TWENTY-SECOND YEAR

MCCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, MAY 13, 1904.

NUMBER 50

FRAUD ORDER AGAINST HIM.

Professor Thole of Nebraska Runs Contrary to Postal Laws.

Washington, May 6.—(Special to Lincoln Journal)—Prof. A. H. Thole of McCook, Neb., will no longer be permitted to send love advice through the mails. He is reported to have done a heavy business, his rates being 25 cents in silver. His advertisements, which guaranteed no failures, it is said, read like this:

"Great secret; how you can make your lover or sweetheart love you. They just must love you; they can't help themselves. This secret is based on scientific principles and cannot fail."

One ardent lover who felt that he had not got the worth of his money, sent to the postoffice department "the great secret," as disclosed to him. It read as follows:

"Your letter of recent date at hand, and I will say that the woman you love you must constantly think of with your whole soul's intensity if you want her to love you. In addition to that you must not drink, but keep clean and neat in your dress. Be polite and attentive; be generous, for women hate stinginess in men, but dearly love generosity. Be brave, for women hate cowards and love bravery. Be firm; women hate triflers. Walk with your head and shoulders well thrown back; be dignified, be courteous and in every way a gentleman. Flattery goes a long way to win women, but don't overdo it. Don't be bashful, as women hate bashfulness in men, but love bold men.

Yours for success.
PROF. A. H. THOLE."

Investigation by postoffice inspectors resulted in a fraud order being issued against the professor.

Fined the Sunny Sons of Italy.

Franklin, Neb., May 8.—(Special.)—The state game warden was here today with a deputy and made six arrests. The Burlington has a gang of Italians here laying new steel and they have been hunting evenings and Sundays, killing rabbits for their meals. As they are not residents of this county and failed to get a license their hunting was illegal. They were taken before a justice and fined \$10 and costs.—Lincoln Journal.

High School Commencement.

The graduating class has chosen Rev. J. J. Loughran to be the preacher of the baccalaureate sermon, which will be delivered on Sunday evening, May 22, at St. Patrick's church. The public is cordially invited to attend.

The commencement exercises will be held on Friday evening, May 27, in the Congregational church. Col. L. F. Copeland, one of the most effective and attractive public speakers in America today, has been secured to address the class and the people of the community. Of all the excellent lecturers we have heard here at the commencement season, it is confidently believed that Col. Copeland will prove the most entertaining and popular. A complete announcement will be made next week regarding the sale and reservation of seats, so that all desiring to attend may be assured of a place in advance.

The alumni association will hold its annual reception and banquet in honor of the graduating class, Saturday evening, May 28. A meeting of the resident alumni was held last Thursday night and the following officers chosen for the ensuing year: President, John L. Rice; Secretary, Miss Millie Elbert; Treasurer, Miss Minnie Rowell; members of the executive committee, Mrs. Maude Stokes and Miss Mollie Ryan.

A Birthday Surprise.

Mr. and Mrs. Austin C. Marsh of East McCook were happily surprised, Monday evening, by a company of thirty or forty neighbors and friends. The special occasion was the celebration of Mr. Marsh's 70th birthday, and those particularly interested were members of the East McCook Sunday-school of which Mr. Marsh is the superintendent. Refreshments were enjoyed. Mr. Marsh received a small gift as a testimonial of the esteem in which he is held by the members of the school. Besides the evening was happily spent in social ways.

Shall McCook Celebrate?

The question is already being asked, Will McCook celebrate the Fourth of July, this year of grace 1904? We have not had a celebration for a number of years and it seems fitting, this year, to unite in giving the people of McCook and southwestern Nebraska something to see and think about for some time in that line. It is not too early, either, to commence not only agitating the proposition but organizing for the event and planning for its success on a scale in keeping with the position McCook occupies in this portion of Nebraska.

Supreme Court Reverses and Remands.
The damage suit of James McAdams against the City of McCook which was won by the city in the last term of district court, and which was subsequently carried up to the supreme court, has been reversed and remanded by the supreme court. Which means that the case may be retried in the district court,—at least that the city will have to pay the costs in the suit.

Fatally Injured in a Runaway.

Little Vance Mitchell, the four-year-old son of Mr. and Mrs. J. H. Mitchell of our city, died at 8:15 Thursday morning, of injuries received on Wednesday afternoon in a runaway accident a few miles northwest of this city.

Little Vance was accompanying his grandfather G. H. Simmerman out to the farm in Coleman precinct. While the grandfather was out of the wagon for some purpose the team started and he was unable to stop them. In the ensuing runaway the little fellow was thrown out, run over and fatally injured. The injured child was at once brought to the city and everything possible was done for his relief, but to no purpose. Death relieved his sufferings on the following morning, being the result of internal injuries sustained.

The bereaved parents and greatly distressed grandparents have the very tenderest sympathy of all in this tragic sorrow.

Brief services were conducted at the home by Rev. Carman on Friday afternoon, after which the remains were laid away in Riverview cemetery.

We are most deeply grateful to all for ready assistance rendered and for sympathy extended us in the great sorrow which has come so unexpectedly into our home and hearts. All have our heartfelt thanks.

MR. AND MRS. J. H. MITCHELL.

It is supposed that he had boarded the day coach of the train and before entering the car in some way fell off after going several stops. Badly dazed he then walked back on the coal chutes until reaching the extreme top slipped and fell to the ground. He still remains in an unconscious state.

Here one of them fell and both were captured unhurt. They commenced their flight out on West Dennison street.

We'll Stay in Ol' Nebraska.

FRANCIS J. GABLE.
The eastern folks is laffin'.
An' a-jokin' an' a chaffin'.
About our plains,
An' lack o' rains.
But we keep on a-sowin'.
An' watch our crops a-growin'.
An' we'll stay in ol' Nebraska just the same.

They think we're void o' learnin'.
An' that our fields are burnin'.
From want o' rain,
On hill and plain;
But still they spend their money.
For our produce; ain't it funny?
An' we'll stay in ol' Nebraska just the same.

What care we for their laffin'
An' their jokin' and their chaffin'?
Because we know
Our grain will grow;
An' with our crops an' cattle
We are winners in the battle,
An' we'll stay in ol' Nebraska just the same.

McCook's Pulse Beats High.

McCook's pulse beats good and strong, this morning. At the Congressional convention in Hastings, yesterday, Congressman G. W. Norris of our city was nominated for congressman in the Fifth Nebraska district without opposition. It was a deserved endorsement and one which the congressman will show his profound appreciation of by, if possible, increased zeal for the highest and best interests of the people of the district. On behalf of his fellowtownsmen, THE TRIBUNE congratulates the judge.

At the same convention another townsman was also honored: Sup't Alexander Campbell of the Western division was chosen a delegate to the Republican national convention which meets in Chicago in June to endorse President Roosevelt with a unanimous nomination to be the Republican standard-bearer in the next national election. A life-long stalwart Republican is thus honored, and the distinction will be highly regarded and appreciated by the recipient. We congratulate.

In honoring them both McCook feels elevated and enthused.

If Noah Had Lived in Nebraska

he probably would not have had to build the ark, but after a few days and nights of good old Nebraska rain, we are positive that Mrs. Noah would have insisted that "now is the time to clean house." And had she lived in McCook or vicinity, would have straightaway come to us for floor paint, white enamel for the refrigerator or bath tub, varnish stains or Japalac for some of the older furniture, some of the famous Heath & Milligan paint for the house and selected a number of our choice patterns of wall paper for the interior decoration.

We know we could have pleased Mrs. Noah in all these things, as we know we can please every lady in McCook. And when you buy of us you get the most value for your money. We invite you to trade with us.
