The citizens have cheerfully made a liberal donation to assist in erecting the mill which when completed will cost over \$12,000 and will be furnished with all the latest and best machinery. There will be 11,000 feet of floor space and a capacity of 60 barrels of flour per day and 5 to 6 tons of feed per day.

#### Climatic Cures.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night cough sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer clime, you will find that of the thousands of consumptives, the few who are benefited and regain strength are those who use German Syrup. Trial bottles, 25c; regular size, 75c. L. W. McConnell.

There is a balm used by cultured and uncultured women in the crisis. Husbands should investigate this remedy in order to reassure their wives as to the ease with which children can be born and beauty of form and figure retained.

#### Don't Send My Boy, Where Your Girl Can't Go.

By Mrs. Lillian Van, Dec. 12, 1903.  
So you think that it doesn't matter.  
"He's only a boy," you say.  
But is not his soul as spotless  
As your little girl's today?  
You would send my boy in that hell-hole,  
To get you a bottle of beer,  
But your heart would sicken with horror,  
Should you see your girl in there.  
God never made any difference  
'Tween the soul of your girl or my boy,  
She is your treasure and sunshine,  
He is my blessing and joy,  
And his dear hands pure and spotless,  
Are as free from all sin tonight,  
As those of your little daughter,  
So dainty, fair and white.  
That which is sin for your daughter,  
Is sin for my son, I trow,  
And what will stain his pureness,  
Will mar his own fair brow.  
Then do not send my boy, sir,  
Where your own girl may not go,  
The sin that sends your girl to hell,  
Will send my boy's soul below.  
Don't tell him it doesn't matter,  
"He's only a boy," you say,  
Why, sir, the fate of our nation,  
Depends on the boys of today.  
If others had told our great leaders,  
"Your only a boy—it's no sin,"  
What had become of our country,  
For right must triumph and win?  
When he shall have grown to manhood,  
And she to womanhood sweet,  
Were he to lay heart and hand,  
All vile and sin-stained at her feet,  
Would you give her to him and bless them  
And say as you watched them go  
"He's only a boy, what matters,  
They all must their wild oats sow?"  
Ah, no, you would spare him in anger,  
Unfit for your girl you say,  
And only his God would pity  
My boy you had led astray.  
Don't send my boy where your girl can't go  
For the sin that would tarnish her name,  
And lay your proud head low,  
Would crimson his soul with shame,  
And the path that leads her where a crown is  
Will lead my boy to the gates of heaven.

#### Time Is Passing.

Sad are our hearts, oh! Old Year  
As to them we say farewell,  
And we know Thou art gone forever,  
Our thoughts and deeds as well.  
Oh, glad New Year, we welcome Thee  
With thy pages all so bright,  
And may our lives be as pure  
As the given New Year light.  
Ah! years are passing swiftly on  
And each to his work must go,  
To begin life's journey alone  
His cares only One to know.  
As the joys and pleasures of life  
Come with the passing year,  
So doth come sorrow, and parting  
With those once so dear.  
The memories of the past bring sadness,  
As we think of parted friends,  
Yet our Heavenly Father, wills it so,  
And our hearts, with harmony blends.  
And as we write upon the new leaf  
All so spotless and so white,  
Let it be by the Giver's guidance,  
With deeds of truth and right.  
Life's journey may be long, but yet  
Time we cannot measure,  
But He who knoweth, doth choose  
Our path of pain or pleasure.
