. An occasional dose of Herbine will cleanse the bowels, regulate the liver, and so establish a clear, healthy complexion. 50c at A. McMillen's.

Frymire is Given 10 Years.
The trial of Charles A. Frymire charged with the murder of Mrs. Richard Puls occupied the time and attention of the district court in session for Frontier county in Stockville, last week, and after a closely contested and hard-fought legal battle the jury brought in a verdict of manslaughter. Judge Orr promptly gave the criminal the full benefit of the law in a sentence of 10 years imprisonment at hard labor, with solitary confinement on February 21st of each year, that being the anniversary of the crime. The prisoner was taken to the state penitentiary at Lincoln, last Thursday night. Frymire should have had imprisonment for life, and doubtless would have received practically such a sentence from Judge Orr had the jury brought in a verdict of murder in at least the second degree as was doubtless warranted. Congressman Norris of our city assisted in the prosecution of the murderer.

Dieting Invites Disease.
To cure dyspepsia or indigestion it is no longer necessary to live on milk and toast. Starvation produces such weakness that the whole system becomes an easy prey to disease. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that one cares to eat, and is a never failing cure for indigestion, dyspepsia and all stomach troubles. Kodol digests what you eat—makes the stomach sweet. Sold by L. W. McConnell.

Indigestion Causes Catarrh of the Stomach.
For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and exposes the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure
relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.

Kodol Digests What You Eat
Make the Stomach Sweet.
Bottles only Regular size, \$1.00, holding 2 1/2 times the trial size, which sells for 50 cents.

LIQUID KOAL
TRADE MARK

Boy—Say, Pa, what do they mean by saying "Penny wise and pound foolish"?

Father—Why, it's where a man loses a dollar to save a nickel.

Boy—Well, Pa, were you that way when you let your hogs all die because you did not want to pay out money for Liquid Koal that James Cain sells so much of?

Father—Johnnie, don't talk so much.

Iriton, Nov. 25, 1902.
This is to certify that I used L. K. and am well pleased with it. I only had six hogs get sick after using it, and before using it I had from two to four get sick each day. I can cheerfully recommend it and would advise any one who has lost hogs, among his hogs to give it a trial.—F. F. Faringer.
