Doctors Said He Would Not Live.

Peter Fry, Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I could not possibly live another month as there was no cure for me. STORK TIME

To most women is a term of anxiety, serious thought and sweet anticipation.
With the cessation of pain necessary to childbirth, there comes calm nerves, sleep and recuperation.

MOTHER'S FRIEND

Does diminish the pain accompanying maternity. With its aid mothers can and do bring healthy, sweet dispositioned and ideal babies into the world.
Morning sickness, sore breasts and excruciating pains caused by the gradually expanding organs, are relieved by this penetrating and relaxing liniment.
Among the manifold aids to childbirth Mother's Friend has grown in popularity and gained a prestige among rich women as well as poor; it is found and welcomed in the mansion as well as in the cabin.
By lessening the mother's agony of mind and diminishing pain a beautiful influence is wrought upon the child, and instead of peevish, ill-tempered and sickly forms you have healthy, laughing humanity, remaining a blessing ever to you and its country.

FATAL ACCIDENT.
On coming in from the field last Thursday one of L. F. Nichols' horses ran into the wrong stall. He turned the mare back into her own stall and was kicked in the stomach and died Saturday morning. The family received news of the death of his mother the day he was hurt but thought it better not to tell him. Leroy Franklin Nichols was born in Lawrence county, Indiana, July 7, 1849. He removed to Dallas county, Iowa, in 1873, and was united in marriage with Amanda Horton in 1878. They came to Red Willow county in 1880 and resided here until his death, aged 55 years and 9 days. The fourteenth inning Lebanon scored 1 and Hendley 2, making 6 to 7 in Hendley's favor. Hendley had as many imported as home players. Lebanon played the same home team that played at Danbury the fourth. Thraykill pitched the entire game for Lebanon. Ira Converse pitched part of Hendley's game. School district No. 11 offered Ex-County Supt. Dutcher \$40 a month to teach their school, coming term, and were disappointed in not being able to secure his services.
Jim Ford got his heel hurt at Danbury the 4th. He was to ride standing on the backs of two horses. The boys threw so many fire crackers at his ponies that they threw him twice.
A little boy, the son of Jud Pennington, got a good butting the night of the 4th. He was driving the cows home from pasture and being busy with his toy pistol he did not notice one of the calves charge him. A team was passing at the time and the calf was driven away. No harm was done.
We understand that the school board and voters have called a meeting to see about bonding the district for \$2,500 to build a new school building. D. F. Hupp has offered the district two acres of land to be selected from his forty joining the town site on the east. Those who would like to have the school house moved farther from the residence part, as well as those who would rather have the new building erected on the site leased by the Lincoln Land Co., the present location, should be present at this meeting. It is very likely that the Lincoln Land Co., would give enough land for play grounds rather than have the building moved. It is possible that moving the school farther away will only cause the people to build way.

A Continual Strain.
Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on kidney and liver ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower 25c; regular size, 75c. At all druggists.

Last Thursday noon the town was favored with a street exhibition. Our genial landlady of the hotel undertook to administer a thrashing to Jim DeLong. They fought down stairs, through the bar room and into the street. DeLong broke loose from his assailant. She followed, clubbing and throwing sticks, stones and a great volume of profane and obscene abuse at him. Officer Young arrested her and Police Justice Hethcote taxed her \$5 and costs. She had DeLong arrested for assault, but the court thought that there was no cause for action, as DeLong had to knock her down twice to prevent her from stabbing him with a knife. DeLong is now thinking of having her arrested for assault with intent to kill. Such disgraceful conduct should be punished with a severe fine and imprisonment and all offenders given to understand that if they desire to live in a civilized country that they must respect the law. Squire Hethcote is going to see that all parties who break the peace in the future be promptly punished.

No Pity Shown.
"For years fate was after me continuously," writes F. A. Guldged, Verbena, Ariz. "I had a terrible case of piles causing 24 tumors. When all failed Bucken's Arnica Salve cured me. Equally good for burns and all aches and pains. Only 25c at McConnell's drug store."
Indigestion Causes Catarrh of the Stomach.
For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and exposes the nerves of the stomach, thus causing the glands to secrete mucin instead of the juices of natural digestion. This is called Catarrh of the Stomach.
Kodol Dyspepsia Cure relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.
Kodol Digests What You Eat Make the Stomach Sweet. Bottles only. Regular size, \$1.00, holding 2 1/2 times the trial size, which sells for 50 cents. Prepared by E. G. DeWitt & Co., Chicago, Ill. For Sale by L. W. McConnell
