Charles McManigell of Lincoln, while shipping a car of cotton from Atlanta, seven miles west of Holdrege, to the eastern market Monday had a peculiar accident happen to the car. A couple of miles west of Holdrege the roof of the car was lifted up and blown off, a heavy wind prevailing in this vicinity all afternoon. The stock was transferred to another car at Holdrege and sent on.

For a long time there has been a rumor that the force of dispatchers on the Burlington is to be reduced materially, but no definite announcement of such a change has been made. One story is that the McCook and Denver dispatchers' offices are to be consolidated and a change made by which some of the dispatching now done at Creston is to be done at Lincoln. No hint has come from an official source that such is being contemplated, but the men have been talking about it for some time.—Lincoln Journal, Tuesday.

While it has not been officially announced, yet the daily papers forecast and it seems to be pretty generally understood among railroad men that the dispatchers' department of the Burlington is to be reorganized, to go into effect May 1st, and that quite a number of changes will be made in officials and in the personnel of the force. It seems to be quite certain that the Denver office will be consolidated with the McCook office, which will bring to McCook Chief Dispatcher Edgar and his force of three dispatchers, namely: Calhoun, Culbertson and Chambers.

Kempton Comedy Co.

At opera house, April 21, 22 and 23. This favorite troupe will be at the opera house on the above dates in a new lot of plays. Thursday night they will present "A Homespun Heart." Of their performance of this play the Denver Post of November 7th, 1903, says: "A Homespun Heart" played to a very fair business and gave universal satisfaction. The play, which is written by Hal Reid, is certainly a masterpiece. In this play pathos, comedy and tragedy are neatly intermingled, just enough of each quality and not too much of any one. A play that the most fastidious can find no fault with. A play with a plot finely concealed and not too abruptly brought. A play that leaves a lasting and most favorable impression upon its audience. In fact too much praise cannot be given "A Homespun Heart." It is such plays as this that elevate the stage. The scenery carried by the company is entirely in keeping with the play, being very beautiful and extremely realistic. The cast was of the best, and this was most clearly evinced by the company being compelled to give a curtain call after each of the four acts.

Colonist Rates.

During March and April the Burlington will sell one way tickets to the Pacific coast at very low rates.

Here are some of them:
\$25 to San Francisco and Los Angeles.
\$25 to Portland, Tacoma and Seattle.
\$22.50 to Spokane.
\$20 to Salt Lake City, Butte, Helena.
\$16.75 to Big Horn Basin, Wyo.

Proportionately low rates to hundreds of other points.

These rates offer an excellent opportunity to see the great northwest which presents unusual attractions to the homeseeker. It possesses the iron and lumber of Michigan, the wheat of Minnesota, the wool of Ohio, the fisheries of New England and seaboard rivaling the Atlantic coast.

If you will tell me where you are going, I shall be glad to give you full information about rates, train service, sleeping car service and send you advertising matter descriptive of these wonderful sections. J. Francis, General Passenger Agent, Omaha, Neb. 2-26-4-29

Beauty and Strength

Are desirable. You are strong and vigorous, when your blood is pure. Many—nay, most—women, fail to properly digest their food, and so become pale, sallow, thin and weak, while the brightness, freshness and beauty of the skin and complexion, depart. Remedy this unpleasant evil, by eating nourishing food, and taking a small dose of Herbine after each meal, to digest what you have eaten. 50c a bottle at A. McMillen's.
