### To Everywhere and Back. The Burlington's Low Summer Rates.

The Burlington offers excursion rates in every direction—so low that there is no excuse for staying at home. Below are some of them:

St. Louis and back: Three kinds of daily rates besides the special low rate coach excursions each Tuesday and Thursday during August and September.

Chicago and back: Daily low rates either direct or via St. Louis with stopovers at St. Louis, Kansas City and Omaha.

Louisville, Ky., and back \$28.85, August 12 to 15.

Boston and back—the only chance of the season for a low rate visit to New England, \$41.45, August 11 to 13—long limit.

World's Fair stopovers at St. Louis on through tickets.

Colorado and Utah—there and back—practically half rates all summer.

To California—San Francisco and Los Angeles and back, August 15 to September 10, only 8—. The only chance in 1904 to get this low rate.

Portland, Puget Sound and back, August 15 to 18, one fare for the round trip.

To Michigan, Minnesota, Wisconsin and the Great Lake region—the ideal summer country—daily low rates to take you away from home.

On the first and third Tuesdays of each month very low round trip rates to hundreds of points in the northwest, west and southwest.

Write or call, describe your trip; let me advise you the best cost. 8-5-4t G. S. SCOTT, Ticket Agent. L. W. WARELEY, G. P. A., Omaha.

**A Sweet Breath**  
is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary Crick of White Plains, Ky., writes: "I have been a dyspeptic for years; tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once and after taking a few bottles am fully restored in weight, health and strength and can eat what-ever I like." Kodol digests what you eat and makes the stomach sweet. Sold by L. W. McConnell.

#### Was Wasting Away.

"I had been troubled with kidney disease for the last five years," writes Robert R. Watts of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. Sold by A. McMillen.

#### \$14.75 to St. Louis and Return.

The Burlington offers the above low rate for tickets good in coaches and chair cars—seats free. On sale Tuesdays and Thursdays during August and September. See me for full particulars. 8-5-St G. S. SCOTT, Ticket Agent.

#### RAILROAD NEWS ITEMS.

Freight trains 147 and 148, Hastings and McCook, now run daily except Sunday.

Both the day and night yard-crews at Oxford were taken off August 1st, in the interest of economy.

A. C. Wiehe arrived, Sunday night, from Villa Park, Illinois, and has resumed work for the Burlington.

W. J. McCarroll is here from Philadelphia, seeing how the 2700 behaves herself for the Baldwin locomotive works.

Brakeman and Mrs. Frank Neubauer arrived home Thursday morning, from spending a delightful week in the mountains.

Conductor George Willetts, Jr., arrived home, Sunday, from Sabetha, Kansas. The family will remain there for a number of weeks longer.

The Burlington on Monday of this week resumed daily freight service. Eight men were added to the repair track force, this week.

John M. Wentz, Jr., arrived home from Milwaukee, Wis., Wednesday, and will go to work for the company. He thinks McCook is pretty nearly all right yet.

Dispatcher and Mrs. Leroy Kleven arrived home, Wednesday night, from their visit in Livingston, Mont. They spent a short time in Culbertson on their way home.

Freight trains 63 and 64, daily between Oxford and McCook, have been annulled. They are now confined to Red Cloud and Oxford and are now under the direction of Trainmaster T. W. Wilburn of Red Cloud, who has added two new crews to meet the case.

The five-year-old son of the section foreman at Culbertson, Peter Yost, caused some astonishment among the railroad men here, last Friday evening, by riding down from Culbertson on the trucks of the day coach. It was an extremely risky act for one so young. But the youthful Russian seemed to have enjoyed his escapade, though he admitted that he had to do a good job of holding on. He was sent back to his father at Culbertson on No. 5, the same night.

The new dining car the Burlington inaugurated on its fast train for Chicago, the Eli, Friday, has caused much comment among railroad men as well as travelers, and is the object of close scrutiny as it stands every afternoon at the Union depot ready for its trip. The new car goes as far as Cameron for supper, and returns for breakfast the next morning. This is said to be the first car built to be finished with madder wood, a very beautiful grain and color, from the Philippine Islands. The upholstery is of Spanish leather, showing shades of green, brown and burnt orange.—Kansas City Journal.

W. A. Cassel had an experience, Tuesday night on 2, coming out of Denver that he is not desirous of soon duplicating. The train carried a carload of strike-breakers from Denver to South Omaha. They occupied a special car, which was locked. As the train passed 19th street, Denver, some unknown party struck Cassel, who was standing on the car steps, over the head with a club, another fellow hit him in the side with a stone and still another smashed his lantern. The assailants were strikers or strike sympathizers. The police were notified at the first stopping place, but of course were not successful in locating the assailants.

#### RAILROAD EMPLOYEES.

You pay too much! I can save you money on Hamilton and Hampden high grade watches. CHAS. B. MORGAN, Holdrege, Neb.

**Closing Out Hammocks.**  
A few hammocks left at very low prices. Call and see them if you need one. A. McMILLEN.

**Reduction of Almost 25 Per Cent.**  
The rate of taxation in Willow Grove precinct, for 1904, is 6.04 mills, as against 8.25 last year, almost 25 per cent reduction.

**The Two Thieves Broke Jail.**  
Some time last night, James Quigley and John O'Brien, the two thieves held in the county jail to appear at the next term of district court for stealing clothing from C. L. DeGroff & Co., broke jail and are still at liberty. Deputy Sheriff R. M. Osborn placed them in the cage, last evening. This morning the lock to one door of the cage is gone entirely and the other door's lock is sprung. With the aid of a bar of iron they soon made an opening through the 8-inch brick wall, where the steam-pipe enters the cell-room, and were soon at liberty. They doubtless had assistance from the outside.

#### The Famous Lotus Quartette.

It is confidently stated of the Lotus Glee Club that too much stress cannot be laid on the merits of their work. They are at the Epworth Assembly, Lincoln, this week. In fact they opened the Assembly and are at the head of the assembly's list of entertainments. August 10th is the date—next Wednesday. This justly famous organization has a veteran record, beginning its twentieth season with undiminished popularity. They have traveled and given concerts in every state this side of the Rocky Mountains, with but two exceptions, and have had three London seasons, where they sang with great success in concerts with Melba, Eames, Van Zant, Trebelli, Antoinette Sterling, Patey, Mr. and Mrs. Henschall, Edward Lloyd, Ben Davies, Foli, Sims, Reeves, Paderewski, and at two concerts in Royal Albert Hall with Mme. Adalina Patti. The English critics were unanimous in pronouncing their part singing the finest they had ever heard or believed possible. The club enjoys a unique distinction from other quartettes, having the prestige of a distinguished European success in addition to its high rank among leading American organizations. The club has always been noted for its ensemble work and its perfect blending and shading, and the artistic character of its singing is due in no small measure to the admirable method of the conductor, Mr. Frank J. Smith, who has been with them from the beginning.

Frank Nelson's lecture on "Books and Men" contained many wholesome and helpful suggestions to teachers and readers. His talk to the teachers Friday afternoon, was in some respects more meaty and helpful than his formal lecture in the Congregational church in the evening. Deputy State Supt. McBrien introduced the speaker on both occasions at some length.

#### Admission Will Be Free.

August 8th, at the First Baptist church, McCook, at 8 p. m., there will be a piano recital, given by Edna M. Barr of the New England Conservatory of Music, Boston, Mass., assisted by Mr. C. H. Miller, instructor in vocal music at the McCook Junior Normal School. The programs will be distributed in the church Monday evening. Everybody welcome. Admission free.
