Best Liniment on Earth.

I. M. McHany, Greenville, Texas, writes, Nov. 2, 1900: "I had rheumatism last winter, was down in bed 6 weeks; tried everything, but got no relief, till a friend gave me a part of a bottle of Ballard's Snow Liniment. I used it, and got two more bottles. It cured me and I haven't felt any rheumatism since. I can recommend Snow Liniment to be the best liniment on earth for rheumatism." For rheumatic, sciatic or neuralgic pains, rub in Ballard's Snow Liniment, you will not suffer long, but will be gratified with a speedy and effective cure. 25c, 50c and \$1 at A. McMillen's.

Now, gentle reader, don't entertain the thought of her foot hanging on the top wire, thus precipitating a peculiar position, one not highly recommended in any of the most learned and highest standard authority on etiquette, received and accepted in the highest circles.

Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and exposes the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure

relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour strings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.
