Mothers

Who would keep their children in good health, should watch for the first symptoms of worms, and remove them with White's Cream Vermifuge. It is the children's best tonic. It gets digestion at work, so that their food does them good, and they grow up healthy and strong. 25c at A. McMillen's.

As he goes out to Washington soon, that was, in all probability, the last time the class and teacher will meet this side of the great eternity. May the whole class "sing bright-day" sing that new song, "In the Sweet Bye and Bye."

Beautiful Complexions Are spoiled by using any kind of preparation that fills the pores of the skin. The best way to secure a clear complexion, free from sallowness, pimples, blotches, etc., is to keep the liver in good order.
