Mount Booker Washington.

Mrs. Hill, an artist of Tacoma, Wash., has been commissioned by one of the Western railroad trunk lines to execute for the Louisiana Purchase exposition several canvases ilustrative of the scenery of Washington state. One of the pictures represents a lofty mountain, which for some reason had never received a name. The artist suggested that the mountain be christened Mount Booker Washington, in honor of the principal of the Tuskegee institute. Her suggestion was confirmed by the United States geological survey, and the name, Mount Booker Washington, is now in use. The picture will re exhibited at St. Louis this summer.
