Christmas Gifts Should and Ought to Be Something of a Substantial Nature

No present at this time of the year can equal that of a nice piece of Furniture. It's a present to the whole house and becomes "a thing of beauty and a joy forever." Try this year in buying something that will always have a place in your house instead of buying several dollars worth of lighter novelties that are soon discarded. Remember we have the largest stock of complete housefurnishings in the city, every article being correct in style.

Nothing makes a more appropriate present than a rocking chair—a nice one. We have them for the little tots to the large leather ones at from \$1.00 to \$25.00.

Make your parlor or sitting room a present of a nice couch. We can give you some startling prices on pantosote or leather goods. Beautiful patterns in velours.

If your friend has ever mentioned that he would like something that he could sit in with ease and read, we have just what you want—a line of Morris chairs. The new kind—no hooks, no rods. They adjust themselves to any position.

A combination book case and writing desk makes an ideal present. Our line is the largest we have ever shown.

For dainty gifts in the furniture line don't fail to see our music cabinets, ladies' parlor desks, dressing tables etc.

Pictures, wall pockets, jardiniere stands, plate racks and many other pieces in lighter goods.

ONE HUNDRED of these Plate Racks go on sale, for one week, commencing December 18th. Price only... 98c
Recently we sold 100 of these in two days. One to a customer. You will have to hurry. Plate racks not delivered. You will have to carry them away with you.

We have over 100 different styles in rocking chairs. We can suit you.

A china closet or buffet makes a most acceptable gift to your dining room. We have some beauties.

Positively the largest line of center tables ever shown in McCook, from \$1.00 to \$15.00.

See our odd parlor furniture—Roman seats, divans, davenport, corner chairs etc. Some very pretty designs.

Rugs—Patterns in oriental, floral, scroll and Indian effects.

If you were thinking of making your wife a present of a sewing machine don't forget the Singer. It has been the best for 50 years and always will be. There are reasons why.

Many people do not know we carry queensware. Come in and we will show you. We can save you money on a dinner set.
