A Cough Or A Quarter--Which?

A 25 cent bottle of McConnell's Balsam is almost certain to cure an ordinary cough. It is one of those remedies that begins to help from the first dose and the quicker you take this dose after the cough starts the quicker will the cure be performed. If you are not in every way satisfied with the remedy we shall be glad to return the quarter.

Four cars of hogs shipped to Denver and 2 to Kansas City. Sims to Denver and Ashton to Kansas City. Jess Ashton was in the collision below Orleans. All left the car but Jess, he was smoking and happened to go to the car door just as the engine was about to collide and jumped and saved his life.

Christmas has come and gone. The trees at the churches were nicely arrayed with valuable presents. The programs superb and magnificently rendered. Both churches acquitted themselves very well and deserve the good will of the entire community. The dance at the hall was a grand success financially, the embellishments the same as before.

We are to have a protracted meeting at the M. E. church in the near future. Hope they will convert all the drinkers, dancers and gamblers, yes, and the town hall association so that Christ may be enthroned in the hearts of the people of Danbury and vicinity, for we can hardly tell which is uppermost in their affections "reverently speaking" Christ or the 4th of July.

Will buy hogs Tuesdays and Saturdays.
